BRANDY,

THE OHIO CATAWBA BRANDY has, for several years been manufactured from the pure juice of the AMERICAN CATAWBA and ISABBLLA GRAPE, and has attained a rare popularity throughout the West and South, where great quantities of this superb article is sold for MEDICINAL and FAMILY purposes. It not only equals, but excels the most choice IMPORTED BRANDIES in PURITY, QUALITY and RICHNESS OF FLAVOR, and wherever it has been introduced it had invariably met the most unqualified favor and extended sale.

The want of really pure Brandy has long been felt in this country, and the opportunity to precure an article of such quality as to supercede the sale and use of the many vile compounds so often sold under the name of "Brandy," can be regarded only as a public good.

L. LYON'S CATAWBA BRANDY possesses all the choice qualities of the best imported liquor, and is positively known to be of PERFECT PURITY and of SUPERIOR FLAVOR.

In support of the above statement, we refer to the certificate of the undermentioned well-known chemists: Dr. A. A. Hayes, Assayer, Boston, Mass.

HOOFLAND'S GERMAN BITTERS PREPARED ONLY BY DR. C. M. JACKSON. NO. 681 ARCH STREET, PHILADELPHIA,

NO. 681 ARCH STREET, PHILADELPHIA,

Is the very best Tonic and Nervine extant, and will give relief where all other remedies fail. This is not a more assertion, but has been proved over and over again by the class of persons we are now addressing, as the certificate, hereto appended will show. Bo well are the virtues of the Bitters known, that it is freely are the virtues of the Bitters known, that it is freely are the virtues of the Bitters known, that it is freely received by the leading physicians of Philadelphia and vicinity. It is entirely vegetable, and free from alconofic stimulant and all injurious ingredients. Persons advanced in life, an feeling the hand of time weighing heavily upon them will find in these Bitters an elimit that will restore, in a measure, the energy and ardor of more youthful days, build up their shrupken forms, and give health and happiness to their remaining years.

Weak and delicate children are made strong by using the Bitters. In fact, it is a family medicine, and may be profitably administered to a child of three months, the most delicate female, or a man of ninety. Shake the bottle before using.

To Br. C. M. Jackson:—Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reason why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to "Hoofland's German Bittera," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mix ture. I am indebted to my friend, Robert Shoemslay, Esq., for the removal of this prejudice by proper tests and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bedily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for di recting me to the use of them.

Phi'adelphia, June 23, 1860.

From Capt. Sickles, of Scott Legion, Co. K.
GENTLEMEN:—In the camp diseases, such as Dysentery, Typhold Fever, and Chills, so common in active service, I had nothing equal to your Bitters. As a preventive or cure, Ji look upon them as invaluable, and cheerfully bear my testimony to their excellencer.

Yours truly,

WM. H. SIOKLES.

DR. C. M. JAORSOM—Dear Sir.: Though somewhat reluctant to give you a certificate, I think that my duty to those similarly afflicted requires that I should give brief statement of my case. tictant to give you a certificate, I think that my duty to those similarly afflicted requires that I should give brief statement of my case.

I had suffered for years from Liver Complaint and Dyspepta in their most aggravated forms—was unable to eat animal food, or indeed any vegetables with the single exception of rice, on which I subsisted for fow years. I cannot pretend to describe my sufferings Is almost with pain that my memory recurst o that period. I should long sence have been in my grave had not my physician, Dr. Fickart, recommended the use of your Bitters, as the best Tonic with which he was acquainted. I had tried a number of remedies without success, but concluded to follow the advide of my medical adviser. I did so, and my most sanguine hopes were realised. I am now well, and to your invaluable Bitters I ewe it, that I am permitted to write these lines.

Very gratefully yours,

From the Rev. Joseph H. Kennard, Pastor of the Tenth Baptist Church

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with commendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear preof in various instances, and particularly in my own family, of the usefulness of Dr. Heofland's German Bittars, I depart for once from my usual course, to express my full conviction that, for general debility of the system, and especially for Liver Complaint, it is a safe and valuabe preparation. In some cases it may fail, but usually I doubt not it will be very beneficial to those who suffer from the above causes.

Yours very respectfully,

Eighth below Coates St., Philadelphia, Dec. 24th.
