LEBANON VALLEY RAILROAD.—By reference to the summer time table of the Lebanon Valley railroad, it will be seen that some changes have been made in the time for arrivals and departures of trains. Three passenger trains now run daily over this road between Harrisburg and New York and Philadelphia cities.

SINGULAR DISEASE.—A new disease, termed the spotted fever, prevails to considerable extent in certain sections of this county, and has resulted fatally in several instances. The first symptom of the disease is the appearance of purple spots upon the body of the patient, accompanied with ulceration of the mouth and throat. Unless promptly and skillfully treated medical science will not avail to save persons attacked by this singular malady.

A Nuisance.—The propelling of hand-carts and wheel-barrows on the sidewalks is a nuisance that ought to be abated. We are of opinion that there is a prohibitory ordinance on this subject, and if so, it was violated in two instances yesterday afternoon by colored men, who crowded lady promenaders to the outer edge of the Market street pavement. The dress of one lady came in contact with a store box and was considerably damaged.

NATIONAL FAST DAY .- In accordance with the recommendation of the President of the United States, our citizens generally will observe to-morrow as a day of fasting and prayer. The public offices and places of business will be closed, and religious services held in the various churches. We presume the pastors of the several congregations will preach entertaining and instructive sermens appropriate to the occasion.

have known this gentleman for several years and can recommend him as one of the best practical tailors in this city. For a long time he was emhas always been regarded as a first class workman. He is an industrious young man and worthy of patronage. Attention is also invited to the card of Mr. George A. Klugh, who has opened a similar establishment in Market street.

Tem Thumb and Wife, whose recent marriage is New York city created so great a sensation in all circles throughout the country, will visit this sity on Saturday next and hold two grand public levees, afternoon and evening, on which occasions they will appear in the identical wedding costumes were on their wedding day, and entertain the andience with a variety of songs, dances, etc -There is a general desire to see the lilliputian couple, and we have no doubt the levees of the General and his lady will be largely attended, especially by the juvenile portion of our population.

NEGRO RECRUITS .-- A squad of negro recruits the West passed through this city yesterday an route for Boston. On the day previous a com-Pary of thirty sable soldiers, enlisted in Franklin county, went to the same destination. The Carlisle papers state that about one hundred negroes have been recruited in Cumberland county and tent forward to the head-quarters of the Massachusetts regiment. Notwithstanding the vigorous efforts that have been made throughout the entire North for months past to enlist "American citizens if African descent" in the service, one regiment has not yet been filled.

DISORDERLY PAUPERS.—At a late hour on Monlay night officer Campbell was summoned to the poor house to arrest two paupers who were behaving in a very disorderly and riotous manner. It appeared from the statement of Mr. Brown, keeper H. Garvin and wife, came to this city on Monday attend court as witnesses in the child murder 13se. While here both drank to intoxication, and en their return to the poor house in the evening te Exe so uproarious and violent that it was found Epossible to manage them. A messenger was Estched for officer Campbell, who promptly re-Goaded to the summons, deputising two persons accompany him. After some difficulty the danken and obstreperous paupers were secured, reght to the city and committed to prison. Acto information made before Alderman time, the woman has long made a practice of to the city and procuring supplies of Thinky, under the influence of which she creates a disturbance among the paupers generally, and Sives the keeper a great deal of trouble. She has Funished in various ways, but all efforts to her have proved abortive. Liquor dealers Fig furnish public paupers with liquor subject in the selves to severe punishment and deprivation license; and it is the intention of the superinsendent of the poor house to indict all who herethe thend in this respect.

COURT PROCEEDINGS .- A large number of true bills were found by the grand jury yesterday, and some ignored. The following cases in the criminal calendar have thus far been disposed of:

Commonwealth vs. Emma Hoon, indicted in connection with another woman for keeping a disorderly house in the First ward. The latter was tried at the last term, convicted and sentenced to three months imprisonment. Emma has been in jail since that time and was acquitted on the ground of having been sufficiently punished.

Commonwealth vs. William Genter, indicted for the stealing of a ham from the door of a grocery store at the corner of Third and Chestnut. The jury found William guilty, thus settling the long nooted question of "who stole the ham?"

Commonwealth vs. Michael Burke, indicted for naintaining a nuisance. Plead guilty. Commonwealth vs. Patrick Hermin, indicted for arceny. Verdict guilty.

Commonwealth vs. Charles Pifer. The defendant in this case was a discharged and crippled soldier, charged with stealing a small coal shovel, amounting in value to about two shillings, from the

tin shop of Mr. J. B. Harris, in Market street. The jury rendered a verdict of guilty. Commonwealth vs. Thomas Earley, Jake Jones, Boyd Jackson and Ann Greenly, indicted for riot, and assault and battery on a soldier named Swcney. The defendants are all "Americans of African descent," and were charged with prominently participating in a riot which occurred in South street a few weeks ago. The affair created great excitement and attracted a crowd of two or three hundred people, most of them negro residents of

of that locality. The riot continued until a squad police officers made their appearance and dispersed the disorderly crowd. The soldier was very badly beaten, but some of the witnesses testified that he was the aggressor and instigator of the riot.-Whatever provocation the soldier may have given, however, the jury did not deem it sufficient to warrant the riotous demonstration that followed, and accordingly rendered a verdict of guilty against the negroes in manner and form as they stood in-

Commonwealth vs. Christian K. Spayd and Charles M'Manigal. These young men were arrested a few weeks ago on a charge of breaking into and robbing the shoe store of Mr. Dean, in the Sixth ward. The grand jury found a true bill against them, but before the case was called up for trial they appeared in court and plead guilty.

