VATE OF THANKS .- At a recent anniversary meeting of the First Presbyterian Sabbath school, of Williamsport, a vote of thanks was passed to Rev. Wm. Cattell, of this city, for an interesting address delivered on the occasion.

STONE THROWING .- Complaint was made before Alderman Kline against two boys for throwing stones on the street and striking a woman. The chief of police has imperative orders from the Mayor to arrest all boys caught indulging in this dangerous amusement.

To BE ARGUED AT HARRISBURG .- The argument upon the writ of error in the case of Keenan, convicted of murder in killing John A. Obey, a Pittsburg railroad conductor, and who is now in the Allegheny county prison under sentence of death, will be heard by the Supreme Court in this city on Wednesday the 6th of May next.

IN PRISON AGAIN .- Florence Smith, whose name is familiar to the readers of our police reports, is back in her old familiar quarters, having been found drunk in a saw mill in the southern section of the city. Alderman Kline committed Florence for vagrancy. She belongs to that class of "lewd women of the baser sort" who are beyond the hope of reformation.

Run Away .- The chief of police received a dispatch from Reading on Saturday night directing the arrest of a boy who ran away from that city, and was supposed to be on the train due here a little after eight o'clock. The train was searched on its arrival here, but no boy answering the description could be found. It is probable he went in some other direction.

PRISONERS,-On Saturday the county prison contained fifty occupants-about as many as can comfortably be accommodated. They comprise conisoners awaiting trial, drunkards and rentenced for a longer term of imprisonment than than in our county prison.

SEDUCTION AND RAPE .- Among the cases returned for triat this week is that of a rural lass, whe, "loving not wisely but too well," fell a victim to the seductive arts of her rustic "lovier." Under promise of marriage the faithless and heartless swain ruined, and then abandoned her. An effort is now being made to settle the case, but should it fail, we are assured that the trial will elicit some rich developments. A rape case is also on the trial list, the parties being a soldier's wife and her brother-in-law, residents of a rural village in this county. The defendant visited the house of the absent soldier and made some familiar approaches to his wife which she indignantly resented. He finally pulled her upon his knees, remarking that she "was in the hands of a blacksmith, and it was useless for her to resist." A brief struggle ensued, when an attack of palpitation of the heart, superinduced by terror and excitement, so completely prostrated the woman that further successful resistance was impossible, and while in this helpless condition the amorous and unprincipled brother-in-law accomplished his villainous purpose. This is the woman's statement. but whether she will be able to "make out a case,"

remains to be seen when all the facts shall have been developed and the affair fully ventilated.

PUGILISTIC .-- A difficulty occurred between two "Americans of African descent" on Saturday, which culminated in a trial of pugilistic skill. One of the sable combatants retired from the conflict with a battered and bloody face and a large gash on the side of his head. Determined to be revenged upon the victor, he went before Alderman Kline to enter suit for assault and battery, but after hearing a statement of the affair, the alderman very properly declined to entertain the case. The disfigured and indignant darkey left the office in high dudgeon, muttering maledictions upon the alderman for refusing to "give him law," and went in search of an officer less scrupulous about entertaining trivial cases of this kind. No doubt he succeeded and had the case returned for trial, in which event the county will be "stuck" for the costs, neither party being able to pay them.

SENT TO THE POOR HOUSE .- A discharged soldier named John Walter, crippled in the service of his country, arrived here on Saturday in a debilitated condition, and made application for admission into the poor house until this morning. He walked from Lancaster to this city on Friday through rain and mud, and was too much enfeebled to proceed farther on his journey. The government owes this poor wounded soldier for five months' service, for want of which he is obliged to become a pauper and seek refuge-in a poor house like a common vagrant. Men who risk their lives and become crippled in defence of their country are entitled to better treatment by the government.

ECCENTRIC THIEVES .- A few nights ago a pariy of thieves broke into the house of a farmer residing near the city, from which they purloined almost everything in the shape of cooked victuals, such as pies, cakes, preserves, cold meat, &c., but did net touch a single article of value. In the morning a common milk pitcher was found upon the front steps, where the thieves had left it after drinking its contents. They wouldn't even steal a milk pitcher. Curious thieves! It is hinted that the nocturnal invaders were some young men of the neighborhood, and what they regard as a good "joke" upon the farmer may prove a serious one to them.

THE BOLD MILITIA .--- Among the bills passed by the State Legislature is one providing for the payment of the bold militia. The House very justly granted a month's pay to the men of September;

but the Senate hunkishly cut this down one half. with rations. As the soldiers received no clothing, and rations are not to be charged, we suppose this ragrants. All criminals convicted in cur court and | half month's pay will be at the rate of full pay, and not at the rate of thirteen dollars a month, one year are sent to the penitentiary, where, it is | which will bring it to about the same thing for the alleged, they can be maintained at less expense | privates. Boys, how are you going to invest your piles of greenbacks?

SPECIAL NOTICES.

CLEANSE THE BLOOD. — WITH corrupt, disordered or vitiated Blood, you must be sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Ayer's Sarsa-parilla purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula or King's Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Eloiches, Boils, St. Antho-ny's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, Cancer or Canverous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregu-larity, Suppression, Whites, Steritivy, Syphilis or Vene-real Diseases, Liver Complaints and Heart Diseases. Try Ayrer's GREERP PECTORAL is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Group, Bronchitis, In-cipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, and it is useless here to recount the evidence of its virtues.— The world knows them. JUVENILE HOUSE BREAKERS .--- Yesterday afternoon one white and three negro boys named Chas. Updegrove, Edward M'Carroll, David M'Laughlin and Barney O'Brien, were arrested by officer Camppell on a charge of breaking into the house of Mrs. Elizabeth Varnich and stealing ten dollars. The evidence elicited against these modern Jack Shephards was of such a nature as to warrant Alderman Kline in committing them for trial.

