CAVALBY. - The late call of the President for fifty thousand six months' men from this State is so apportioned as to provide for five regiments of cavalry, a portion to come from each Department.

COLUMBIADS.—Four 10-inch columbiads, from the Fort Pitt works, left this city night before last, destined for the harbor fortifications at New York. They weighed about 15,000 pounds

CAVALETMEN WANTED .- Capt. Val. B. Hummel company now forming. Apply at the Exchange, Walnut street, or at Camp Curtin.

A Success.-Carneross and Dixey's concert at Brant's Hall last night was attended by a large and appreciative audience, and was assuredly a success. The programme for to-night is fully as attractive. There's no excuse for feeling miserable any more.

THE CURTIN HORSE GUARDS, now recruiting in this place, is nearly full. A few more men of good character, sober and industrious, will be accepted on application at headquarters, in the big tent, entrance to Camp Curtin. It is intended to be a crack company.

U. S. Horses.-Large numbers of horses, belong to the government, arrive at this point daily. We noticed a drove of about two hundred, rather better looking than the average of the horses in service, presing up Third street yesterday. They have hard times before them.

SERIOUS ACCIDENT.-Mr. Edward Wright, belonging to the Philadelphia City Troop, was thrown from his horse yerterday morning, while on duty across the river. His leg was broken, and other injuries inflicted. We understand that he | killed, many buildings blown down, and one man was taken home to Philadelphia yesterday after- fatally injured.

CRIEF OF CAVALRY .- Gen. Couch has appointed Capt. James S. Brisbin, U. S. A., Chief of Cavalry in the Department of the Susquehanna. The Captain has established his headquarters at Camb Curtin, and proceeds at once to organize the cavalry forces now quartered in this vicinity. He is said to be an accomplished and experiencee officer.

RECRUITS SENT FORWARD .- A large squad of recruits, some of them cavalry and some infantry and artillery, were forwarded to Washington yesterday. Several deserters and stragglers were sent on at the same time. It is a singular fact that, in the present crisis in State affairs, the number of recruits, though not large, is greater than it was a month ago.

THE CITY TROOP .- This Philadelphia cavalry company, which is said to have been the first to offer its services and to be accepted by the Governor, left for Gettysburg early yesterday morning, under command of S. J. Randall. It is the first cavalry company to leave the Capital for the scene of action. Additional recruits are daily joining the troop, and its full complement will probably. soon be obtained.

INFORMATION WANTED .- On Sunday afternoon Mr. August Seele, a private belonging to company G, 65th N. Y. S. M., escaped from hospital at Camp Curtin, where he had been placed for treatment during a temporary attack of sickness. It is supposed that he became delirious, and probably wandered out and passed the guard. He wears dark blue pants with white stripes, and a blue cap, with the letter "G" and "65th" in gilt letters on the top. Any person knowing anything concerning his whereabouts will confer a favor by communicating with Lieutenant C. Retel, or by letter through the postoffice.

MUST BE SWORN IN.—It is now a fixed fact that no more troops will be provided with transportation to Harrisburg, except such as are willing to be mustered into the service of the United States. Governor Curtin has telegraphed to Col. Ruff to hrohibit all volunteers or militia from leaving Philadelphia for this place without first being mustered in, and that transportation cannot be furnished to such persons to return.

In a dispatch to the Hon. Henry D. Moore, of Philadelphia, dated Harrisburg, Saturday, June 20, the Governor says:

"The troops may elect to serve during six months, or during the existing emergency. In either case, they must be mustered into the service of the United States, the time being specified at the muster, whether for six months or the emer-A. G. CURTIN."

THE NEW YORK FIFTH .- The Fifth regiment N. Y. S. M., which arrived here on Saturday night.

is officered as follows: Colonel, Louis Burger; Lieutenant Colonel, J. P. B. Dodge ; Major, A. Myer ; Adjatant, William Dichel; Quartermaster, E. Wilson; Surgeon, Dr. Hasses: Sergeant Major, Zoebish.

