all these Objections. HOOFLAND'S GERMAN BITTERS PREPARED ONLY BY DR. C. M. JACKSON. NO. 631 ARCH STREET, PHILADELPHIA,
Is the very best Tonic and Nervine extant, and will give relief where all other remedies fail. This is not a more assertion, but has been proved over and over againly the class of persons we are now addressing, as the certificates hereto appended will show. So well are the virtues of the Bitters known, that it is freely prescribed by the leading physicians of Philadelphia and vicinity. It is entirely vegetable, and free from alconolic stimulant and fall injurious ingredients. Persons advanced in life, and feeling the hand of time weighing heavily upon them, will find in these Bitters an clixir that will mestore, in a measure, the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

Weak and delicate children are made strong by using the Bitters. In fact, it is a family medicine, and may be profitably administered to a child of three months, the most delicate female, or a man of ninety.

Shake the bottle before using.

From Rev. J Newton Brown, D. D., Editor of Encyclopedia of Religious Knowledge.

To Dr. C. M. Jackson.—Although not disposed to favor or recommend Patent Medicines in general through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus centrioute to the benefit of others.

I do this more readily in regard to "Hoofand's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemsker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

From Capt. Sickles, of Scott Legion, Co. K.

GENTLEMEN:—In the camp diseases, such as Dysentery, Typhoid Fever, and Chills, so common in activaservice, I had nothing equal to your Bitters. As a preventive or cure, I look upon them as invaluable, and cheerfully bear my testimony to their excellence.

Yours truly, WM. H. SICKLES.

PHILADRIPHIA, May 19, 1868.

DR. C. M. JACKSON—Dear Sir: Though somewhat reliactant to give you a certificate, I think that my duty to those similarly afficied requires that I should give brief statement of my case.

I had suffered for years from Liver Complaint and Dyspepsia in their most aggravated forms—was unable to est animal foed, or indeed any vegetables with the single exception of rice, on which I subsisted for few years. I cannot pretend to describe my sufferings is almost with pain that my memory recurst o that period. I should long since have been in my grace had not my physician, Dr. Fickart, recommended the use of your Bitters, as the best Tonic with which he was acquainted. I had tried a number of remedies without success, but concluded to follow the advide of my medical adviser. I did so, and my most sanguine hopes were

From the Rev. Joseph H. Kennard, Pastor of the Tenth Baptist Church Dr. JACKSON—Dear Sir: I have been frequently re-Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere. I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofdand's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuabe preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.

Yours very respectfully,
J. H. KENNARD.
