LUNG COMPLAINTS including WHOOPING COUGH, and every Com-plaint the forerunner of, and even a ctual CON to which the most valuable testimonials may be found in the paraphlets. For Whooping Cough, and as a Soothing Syrup, it meets every want, and by early use will save the largest proportion of ruptures in children which can be traced to Whooping Gough. In ordinary Coughs and Bronchial Complaints, the forerunners of Consumption, its splendid tonic proper-ties make it not enly the most perfect enemy to disease, but builds up and sustains the system against a recur-rence of the Complaint. No unracy should be without it, nor should parents fail to get a pamphlet, to be found with all dealers, as the only way to do justice to its value. The Great N EUIR ALGIC Chromite Heatherie, Mathematical Action of Steep, and Bowel Complaints.
This great Neuralgic Remedy and Natural Opiate call for special attention and interest, being free of Opium, or preparations of Opium, or of any but its strictly vegetable and medical properties. For Neuralgia, Eheumatism, Gout, Tooth and Ear Ache, Spinal Complaintz, Bleeding at Lungs er Stomach, Rose or Hay Fever, Catarrh, and all minor Nervous Complaints.
For Loss of Sleep, Chronic or Nervous Head Ache, Sick Head Ache, it has no equal, and to which we offer testimonials from undoubted cources.
For Bowel Complaints, including Cholera Morbus, It is splendidly adapted, in not only removing the pains, but acting; as physic, a great contrast with Opium, which not only constipates and drugs the system, but makes the remedy worse than the disease.
From Physicians we ask attention, and on demand Yormulas or Trial Bottles will be sent, developing in the Anodyne an Opiste which has long been wanted, and in the Cough Remedy such as rest entirely on one central principle.
