HOOFLAND'S GERMAN BITTERS PREPARED ONLY BY DR. C. M. JACKSON, NO. 681 ARCH STREET, PHILADELPHIA. NO. 631 ARCH STREET, PHILADELPHIA.

Is the very best Tonic and Nervine extant, and will give relief where all other remedies fail. This is not a mare assertion, but has been proved over and over again by the class of persons we are now addressing, as the certification the Bitters known, that it is freely prescribed by the leading physicians of Philadelphia and vicinity. It entirely vegetable, and free from alconolic stimulant and all injurious ingredients. Persons advanced in life, last feeling the hand of time weighing heavily upon them will find in these Bitters an elinit that will restore, in a measure, the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

Weak and delicate children are made strong by using the Bitters. In fact, it is a family medicine, and may be profitably administered to a child of three months, the most delicate female, or a man of ninety.

Bhake the bottle before using.

Price 75 cents per bottle. For sale by druggists and storekeepers generally throughout the country.

From Rev. J Newton Brown, D. D., Editor of Encyclopedia of Religious Knowledge.

To Dr. C. M. Jackson.—Although not disposed to favor or recommend Patent Medicines in general through distrust of their ingredients and effects, I yak know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mix ture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper testiand for encouragement to try them when suffering from great and long continued dability. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bedily and mental vigor which I had not test for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

Phi'adelphia, June 23, 1869.

From Capt. Sickles, of Scott Legion, Co. K.
Gentlemen:—In the camp diseases, such as Dysentery, Typhold Fever, and Ohills, so common in activities, I had nothing equal to your Bitters. As a preventive or cure, I look upon them as invaluable, and cheerfully bear my testimony to their excellence.

Yours truly,

WM. H. SICKLES

LIVED FOUR YEARS ON RICE.

PHILADELPHIA, May 19, 1866.

PHILADELPHIA, May 19, 1866.

DR. C. M. JACKSOM—Dear Sit: Though somewhat reluctant to give you a certificate, I think that my due to those similarly afflicted requires that I should give brief statement of my case.

I had suffered for years from Liver Complaint and Dyspepsia in their most aggravated forms—was unable to eat animal foed, or indeed any vegetables with the single exception of rice, on which I subsisted for fow years. I cannot pretend to describe my sufferings is almost with pain that my memory recursts that priod. I should long sence have been in my grass had not my physician, Dr. Fickart, recommended the use a your Bitters, as the best Tonic with which he was squainted. I had tried a number of remedies without success, but concluded to follow the advide of my medical adviser. I did so, and my most sanguine hopes were realised. I am now well, and to your invaluable Bitters I ewe it, that I am permitted to write these lines.

Very gratefully yours,

Prom the Rev. Joseph H. Kennard, Pastor of the Tenta Baptist Church.

Dr. Jackson—Dear Sie: I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances and particularly in my own family, of the usefulness of Br. Hoofiand's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuable proparation. If some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above your beneficial to those who suffer from the above causes.

Yours very respectfully,

J. H. KENNARD.
