NOTICE.—The members of the Mount Vernon Hook and Ladder company are requested to meet at the truck house this evening at 7½ o'clock.

ACQUITTED -Private John Brandt, of the First City Zonaves, tried at Reading recently for shooting a deserter, while acting in the capacity of provost guard, was acquitted.

Our or Prison.—The German barber who was arrested and imprisoned last Saturday on a charge of assault and battery with intent to kill, is again at liberty, having been released on bail.

THE SHAD MARKET .- Notwithstanding the increased supply of shad in our market there is no material decline in prices. The best quality still command seventy-five cents per pair, at which rate a large number were disposed of this morning. Some of small size and inferior quality sold for two shillings each.

FOR READING.—A delegation of twenty-five or this city left yesterday afternoon for Reading, to participate in the grand mass meeting of the Democracy of old Berks last evening. The "pet lambs" of the Fourth Ward were largely represented in the visiting delegation.

CONFEDERATE PRISONERS .- Within a few days large numbers of Confederate prisoners have passed southward over the Pennsylvania and Northern Central railroads, and were taken to Fortress Monroe for exchange. There are still more to come. The trains containing these prisoners do not reach our city, but pass down the other side of the river.

WILD DUCKS.-For two or three days past large numbers of wild ducks have dotted the surface of the Susquehanna river in this vicinity, and no doubt many of them have been bagged by the "crack shots" of our city. Of the various kinds of ducks that frequent the waters in this region, sportsmen inform us that "blue bills" are the most numerous at the present time.

FAST DRIVING .- Yesterday afternoon the driver of a "fast nag" passed up Second street at 2.40 speed. Several children who were playing on the states that they stopped at a certain boarding street narrowly escaped being run over. Men who house, and that on Friday morning his father persist in converting our main thoroughfares into trotting parks to show off the superior quality of their steeds, should be arrested for violation of the pot in the course of an hour or two. The father ordinance prohibiting such dangerous exhibitions.

An OLD Soldier DEAD .- Another of the soldiers who took an active part in the last war with England, Mr. Daniel Hain, died at his residence in Middle Paxton township on Monday last, at the advanced age of seventy-seven years. The deceased was widely known and highly respected. His funeral takes place to-day, and will be attended by his surviving companions-in-arms residing in this vicinity.

street, he will be indicted for maintaining a nui-E PLURIBUS UNUM.

The citizens of Third street have a similar complaint to make, the piles of dirt scraped up last week remaining as so many monuments to the inefficiency of the supervisor. We trust the street committee will stir up the scavenger of the middle district and have the nuisance promptly abated.]

ASSAULT AND BATTERY.—Calvin Ray was before Alderman Kline yesterday, charged with having committed assault and battery on John Shoop. The affair originated in a difficulty between the parties about a money transaction. Angry words were exchanged, and Shoop finally called Ray a liar, whereupon the latter laid his hand upon Shoop in a menacing manner, but did not strike him. A prosecution was the result, and Ray had to enter bail for his appearance at the April term. Trivial cases of this kind, which are of such frequent occurrence, ought to be ruled out of court.

MOOTHART AGAIN AT LARGE.—This notorious horse-thief, whose recent arrest and confinement in the Williamsport prison was noticed in our columns, is again at large, having broken jail on the night of the 17th inst. The chief of police yesterday received a descriptive handbill from the sheriff of Lycoming county, offering a reward of seventy-five dollars for his arrest. But for the injudicious action of Governor Curtin in pardoning this accomplished scoundrel, he would still be an ismate of our county prison. All attempts to ascertain his whereabouts have thus far proved abortive, and the probability is that he will never be captured. Moothart is not only a fugitive from justice, but a deserter from the Eighteenth United

DISCHARGED.—Some two weeks ago a man named Ames Cowan was found loitering about the premises of David Mumma, Esq., at a late hour of the night, under suspicious circumstances. He was repeatedly ordered to leave but refused to do io, and finally assaulted Mr. Mumma in a violent time. With the assistance of a man in his employ Mr. Mumma succeeded in securing the necturnal morting Cowan was arraigned for assault and battery, and committed to prison for trial, where he having been established that he is not altogether of him for support. He has never been known to in ialge in dishonest practices, and when sober is reprepented as a quiet and inoffensive man.

Democratic County Convention.

This body met in the court house at ten o'clock resterday, delegates being present from all the one exception. We have seldom witnessed a more in a similar capacity, and the entire proceedings decorum and unanimity. The convention was organized by the appointment of A. W. Loomis, Esq., of Halifax, as President, and Dr. Wm. H. Egle, of this city, and Andrew J. Laird, of West Londonderry, as Secretaries.

On motion, the list of wards, boroughs and townships was called over, when the following gen- kick on the hand which sent the pistol flying over tlemen presented credentials and were admitted to seats in the convention:

The call of the roll having been completed, the convention proceeded to the choice of delegates to represent Dauphin county in the Democratic State Convention to be held in this city on the 17th of

June next, with the following result: Dr. C. Seiler received 37 votes. John Raymond " R. J. Haldeman " 25 "

Wm. K. Wilson " The two first named gentlemen having received majority of all the votes cast, were declared duly elected. Four delegates who would have voted thirty ardent and enthusiastic "copperheads" of for Mesers. Seiler and Raymond failed to reach the city in time to participate in the action of the

convention. The following resolutions, offered by Dr. Seiler, were read and adopted by a unanimous vote, amidst great enthusiasm on the part of the delegates and spectators :

The convention then adjourned.

