COURT PROCEEDINGS.—Several cases, in which true bills were found by the grand jury, have been disposed of since our last issue.

In a number of instances parties failed to appear and forfeited their recognizances. Other cases were continued until the next term.

Commonwealth vs. William Brobst, of Senatorial bribery notoriety. Our readers will recollect that Brobst was charged with grossly insulting Mrs. Kate Davis and other respectable ladies of this city on the street.

After the finding of a true bill by the grand jury, the counsel of Brobst induced him to go into court and enter a plea of guilty, which he did, thereby preventing the damaging developments which a trial of the case would have elicited.

He was required to pay the costs of prosecution and give security in the sum of five hundred dollars for his future good behavior.

We regard this as very mild punishment considering the infamous offense of which Brobst was guilty.

Commonwealth vs. Frederick K. Mott, indicted for larceny. The defendant resides in Lykens-town, and was charged with stealing from the house of a farmer in that vicinity a variety of articles, comprising flour and bread, butter and meat, candles, etc.

At the time of the larceny the ground was covered with snow, and footprints were discovered leading from the house of the farmer to within about thirty feet of defendant's dwelling.

On searching the premises articles of the above description were found, but could not be identified as the stolen property. There was also discovered in Mott's house a bag, claimed by the farmer as belonging to him, and which had disappeared simultaneously with the provisions.

Some witnesses for the defence, however, positively testified that Mott obtained the bag from another source, and had it in his possession some time prior to the perpetration of the crime with which he was charged.

The jury in the case returned a verdict of not guilty.

Commonwealth vs. James Duncan, indicted for larceny. The defendant in this case is a small colored boy, apparently about fifteen years of age. He was charged with having stolen at different times, from Mary Main, of this city, sums of money amounting in the aggregate to about three hundred dollars.

Verdict guilty. It is likely the juvenile offender will be consigned to the House of Refuge.

Commonwealth vs. John W. Brown. This man is a soldier, and was indicted for passing a ten dollar broken bank bill at the store of Mrs. Caroline Davis, in the Sixth ward. He purchased articles to the value of two dollars, tendering a five dollar note in payment.

Mrs. Davis did not like the appearance of the bill and declined receiving it. He then offered a ten dollar bill, which he represented to be a good one. Having no reason to doubt the man's honesty, she took it, giving him eight dollar good money in change.

After Brown went away the note was discovered to be a worthless one. In the course of the trial it appeared that the five dollar bill, first offered, was also a spurious one. The only witness called by the defence, a gay-looking and talkative young female, testified that Brown bought the notes from a fellow-soldier, paying him four cents on the dollar, the seller declaring them to be good, and the latter believing his statement. This witness represented Brown to be an unsophisticated and simple-minded man, easily imposed upon, and volunteered the opinion that he had been duped by a shrewd and designing "copperhead."

She evidently tried to make a strong point in the prisoner's favor; but the girl's story, and her manner of relating it, did not favorably impress the jury, after a very brief conference they rendered a verdict of guilty.

Commonwealth vs. John Henneff, indicted for selling liquor to a common drunkard. The defendant fills the position of bar-keeper at M'Crum's restaurant near the depot. Verdict guilty. Immediately after the rendition of this verdict the district attorney had a warrant issued for M'Crum, proprietor of the restaurant.

Commonwealth vs. Benjamin Moore, a negro, indicted for stealing two hats from the store of Mr. Burnett, in Market street. Verdict guilty.

Commonwealth vs. Charles Gardner, (colored,) charged with stealing coal from the yard of Mr. Ely Byers, near the railroad. Plead guilty.

The above are all the cases that were disposed of yesterday. In the case of Mary Snyder, indicted for homicide, a jury was empaneled, and the trial will commence on Friday morning, to which time court adjourned. The report of the grand jury will also be submitted on Friday. Mr. Rudolph F. Kellor, of this city, is chairman.

MORE ABOUT THE GERMAN MURDER.—Officer Fleck returned from Ohio yesterday afternoon. He informs us that the man confined in the Dayton prison on a charge of murder, and identified as the abductor and murderer of Lizzie German, is not likely to be called upon to answer at the bar of an earthly court for the latter offence. From the information obtained by officer Fleck the evidence against him for the Ohio murder is of such an unequivocal and positive nature as to render conviction certain. His trial will take place in June next. Officer Fleck further informs us that Dubbins admitted having been in Harrisburg last fall and committed some crime, the nature of which he refused to disclose; that he enlisted in a company then in Camp Curtin, drew his bounty money, and afterwards deserted. It will be recollected by our citizens that in the afternoon of the day on which Lizzie German was abducted, a soldier, answering the description given by Mrs. Weittel, deserted from camp and never returned. We have no doubt that the Dayton prisoner is the same man that deserted on the day named and the same night perpetrated the fiendish outrage that started and horrified this whole community on a Sabbath morning in the month of October last. A bill of indictment against Dubbins for the murder of Mary Elizabeth German will be sent to the grand jury to-morrow morning, and on the testimony of Mrs. Weittel, who is positive as to his identity, no doubt a true bill will be found. A requisition upon the Governor of Ohio has already been forwarded, so that in the event (by no means probable) of his acquittal there, he will at once be brought to this city for trial.

Facts About Brandreth's Pills. New Castle, Westchester Co., N. Y., Oct. 20, 1862. Mr. G. THYER SHELTON, Editor Sing Sing Republic.

Dear Sir—I would state that I was introduced to your BRANDRETH'S PILLS through the recommendation of John R. Swift, of Croton, Westchester County, who was entirely restored to health by their use. He was sick for some two years, very constipated and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one Pill every day, with occasional doses of six. In one month he was able to go to work, and in three months was well, gaining 40 pounds in weight.

Yours truly, EDWARD PURDY.

WESTCHESTER COUNTY, N. Y. Edward Purdy, being duly sworn, says that he resides in the town of New Castle; that some years ago he was very sick with a sore on his leg, which had been running for over five years; that he was also much distressed by a pain in his chest, and a headache, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and at the end of six weeks the sore in his leg healed, and at the end of two months he was entirely cured of constipation, dyspepsia and pain, and has remained well ever since.

EDWARD PURDY, Sworn to before me, this 18th day of October, 1862. S. MALCOLM SMITH, Justice of the Peace.
