HOOFLAND'S GERMAN BITTERS

HOOFLAND'S GERMAN BITTERS
PREPARED ONLY BY DR. C. M. JACKSOM,
NO. 631 ARCH STREET, PHILADELPHIA.

Is the very best Tonic and Nervine extant, and will give relief where all other remedies fail. This is not a more assertion, but has been proved over and over again by the class of persons we are now addressing, as the certificate, hereto appended will show. So well are the virtues of the Bitters known, that it is freely prescribed by the leading physicians of Philadelphia and vicinity. It is entirely vegetable, and free from alconolic stimulant an all injurious ingredients. Persons advanced in life, an feeling the hand of time weighing heavily upon them will find in these Bitters an elixir that will restore, in a measure, the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

Weak and delicate children are made strong by using the Bitters. In fact, it is a family medicine, and may be profitably administered to a child of three months, the most delicate female, or a man of ninety.

Shake the bottle before using.

To Br. C. M. Jackson.—Although not disposed to favor or recommend Patent Medicines in general through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus centribute to the benefit of others.

I do this more readily in regard to "Hoofiand's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mix ture. I am indebted to my friend, Robert Shoemaker, Eag, for the removal of this prejudice by proper tests and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of thee Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bedily and mental vigor which I had not fait for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

LIVED FOUR YEARS ON RICE.

PHILADELPHIA, May 19, 1869.

DR. C. M. JACKSON—Dear Sir: Though somewhat relectant to give you a certificate, I think that my duty to those similarly afficted requires that I should give brief statement of my case.

I had suffered for years from Liver Complaint and Dyspepsia in their most aggravated forms—was unable to est animal food, or indeed any vegetables with the single exception of rice, on which I subsisted for form years. I cannot pretend to describe my sufferings. Is almost with pain that my memory recursts that period. I should long since have been in my graves had not my physician, Dr. Fickart, recommended the use of your Bitters, as the best Tonic with which he was acquainted. I had tried a number of remedies without success, but concluded to follow the advide of my medical adviser. I did so, and my most sanguine hopes were realized. I am now well, and to your invaluable Bittern I ewe it, that I am permitted to write these lines.

Very gratefully yours,

MRS. S. A. LINEAU,

No. 1607 Wallace street.

From the Rev. Joseph H. Kennard, Pastor of the Tenta Baptist Church

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere. I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuabe preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.

Yours very respectfully,

J. H. KENNARD.

such as Opiates, or Expectorants, which not only rundown the system, but destrey all chance of cure, will be found on trial to possess the following properties, and to which the most valuable testimonials may be found in the pamphlets.

For Whooping Cough, and as a Soothing Syrup, it meets every want, and by early use will saye the largest proportion of ruptures in children which can be traced to Whooping Cough.

In ordinary Coughs and Bronchial Complaints, the forerunners of Consumption, its splendid tonic properties make it not enly the most perfect enemy to disease, but builds up and sustains the system against a recurrence of the Complaint. No nursery should be without it, nor should parents fail to get a pamphlet, to be found with all dealers, as the only way to do justice to its value.

matism, Catarrh, Tooth and Ear Ache, Loss of Sleep, and Howel Complaints.

This great Neuralgic Remedy and Naturai Opiate call for special attention and interest, being free of Opium, or preparations of Opium, or of any but its strictly vegetable and medical properties. For Neuralgia, Rhenmatism, Gout, Tooth and Ear Ache, Spinal Complaints, Bleeding at Lungs er Stomach. Rose or Hay Fever, Ostarh, and all minor Nervous Complaints.

For Loss of Sleep, Chronic or Nerveus Head Ache, Sick Head Ache, it has no equal, and to which we offer testimonials from undoubted sources.

For Belirium Tremens it is a Sure Remedy.

For Bowel Complaints, including Cholera Morbus, it is splendidly adapted, in not only removing the pains, but acting as physic, a great contrast with Opium, which not only constipates and drugs the system, but makes the remedy worse than the disease.

From Physicians we ask attention, and on demand Formulas or Trial Bottles will be sent, developing in the Anodyne an Opiate which has long been wanted, and in the Cough Remedy such as rest entirely on one central principle.

From invalids we ask correspondence for amplies or explanation, without "postage stamps."