Commonwealth vs. Dick Carter and Lucy Lee. Phese two ebony-colored offenders were arraigned on a charge of stealing coal from the yard of Mr Eby Byers, near the railroad. The principal witness was the chief of police, who testified to having detected them in the act of carrying away a bag full of the "black diamonds." The case being a plain one, the jury immediately rendered a verdict of guilty.

In the case of the woman charged with murdering her child in the poor house, the grand jury found a true bill. The trial of this case, the most important on the list, is fixed for Friday morning, as we are informed by one of the weman's attorneys. A number of cases remain to be disposed of, and the probability is that the busines of the sessions will not be completed until Friday eve-

DEATH OF A PRINTER.—It is our painful duty this morning to announce the decease of a highly esteemed personal friend, and honored member of the typographical fraternit**y, Mr. Janes** B. He possessed a highly cultivated mind, was a vigorous and pleasing writer, and, had Providence spared his life, he would have risen to eminence in his profession and been an ornament to society. The deceased was a high-minded and honorable young man, and his genial temperament and fine social qualities endeared him to a large circle of acquaintances and friends, who will sincerely lament his loss. The funeral of the deceased will be attended by the Typographical Union of this city, of which he had long been an active and respected member.

ANOTHER WIFE WHIPPER .- On Monday night an Irishman named William Coleman committed a most brutal assault upon his wife, beating her in such a manner as to leave the marks of his violence upon her face and person. After completing his work of brutality Coleman went away from the house, leaving his wife in a bruised and New Counterpeirs.—Mercantile Bank, Orange, helpless condition, and is supposed to have left the city in order to escape arrest. Coleman has rendered himself notorious in this community for bad treatment of his wife, having repeatedly been arraigned for this offence within a period of several months. But for the kindness and forbearance of his wife, this fellow would long since have received the measure of punishment his brutality so richly deserves. In justice to herself, and her neglected and abused little children, Mrs. Coleman should now let the law take its course, in the event of her husband's return.

HANDSOME CANES .- There is now on exhibition at the jewelry store of Mr. Wm. Brady, in Market street, two splendid canes designed for presentation to gentlemen holding distinguished civic and military positions. They were manufactured of wood taken from the Merrimac, and are gotten up in superb style, each surmounted by a solid and elaborately ornamented gold head. One of them contains a representation of our State Capitol building, the Pennsylvania coat of arms, and an American Eagle resting on a shield, elegantly engraved. Inserted in the wood is a shield made of coppert aken from the Merrimac, with the name of the vessel engraved thereon. The other contains equally beautiful and patriotic devices .-These canes were furnished to order by Mr. Brady, If the institution, that two of his guests, Samuel | at considerable cost, and are the finest articles of the kind we have seen in this city.

A GREAT INSTITUTION.—We see it stated in an exchange that the Pennsylvania Central railread company, having leased the Sunbury and Erie railroad, now control the Northern Central railroad, the Shamokin Valley and Pottsville, and also the Williamsport and Elmira, together with the whole route through to Buffalo, New York. In addition to this they have under their control the Pittsburg, Fort Wayne and Chicago railroads, connecting their great Pennsylvania Central with the chief commercial cities of the West. There is no other railroad company in the world that now commands the same commercial influence; and after the thoroughfare to Lake Erie is opened, which will be very soon, the magnificence of the great Pennsylvania company will be unparalleled. in the world's commercial enterprise.

ENFORCE THE ORDINANCE.—Almost daily the ordinance prohibiting rapid and reckless driving on our streets is violated with impunity, endangering the lives and limbs of pedestrians. No matter what may be the social position of persons offending in 'this respect, the public safety requires a strict enforcement of the prohibitory ordinance, and unless this is done the chief of police will be held censurable. It was not intended by our city law-makers that this ordinance, designed for the protection of citizens, should remain a dead letter upon the municipal statute book. We trust this notice will be sufficient to induce prompt action on the part of our usually faithful and energetic chief of police, and that he will at once put a stop to drivers of "fast nags" converting the public thoroughfares into trotting ceurses.

Facts About Brandreth's Pills. NEW CASTLE, WESTCHESTER Co., N. Y., Oct. 28, 1852. MR. G. TEN EYOK SHELDON, Editor Sing Sing Republi-

Dear Sir-I would state that I was induced to use BRANDRETH'S PILLS through the recommendation of John R. Swift, of Croton, Westchester County, who was entirely restored to health by their use. He was sick for some two years, very costive and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day or three days, and then took one Pill every day, with occasional doses of six. In one month he was able to go to work, and in three months was well, gaining 40 pounds in weight. Yours truly, EDWARD PURDY.

Westchester County. 88. Edward Purdy, being duly sworn, says that he resides in the tewn of New Castle; that some years ago he was very sick with a sore on his leg, which had been res ning for over five years; that he was also much distressed by a pain in his chest an 1. besides, was very costive and dyspeptic; that after rying various remedies and many physicians, he commenced using Brandreth's Pllls, six to eight three times a week, and at the end of one month the sore in his leg healed, and at the end of two months he was entirely cured of costiveness, dyspepsia and pain, and has remained well ever since.

EDWARD PURDY. Sworn to before me, this 18th day of October, 1862. S. MALCOLM SMITH, Justice of the Peace