EGG THIEF .- On Saturday a basket containing 'ten or twelve dezen eggs was stolen from the wagen of a countryman in Market street, while the owner was bargaining with a shop-keeper for belonged to or had been purchased by him. He escaped with his booty and has not yet been captured, but the police are on his track.

INSULTING LADIES .- Three well-dressed blackguards, strangers in this city, giving the names of James Morrison, Samuel Giddings and William Warren, were arrested by officer Deeters for insulting ladies on the street, and behaving in a rude and disorderly manner generally. When before Alderman Kline they plead drunkenness as an excuse for their conduct, and promised not to repeat the offence, whereupon they were discharged with a severe reprimand, after paying costs.

THIRD WARD CONSTABLE -The rumor to which we gave publicity on Saturday, that Robert Fry. recently elected constable of the Third ward, declined to act, was unfounded. The report came to us from a source which we deemed reliable. It affords us pleasure to contradict it, and announce that it is the intention of Mr. Fry to serve in the position to which the Democracy of the Third ward elected him by a bandsome majority. He will make a faithful and efficient officer.

FAST DAY .-- The pastors of the various congregations yesterday made allusion to the proclamation of President Lincoln recommending Thursday next to be observed as a day of fasting and prayer, and announced that religious services would be held in their respective churches. We presume the occasion will be observed by our citizens generally, and that all secular business will be suspended, in accordance with the Presidential recommendation.

"COPPERHEADS."-It is rumored that old Abe will soon issue a proclamation calling in all copper cents, because the head of Liberty is used by the Democrats as an emblem for copperhead breastpins! The copperhead mania has become so general that rare old copper cents have recently gone up considerably in value. The following is from a description of a sale of coins in New York city :

"But it was in cents and half cents that most of the scrong points in the sale were made, and we note several of the sales : 'Link cent,' of 1793, the first year of the cent coinage, fine and very rare, brought \$5 12; another of the same kind, \$4 50; a 'Wreath cent,' of 1793, 'One hundred for a dollar' on the edge, a very fine specimen, brought \$6 15; a 'fillet head' cent of 1796, \$6 25; a 'small wreath' of 1797, \$2 75; a cent of 1798, extremely fine and rare, \$3 12. A cent of 1799, described as ' perhaps the best specimen that has been effered at a public sale,' sold for \$15 25 !"

Se much for copperheads! The Abolitionists and their nigger organs will be under the necessity of trying again. Everything, however, that they cprose and abuse seems to become in the end popular, while everything that they support or endorse is scorer or latter smitten with popular odium.

BRUISED A BLACKSNAKE'S HEAD .-- The other night a venomous "blacksnake" indulged in some insolent remarks to a young Democrat for sporting a "copperhead" breastpin, denounced him as a traitor, and undertook to remove the offensive emblem from his shirt-bosom. The result was that the impudent "blacksnake" got his head and face bruised, and would have been still more severely chastised had he not instantly subsided and beat a hasty retreat. "Copperheads" are not to be intimidated and trod upon with impunity, and never inflict a sting without leaving their mark.

DEATH OF A HARRISBURG PRISONER .--- A letter the sale of them. Some persons saw the thief take | from Aquia Creek states that "Alexander Arnold, the basket out of the wagon, but supposed that it a citizen of Harrisburg, was arrested some time age in Maryland, charged with being a blockade runner and dealer in contraband goods with the rebels. He was confined on board the Walkill, took sick a few weeks sgo, and died in the hospital at Aquia Creek on the 8th instant."

> LEGISLATORS ROBBED .--- Two members of the late Legislature, Messrs. Barron, of Centre, and Ellis, of Montour, were recently robbed in Philadelphia, the former of two hundred and fifteen dollars in money and a draft for three hundred dollars. The pockets of these two gentlemen were picked while passing along Chestnut street.

SETTLED .- In the case of Calvin Ray, prosecuted before Alderman Kline for assault and battery upon John Shoop, a compromise was effected on Saturday and the complaint withdrawn, Ray paying the costs. This is a more sensible mode of settling such difficulties than taking them to court.

Facts About Brandreth's Pills.

NEW CABILE, WESTCHESTER CO., N. Y., Oct. 23, 1852. MR. G. TEN EYCK SHELDON, Editor Sing Sing Republican : Dear Sir-I would state that I was induced to us BRANDRETH'S PILLS through the recommendation of John R. Swift, of Croton, Westchester County, who was entirely restored to health by their use. He was sick for some two years, very costive and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one

Pill every day, with occasional doses of six. In one month he was able to go to work, and in three months was well, gaining 40 pounds in weight.

Yours truly, EDWARD PURDY.

WESTCHESTER COUNTY, SS.

Edward Purdy, being duly sworn, says that he resides in the town of New Castle ; that some years ago he was very sick with a sore on his leg, which had been run ning for over five years; that he was also much distressed by a pain in his chest, an i, besides, was very costive and dyspeptic; that after rying various remedies and many physicians, he commenced using Brandreth's Pills, six to eight three times a week, and at the end of one month the sore in his leg healed, and at the end of two months he was entirely cured of costiveness, dyspepsia and pain, and has remained well ever since

EDWARD PURDY, Sworn to before me, this 18th day of October, 1862.