—On Thursday of last week a man named Henry Miller arrived here, BOB EDWARDS......Sole Proprietor. in company with his son, a lad about fourteen | G. W. KIRBYE, Stage & Business Manager. years of age, from Buffalo, New York. The boy farnished him with money and sent him out to purchase a gun, promising to meet him at the defailed to keep his appointment, and has not been seen or heard of since. The child thus left alone among strangers was taken in and cared for by a humane gentleman of this city, and still remains here. He alleges that his father had a considerable sum of money in his possession. The keeper of the boarding house above alluded to, when called upon, indignantly denied that Miller and the boy had stopped there. Nearly one week has now elapsed since the disappearance of Miller, and the affair is still involved in inexplicable Notice is hereby given to the supervisor of the | mystery. We learn that the Mayor has determined Third ward, that unless he promptly removes the upon a thorough investigation of the affair, which, piles of dirt deposited on the north side of Market | it is to be hoped, will result in some satisfactory developments.

After writing the foregoing yesterday afternoon, young Miller was taken befere Mayor Roumfort and again searchingly interrogated, but nothing was elicited tending to throw light upon the mysterious occurrence. The boy repeated his former story, and insisted that he and his father had put up at a boarding house somewhere near the railroad. Some persons believe the lad's story to be true, and others are disposed to regard it as a fabrication. We are at a loss to conjecture what motive a child of his age could have in deceiving and humbugging the public. The matter is still undergoing investigation.

ALLEGED DESERTER .- On Monday night the provost guard arrested Howard Griffith, alias Dunbar, by order of the military authorities, charged with having deserted from the United States army on the day prior to the battle of Winchester. He came to this city three or four months ago and has continued to reside here with his mother. His story is, that he was taken prisoner and paroled, and subsequently discharged from the service, but he has no documents to sustain his statement. Information recently furnished the military authorities by officers of his company and regiment clearly establishes the fact of his desertion. Having received an intimation that his arrest was contemplated, he had made arrangements to leave on the western train at three o'clock yesterday morning, on being informed of which a squad of the provost guard proceeded to the residence of his mother on Monday night and captured him. After a hearing before Alderman Kline, Griffith was committed to prison for safe keeping until yesterday morning, when he was taken in charge by the provost marshal. This fellow has rendered himself somewhat notorious in our city by his rowdy-like conduct. was frequently before Mayor Kepner on various charges, and recently served a term in prison for riotous and disorderly conduct at the Fourth Street

Bethel during time of religious service. Bony Found.-The body of George Reckord manner, being under the influence of liquor at the drowned below the railroad bridge on Saturday evening last, was found near the river shore, epposite the Paxton furnace, a short distance below intruder and conveyed him to the look-up. Mr. Brubaker being on horseback and unarmed, was unable to defend were characterized by a commendable degree of himself, and handed the robber his pocket book, which contained about six dollars. The robber perceiving that his victim carried a gold watch demanded it also, and, still presenting the pistol, let go the reins and attempted to grab the watch, when Mr. B., seeing that his horse was free, slipped his foot from the stirrup and gave the robber a his head and discharged one of the loads, which started his horse at a full gallop. The highwayman called after him to stop, but being glad to get rid of such company he paid no heed to the order, and escaped without any further loss than that of his pocket book and the small sum it contained.

THE TRUNK BREAKING CASE .- Our readers will recollect that several days ago complaint was made to Alderman Kline against Mrs. Jane Bostgen for visiting the house of a Mr. Holtzberger in the Sixth ward, in company with a man who represented himself as a constable, and breaking open the trunk of Miss Leah J. Ferree, on pretense of searching for stolen goods. Mrs. Bostgen gave bail for her appearance at court to answer the charge. Subsequent to this proceeding Miss Ferree ascertained that. John Stouffer was the individual who "played constable" on the occasion, and yesterday she instituted suit against him also for illegal and forcible opening and search of her trunk. Alderman Kline issued to the chief of quently entered bail for his appearance at the approaching term of court.

It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Ayer's Sarsaparilla purgos out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula or King's Evil, Tumors, Utcers, Sores, Eurptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scold Head, Ringworm, Cancer or Canwerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Steritivy, Syphilis or Venereal Diseases, Liver Complaints and Heart Diseases. Facts About Brandreth's Pills. NEW CASTLE, WESTCHESTER Co., N. Y., Oct. 23, 1862. Ma. G. Ten Evok Sheldon, Editor Sing Sing Republi-

Dear Sir-I would state that I was induced to use BRANDRETH'S PILLS through the recommendation of John B. Swift, of Croton, Westchester County, who was entirely restored to health by their use. He was sick for some two years, very costive and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one Pill every day, with occasional doses of six. In one

month he was able to go to work, and in three months was well, gaining 40 pounds in weight. Yours truly, EDWARD PURDY. WESTONESTER COUNTY, 88.

Edward Purdy, being duly sworn, says that he resides in the town of New Castle; that some years ago he was very sick with a sore on his leg, which had been running for over five years; that he was also much distressed by a pain in his chest, an i, besider, was very costive and dyspeptic; that after rying various remedies and many physicians, he commenced using Brandreth s Pills, six to eight three times a week, and at the end of one month the sore in his leg healed, and at the end of two months he was entirely cured of costiveness, dyspepsis and pain, and has remained well ever since.
