know of no sufficient reason why a man may not testify
to the benefit he believes himself to have received from
any simple preparation, in the hope that he may thus
contribute to the benefit of others.

I do this more readily in regard to "Hoofland's Germag
Bitters," prepared by Dr. C. M. Jackson, of this city,
because I was prejudiced against them for years, under
the impression that they were chiefly an alcoholic mix
ture. I am indebted to my friend, Robert Shoemaker.
Esq., for the removal of this prejudice by proper tests,
and for encouragement to try them when suffering from
great and long continued debility. The use of three
bottles of these Bitters, at the beginning of the present
year, was fellowed by evident relief and restoration to a
degree of bodily and mental vigor which I had not felfor six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

cheerfully bear my testimony to their excellence.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cased declined; but with a clear preof in various instances and particularly in my own family, of the usefulness of Dr. Heofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Live: Complaint, it is a safe and valuable preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.

Yours very respectfully,

LIVED FOUR YEARS ON RICE.

PHILADELPHIA, May 19, 1869.

DR. C. M. JACKSON—Bear Sir: Though somewhat reluctant to give you a certificate, I think that my duty to those similarly afflicted requires that I should give brief statement of my case.

I had suffered for years from Liver Complaint and Dyspepsia in their most aggravated forms—was unable to eat animal food, or indeed any vegetables with the single exception of rice, on which I subsisted for few years. I cannot pretend to describe my sufferings is almost with pain that my memory recursts that period. I should long state have been in my grave had not my physician, Dr. Fickart, recommended the use of your Bitters, as the best Tonic with which he was acquainted. I had tried a number of remedies without success, but concluded to follow the advide of my medical diviser. I did so, and my most sanguine hopes were sealised. I am now well, and to your invaluable Bittery I ewe it, that I am permitted to write these lines.

Very gratefully yours,

MRS. S. A. LINEAU,
