HOOFLAND'S GERMAN BITTERS

NO. 631 ARCH STREET, PHILADELPHIA.

Is the very best Tonic and Nervine extant, and will give relief where all other remedies fail. This is not a merre assertion, but has been proved over and over again by the class of persons we are now addressing, as the certificate; hereto appended will show. So well are the virtues of the Bitters known, that it is freely prescribed by the leading physicians of Philadelphia and vicinity. It is entirely vegetable, and free from alcosolic stimulant an all injurious ingredients. Persons advanced in life, and feeling the hand of time weighing heavily upon them will find in these Bitters an elixir that will restore, in a measure, the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

Weak and delicate children are made strong by using the Bitters. In fact, it is a family medicine, and may be profitably administered to a child of three months the most delicate female, or a man of ninety. Shake the bottle before using,
Price 75 cents per bottle. For sale by druggists and storekeepers generally throughout the country.

LIVED FOUR YEARS ON RICE.

LIVED FOUR YEARS ON RICE.

PHILADRIPHIA, May 19, 1869.

DR. O. M. JACKSON—Dear Sir: Though somewhat reluctant to give you a certificate, I think that my duy to those similarly afflicted requires that I should give brief statement of my case.

I had suffered for years from Liver Complaint and Dyspepsia in their most aggravated forms—was unable to att animal foed, or indeed any vegetables with the single exception of rice, on which I subsisted for four years. I cannot pretend to describe my sufferings is almost with pain that my memory recurst to that period. I should long sance have been in my grace had not my physician, Dr. Fickart, recommended the use ciyour Bitters, as the best Tonic with which he was acquainted. I had tried a number of renedies without success, but concluded to follow the advide of my medical adviser. I did so, and my most sanguine hopes were realized. I am now well, and to your invaluable Bitters I owe it, that I am permitted to write these lines.

Very gratefully yours,

MRS. S. A. LINEAU,
No. 1807 Wallace street,

From the Rev. Joseph H. Kennard, Pastor of the Tenth Baptist Church

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with commendations or different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances and particularly in my own family, of the usefulness of Dr. Hoodland's German Bitters, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Livet Complaint, it is a safe and valuable preparation. It some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.

Yours very respectfully,

For Whooping Cough, and as a Soothing Syrup, it meets every want, and by early use will save the largest proportion of ruptures in children which can be traced to Whooping Cough.

In ordinary Coughs and Bronchial Complaints, the forerunners of Consumption, its splendid tonic properties make it not only the most perfect enemy to disease, but builds up and sustains the system against a recurrence of the Complaint. From Rev. J Newton Brown, D. D., Editor of Encyclipedia of Religious Knowledge.

To Br. O. M. Jackson.—Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hops that he may thus centribute to the benefit of others.

Idothis more readily in regard to "Hoofland's German Bitters," prepared by Dr. G. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mix ture. I am indebted to my friend, Robert Shoemsker, Esq., for the removal of this prejudice by proper tests and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of the: e Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bedily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

GENTLEMEN:—In the camp diseases, such as Dysentery, Typhoid Fever, and Chills, so common in active service, I had nothing equal to your Bitters. As a preventive or cure, I look upon them as invaluable, and cheerfully bear my testimony to their excellence.