Company A, Captain Mangles; B, Captain Maurer: C. Captain Kroeger; D, Captain Meyer: E, Captain Hildebrandt; F, Captain Bruer; G, Captain Reiss; H, Captain Kattenhorn; I, Captain

Schneider.: 25% The Fifth is composed principally of Germans. The regiment distinguished itself in 1861, when first called upon fon the defence of the Capitol at Washington. Since then, great numbers of its members have gone into the volunteer service, not a few of them as officers in line and field positions, but the vacancies thus made have been rapidly

Police Appairs - Before Alderman Kline: Francis Riley, a soldier, was arrested yesterday morning by officer Campbell. It appears that Francis enjoys a ride once in a while, and therefore pulled a negro teamster down from his saddle on the wheel horse, and took possession of the usurped seat. He was sent to his regiment across the river.

Margaret M'Manus, living on Short street, was brought up by officers Leib and Essig, for assault and battery, on cath of Catharine De Hart, South street. The belligerent Margaret tore complainant's dress pretty much off, and hauled complainant over the coals generally. "Och, Ireland, mavourneen! your're the divil for beauty and murther!" Her husband entered bail for her appearance at court.

Ferdinand Burkhart, a Dutchman, was found trying to "shuffle off this mortal coil" by throwing himself into the canal. He was evidently nothin his right reason. Sant to prison for forty-tight hours. Arrested by officer Campbell.

William H. Kaufman, drunk and disorderly, was arrested by officer Cline at "Bull Run," for knocking down a colored man named Carter, who had given no provocation whatever. Committed for forty-eight hours.

EXACTLY .- In one of Forney's papers of last week, we find the following patriotic and grandiloquent enunciation :

"The able-bodied man who remains in Philadelphia now is a coward. His home is on the Susquehanns. There, amid earthworks and entrenchments, with the spade and the musket, he must defend his home and his family. The Susquehauna is a new Thermopy!m, and Sparta's worthiest sons are those along its banks."

We have been looking for Forney over among the Thermo P'span entrenchments. We also were on the look out for the gleam of his musket and bayonet, but "couldn't see it." Don't he belong to the Spartan crowd? Or is he a self-convicted "coward," like his little newspaper echo in this city, who blowed loud and long about loyalty and courage, and then, and at the first far-off blast of the foeman's bugle, turned tail and run, with the government pickings between his teeth?-Words are cheap and ink is cheap. And so likewise is Forney's patriotism and Berguer's cour-

THE DISCHARGED SOLDIERS TO BE DRAFTED .-It is thought by many that all men who have been wants a few able-bodied men to fill up his cavalry in the service during the present war, and who have been honorably discharged, will be exempt from the approaching conscription. But the following, from a late official document issued by the Provost Marshal General, shows that all who were discharged before the 2d of March, 1863, are liable to be drafted:

"Volunteers or regulars who have been in the service, and who have been discharged therefrom or bad resigned prior to the second day of March, 1862, are liable to be drafted in the same manner as if they had never been in the service. No regard is to be paid to their former period of service, r to the length and brevity of the period between

the date of their discharge and that of the draft." This is very clear and emphatic. A man who has served out his time as a three months' man, and served afterwards up to the 1st of March, if discharged before the 2d, is liable to be drafted, just as if he had never served in the army a day.

HAIL STORMS .- On Wednesday night last the city of Pittsburg and vicinity was visited by a severe storm of wind, rain and hail. The hail fell to the depth of three inches in the streets, stripping the foliage from the trees, and doing great injury to the growing corn and garden products round about. Happily, the track of the tempost was not wide, or a great calamity would have | CURE, was effected. He says: "Mydyspepsia was gone, resulted. As it is, we hear of several cattle being and my expectations of an early death vanished."

We have also accounts of several thunder storms in Schuylkill and neighboring counties, doing much damage by wind and lightning.

The earth was very much parched at the time the rains of last week come, so that it abserbed about all the water that fell, leaving little to pass off and swell the streams. The effect of these rains and hail storms has been to cool the air to an uncomfortable degree during the past

RAILBOAD ACCIDENT .- A shocking accident occurred on the western division of the Pennsylvania railroad on Saturday night. When the through mail train arrived at Pittaburg, the arm of a man, apparently torn off from the shoulder, was discovered clinging to the locomotive. An engine was dispatched out the road to find the body. It was found near Brinton's station, between the tracks, with both arms off, legs mutilated terribly, and the trunk divested of almost every stitch of clothing: Further inspection revealed the fact that the man had been struck at least a mile this side of the place where the body was found. The name of the deceased was Daniel Dorn, a coaldigger. He had been drinking to excess, and is supposed to have become stupefied and fallen on the track while on his way home.

