SMALL Pox,-There are now two bad cases of small pox in the poor house.

COURT OF COMMON PLEAS .- The May term of the court of common pleas will commence on Monday morning next at ten e'clock.

APPOINTMENT .- Mr. Bates, of Crawford county, for three years past deputy superintendent of common schools, has been reappointed by Mr. Coturn, the new superintendent.

WRECKED.—Yesterday morning a raft struck a tier of the Market street bridge with such force as to separate the platforms. Most of the logs went adrift, but were secured at various points between iere and Middletown.

Body Found.-Some two weeks ago an ex-chapisin of the Eighty-seventh regiment, whose name we do not now recollect, mysteriously disappeared from York, his place of residence. On Wednesday evening his body was found in the Codorus creek.

Homeward Bound,-Large numbers of two years' soldiers from western New York, whose :erms of enlistment have expired, are daily passing over the Northern Central railway en route for home.

MAY PARTIES .- Several parties of school chileren visited the rural districts yesterday on a Maying excursion. The weather being warm and pleasant, the happy-hearted little ones had a jolly comp in the woods and a good time generally.

GENERAL TOM THUMB and his little wife appear at Brant's hall this afternoon and evening. Of course everybody will attend the levees of the distinguished visitors, the most diminutive specimens of humanity now living in this country, or probably in the world.

OREF SHOLEM.-Mr. Reuben Strouse, of Trenton, New Jersey, succeeds Mr. Bernhard as pastor of the Ohef Sholem (Jewish congregation) of this pleasing manners and fine social qualiter, and will no doubt attain as great a degree of popularity in the church as his predecessor enjoyed.

PRONOTED .- Lioutenant William H. Weaver, of the Kenner Fencibles, Twelfth Reserves, has been promoted to the captaincy of that company. Capt. Weaver was severely wounded at the second Bull Run battle last year. The late captain of the company, Mr. Horn, was so severely wounded on the Peninsula as to compel his resignation.

SUIT WITHDRAWS.-A few days ago we reported a complaint made to Alderman Kline by Mrs. Rebecca Siders, residing about one mile east of this city, against James Donnelly, for assaulting and beating her with a stick of wood. Subsequently the husband of Mrs. Siders paid the costs and had the complaint withdrawn. Yesterday the woman instituted a suit against Donnelly for slander.

COUNTY SCHOOL CONVENTION.-The school directors of the various districts in this county will assemble in convention at the court house on Monday afternoon to elect a county superintendent for the ensuing three years. The only gentleman we have heard named in connection with the position is the present incumbent, Mr. Samuel D. Ingram, of this city.

A HARRISBURG SHOWMAN .- Our artist friend, Mr. Harry Davis, of this city, is now exhibiting his panorama of the rebellion in the northern section of the State, and meets with deserved success. The panorama comprises soventy-five well-executed paintings, and is alluded to in terms of high commendation by the press. We learn that it will be exhibited here in the course of a few weeks.

Exciting -An exciting discussion took place yesterday afternoon between two politicians on the conduct of the war, which came near resulting in a personal rencontre. Finally, however, the windy disputants subsided, and the crowd of spectators collected by their angry words and hostile domonstrations, who expected to witness a trial of pugilistic skill, went away disappointed.

Notice to Quit.-Yesterday two strangers whose appearance and movements excited a suspicion that they belonged to the fraternity of pickpockets, received notice to quit the city. They took the hint and left on the first train going south. The fellows hailed from Baltimore, and could give no satisfactory reason for their presence in this city.

FAST DAY was very generally observed by the people of this city. Nearly all places of business were closed and secular operations suspended. Religious services were held in most of the churches, and in some instances sermons of a national charaeter preached. No former similar occasion was ever more generally and strictly observed in Harrisbarg, and the entire city presented a Sabbath. like aspect. The weather being warm and pleasant the churches were largely attended.

THE CANAL -The Susquehanna division of the l'enneylvania canal is now in excellent condition and the boating business is more brisk than it has been for years past. Immense quantities of coal and lumber pass this city daily for the south and east. Owing to important repairs the lower Janiata is not yet in a boating condition. It is now E far completed, we believe, as to permit the water to be let in from the Millerstown dam to the Canction. There is a very large amount of grain deposited in warehouses along the line of this di-Vision of the canal, awaiting shipment to the eastere cities. We anticipate a heavy business to be tracted the present season.

COURT PROCEEDINGS.—The court of quarter sessions adjourned yesterday. In the case of the Commonwealth vs. Mary Snyder, a poor house pauper, charged with the murder of her child, several witnesses were examined, and the jury rendered a verdict of not guilty. The grand jury submitted a lengthy and well written report, the reading of which was listened to with great interest by all persons present. The jury declare Sanford's opera house in Third street, and the Gaiety in Walnut street, to be common nuisances, and call upon the proper authorities to take measures for for their suppression. The jury state that two of their number visited each of these institutions and witnessed scenes which they characterize as immoral and obscene. The probability is that the district attorney will act upon the suggestions and recommendation of the grand jury and have both establishments indicted. Whether their proprietors can be convicted for maintaining "common nuisances" remains to be seen. The management of the county poor house is reflected upon with great severity, and the condition of the various apartments and the treatment of the paupers pronounced to be a disgrace to the county and a sin against God. Various important reforms are suggested, and the erection of a hospital apart from the main building recommended. The county prison is reported to be in excellent condition and the keeper complimented for the manner in which he discharges the duties of his position. Attention is called to the unsafe condition of the canal bridge in the southern section of the city. The report concludes with a complimentary allusion to the charge delivered by Judge Pearson at the opening of court on Monday last, approves of the sentiments embodied therein as eminently wise and patriotic, and recommends the printing of a large number of copies in the English and German languages for general circulation. After the reading

