THE LANCASTER REGIMENT.—A day or two since we alluded to the fact that the authorities of Lancaster city had declined to participate formally in the reception of Colonel Franklin's returning regiment, being driven to that step by the officious, monopolizing busybodies of a clique of disgruntled Union Leaguers.

WHSUNTIDE.—Some of our contemporaries are at fault in announcing the festival of Whitsunday to have occurred on the 17th inst. It happens on next Sunday, the 24th, being always on the seventh Sunday or forty-ninth day after Easter.

ON THE MOVE.—If any one would be convinced that the Americans are a traveling people, let him take his stand at the depots on the arrival of the passenger trains. Every body seems to be going somewhere.

CHURCH DEDICATION.—The newly erected Church of the Evangelical Association, in Clark's valley, Dauphin county, will be dedicated to the services of the Tenth God, by divine permission, on the 24th of May, 1863.

ROWDINESS.—On Sunday night last a gang of rowdies paraded the streets, and took delight in displacing doorsteps and signs in different parts of the town.

OUT OF ORDER.—All navigation on the canal below the Walnut street lock, in this place, has been stopped since Sunday last, owing to one of the sluice gates of that lock being out of order.

SUPREMACY.—The Supreme Court is still in session in this city. The cases from the counties of Fulton, Franklin, Bedford, Dauphin, Somerset and Lebanon are being argued this week.

LET THE FIRE PLUGS RUN.—The water should be allowed to run from some of the town fire plugs at least once a week. By continually standing in the pipes it allows the sediment to settle and the pipes become choked.

GREAT BARGAINS.—Twenty per cent. saved.—In order to reduce stock, owing to the tearing down of the old store and building up new, I offer my stock, consisting of a large stock of three-ply Ingrain, Venetian and Rag Carpets; also, furniture of all descriptions, at twenty per cent less than city prices, until the 15th of JUNE NEXT.