PIC-NIC OF THE PAXTON FIRE COMPANY.-The Paxton fire company will hold their second annual pic-nic at Hæhnlen's grove on Saturday, July 4th. It is the intention to make it a splendid affair. The Paxton boys know how things of this kind ought to be done. They have "learned their education," and will no doubt "get up a dust" on the glorious old Auniversary of our Independence. The managers assure us that "no pains will be spared to make this the pic-nic of the season." Ample precautions will be taken to preserve complete order and to prevent the intrusion of any improper characters upon the grounds. Plenty of omnibuses will run between the woods and different parts of the city throught the day. Tickets twenty-

THE CLINAX OF MEANNESS.—We hear numerous complaints made by soldiers of extertion practiced upon them by shop-kepers and others in town. One of them, taking advantage of an emergency, wanted to charge a militiaman half a dollar for a candle. There is no limit to the meanness of some men. There are men who would steal the archangel's trumpet if his back was turned, and it seems there are those here who would chisel the defenders of their own property and carcases out of a few dirty little postage stamps. We beg any soldier who may suffer at the hands of these Shylocks to hand us in their names. We intend to have use for them in future. They do not represent Harrisburg, and ought not to belong there.

FOR THE WAR. - Of the first regiment organized for the emergency, being the 126th Penusylvania Militia. the field offers are as follows, viz. :- Col-Onel, William W. Jennings, Barrisburg; Lieutenant Colonel, Joseph S. Jenkine, York county; Major,

Lorenzo S. Greenawalt, Lebanon county. Great credit is due Colonel Jennings and the other officers for their successful efforts in raising and organizing this regiment. It is one of the first Pennsylvania regiments in the field under the late call of the Governor. If the war continues, we predict for the brave 126th a brilliant career. No truer man or braver soldier than Col. Jennings over drew sword in a righteeus cause.

Dusmaraus. Eleven deserters, arrested in Columbus, Ohio, and six stragglers, picked up in Wheeling, errived in this city yesterday from filled up by new receives, equally and rive and Pittsburg. They were in charge of Corporal For-patriotic.

OFFICERS OF THE THIRTEENTH AND FIFTY-SIXTH New York.—The following is a list of the regimental officers of the Thirteenth N. Y.S.M., which reached this city on Sunday.

Colonel, John B. Woodward; Adjutant, William A. M'Kee; Surgeon, B. Ormiston, jr.; Quartermaster, Joseph B. Leggett.

The Fifty-sixth New York, which arrived about the same time, is officered as follows:

Lieutenat Celonel commanding, John Q. Adams; Major, John A. Walsh; Engineer, William C. Ludlow; Surgeon, Dr. Alex. Cochran; Quartermaster, P. H. Grogen; Adjutant, E. H. Cheshire.

New York troops which have come to the defence of this State, are composed of fine, soldierly, first-

AYER'S COMPOUND EXTRACT SARSARILLA.—No one remedy is, more needed in this country
than a reliable Alterative, but the sick have been so outrageously cheated by the worthless preparations of Sarsaparilla abroad that they are disgusted even with the
name. Yet the drug cannot be blamed for the impositions from which they have suffered. Most of the socalled Sarsaparillas in the market contain little of the
virtues of Sarsaparilla or anything else. They are mere
slope—inert and worthless, while a concentrated extract
of the active variety of Sarsaparilla compounded with
Dock, Stillingia, Iodina, etc., is, as it ever will be, a
powerful alterative and an effectual remedy. Such is
Ayer's Extract of Sarsaparilla, as its truly wonderful
cures of the great variety of complaints which require
an alterative medicine have abundantly shown. Do not,
therefore, discard this invaluable medicine, because you
have been imposed upon by something pretending to be

diseases it cures, we refer you to Ayer's American Alma