transacted, when court adjourned. MYSTERIOUS CASE .- Some time during the winter a stranger named William Jackson was arrested and committed to our county prison on a charge of robbing guests at the Brady House and Pennsylvania House of large amounts of money. Subsequently the fellow was released from prison, upon his own recognizance, to appear at the April term for trial. Two men, representing themselves as government detectives, came here and alleged that they knew Jackson to be a notorious thief, and stated that they wanted to use him as a "stool pigeon" for the arrest of certain parties in St. Louis and other portions of the West. One of these men claimed to be in the employ of the Treasury Department at Washington as detective, and exhibited papers (whether bogus or genuine we do not know) to that effect. Upon the strength of their representations and documents, and promises to return the prisoner upon demand being made for him by the District Attorney, Jackson was discharged from prison, as before stated, upon his own recognizance. The April term of court arrived, but Jackson did not, and nothing is known of his present wherebouts. There seems to be something rotten in this affair, and we learn that it is likely to undergo a searching investigation. Our own opinion is that the men who played the part of government detectives were impostors, and confederates of Jackson, and others are of the same opinion. A mysterious and to us inexplicable feature of the case was the release of a noted scoundrel, charged with a high criminal offence, upon his own recognizance to appear for trial! Somebody is censurable in this matter, and the public demand, as it is their right to do, to know who are the guilty parties.

REV. E. M. Long's BEAUTIFUL PANORAMA OF GOSPEL TRUTH .- Rev. E. M. Long, the celebrated children's preacher, will deliver two lectures in the Fourth Street Bothel Church in this city Tuesday and Wednesday evenings, 5th and 6th of May, for the benefit of the Fourth Street Bethel Sabbath school. The truths presented will be illustrated by many large oil paintings, which form a beautiful panorama. Price of admission 10 cents. Four thousand persons were present in Rev. H. W. Beecher's church at the Rev. Long's lecture, 1,500 last Sabbath in New York city, crowded houses every night.

DISAPPOINTED AGAIN.-Mason Jones has a second time disappointed the Pittsburg people. It was positively announced that he would lecture in that city last evening, and a great many tickets were sold. On Thursday he dispatched from Cleveland that he had received a letter requiring his immediate return to England, and that he intended leaving in the first steamer. Mason, after putting the Young Men's Christian association of this city to the trouble of issuing tickets, failed to make his appearance here. He is evidently a first-class foreign humbug.

VANDALISM .- We cannot imagine a more cortemptible and infameus species of larceny than that of robbing the burial places of the dead of the flowers and other mementes of affection placed there by loving relatives and friends. Much complaint has lately been made against miscreants and thieves of this description who make a practice of visiting our beautiful cemetery and destroying or carrying away flowers and growing plants. It may be well to remind these thieves that there is a law severely punishing such offences.

REBEL PRISONERS .- A large number of rebel prisoners have gone South during the past week. The other day a train containing two hundred and fifty arrived here from the west and went to Baltimore over the Northern Central railroad. The day previous a squad of fifty rebel efficers, recently captured in the South-west, passed through this city. They were genteely clad and well supplied with gold. They were en route for Fortress Monree to be exchanged. Forty-five dilapidated looking privates passed through last evening.

COMMENDABLE. -- We notice that many of our citizens have commenced beautifying and improving their grounds by planting shrubbery and shade trees. There is nothing that gives a city or town a mere enviable prominence than a disposition among its citizens to decorate their yards and gardens with handsome flowers and shrubbery, and to adorn the streets with shade trees. If every fine house erected here enhances the value of real estate, every rose bush and shade tree does the same.

WE have taken over on the 1st of April the balance of goods bought of Mr. Boger, to our ewn store, where we will continue to sell the balance left at very low prices, until the whole are sold. Among these goods are 1,000 yards remnants delaine and calico, 16, 18

20 pieces of straw matting, cheap.

LIVELY TIMES. - Very lively times may daily be witnessed at the railroad depot now on the arrival of the eastern trains, which come crowded with lumbermen, many of whom hold over several hours in this city and leave considerable money with our merchants and saloon keepers. The Columbia branch of the Pennsylvania railway, and the Northern Central from here to Sunbury, are doing an unusually heavy and profitable passenger business at the present time.

Pacts About Brandreth's Pills. NEW CASTLE, WESTCHESTER Co., N. Y., Oct. 23, 1852. MR. G. TEN EYOR SHELDON, Editor Sing Sing Republi-

Dear Sir-I would state that I was induced to use BRANDRETH'S PILLS through the recommendation of John R. Swift, of Croton, Westchester County, who was entirely restored to health by their use. He was sick for some two years, very costive and dyspeptic, and he tried everything, but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a dose of six Pills every day for three days, and then took one Pill every day, with occasional doses of six. In one month he was able to go to work, and in three months was well, gaining 40 pounds in weight.

Yours truly, EDWARD PURDY. WESTCHESTER COUNTY, SS.

Edward Purdy, being duly sworn, says that he resides in the town of New Castle; that some years ago he was very sick with a sore on his leg, which had been run ning for over five years; that he was also much distressed by a pain in his chest, an i, besides, was very costive and dyspeptic; that after rying various remedies and many physicians, he commenced using Brandreth's Pills, six to eight three times a week, and at the end of one month the sore in his leg healed, and at the end of two months he was entirely cured of costiveness, dyspepsia and pain, and has remained well ever since. EDWARD PURDY.

Sworn to before me, this 18th day of October, 1862. 8. MALCOLM SMITH,
