RECALL OF THE MAYOR'S PROCLAMATION.—On Monday the Mayor issued a proclamation rescinding the provisions of the one part forth some time before, which closed all the bars and saloons of the city at six o'clock in the evening.

There are those in our midst who, yielding to the narrow instincts of personal prejudice and partisan bigotry, are disposed to detract from the full measure of credit due Mayor Rounfort for the important services which he has rendered the city during her recent troubles.

There is not an unprejudiced and right thinking man in this community who does not accord to Mayor Rounfort the fullest measure of praise for his wise and efficient policy during our late troubles; and, if all the circumstances of embarrassment and difficulty which hedged in his action during those troubles were fully known and appreciated, it would extort praise even from the lips of many of his avowed enemies.

James Connelly, a discharged soldier formerly belonging to the 127th regiment, arrested yesterday morning by officer Brooks. Had a partial attack of mania a po. Committed to prison.

BALDWIN'S COMPANY.—This company, which is an unattached and independent one, arrived at Camp Carter yesterday from Washington, where the company has been on guard duty for some time past. The company was recruited in Warren county, and has done provost duty here and at Washington ever since it entered the service.
