POLICE AFFAIRS.—No arrests of consequence have been made since our last report. The town, although much excited, was never less riotous or dissolute than at present.

HUMMELSTOWN MILITIA.—A company which was recruited in Hummelstown, arrived in this city yesterday afternoon. They were good looking men. We did not ascertain the names of their officers.

NEVINS' ARTILLERY.—A large company of light artillery arrived from Lancaster city yesterday, under command of Captain Nevins, and are now at Camp Curtin. They had full ranks and looked equal to the "emergency."

NOT YET ARRIVED.—Nixon's Cremorne circus, from New York, which was advertised to exhibit in town for one week, beginning yesterday, had not made its appearance up to dark last night. We are unable to say whether it will come according to programme, or whether its managers consider the "emergency" too many for them. It is said to be a fine circus, and in ordinary times would succeed well here.

ARRIVAL OF TROOPS.—Companies and squads were coming in steadily throughout yesterday, prepared to help the old Keystone State weather through the present "emergency." We cannot presume to give a report of all the organizations thus arriving. Most of the men looked as if they were composed of the material which would make good soldiers, if properly handled and trained. These men will be armed forthwith and dispatched to the tented field.

GOOD FOR THE "CITIZEN" BOYS.—The Citizen fire and hose company, assisted by about fifty muscular contrabands, was employed all day yesterday in pumping water from the river up to the entrenchments and encampment on the crest of Hummel's heights. The water had to be forced through a thousand feet of hose, but it was it was got up nevertheless, and in abundance at that. The entire work was under the superintendence of Mr. George Bailey, a man whose energy generally proves about equal to the demands of the crisis.

REBEL PRISONERS.—About thirty-seven rebel prisoners were on exhibition during yesterday forenoon at the Court House yard, fronting on Strawberry alley, where they were stared at as if just arrived from the planet Jupiter or the Mountains of the Moon. They were removed to the vicinity of the depot in the afternoon, and are to be sent on to the U. S. Provost Marshal at Philadelphia to-day. Among them were two officers. Most of the men were dirty and extremely ragged, but there was that in their look and manner, despite their shabbiness, which proclaimed them determined soldiers.

THE GAIETIES.—Mr. Bob Edward's Gaiety Music Hall, Walnut street, presents a sprightly bill this week, as will be seen by reference to advertisement elsewhere. Among the big guns mounted this week is J. Con Orem, the Colorado champion, who will give nightly exhibitions of the "manly art." He will be assisted by all the fistic amateurs in the city. Mr. Tom. W. Brown, balladist and comedian, who has heretofore been attached to Sanford's minstrel troupe and has played with marked success in this city, is also engaged, and will appear upon the boards of the Gaiety this evening.

THE NIGGER WITH THE NEW HAT.—This individual was under the influence of the intoxicating bowl yesterday, and was fished up out of Tanner's alley by officer Brooks. We think his other name is James Green, but Brooks called him the "nigger with the new hat." His hat was a tall, shiny and resplendent beaver, but the rest of the outer contraband was not gotten up in a style of equal immaculateness and lavish expenditure. The last we saw of him was when he was making his *entree* into the prison door, with his legs "permiskusly" tangled up and demoralized, and the aforesaid hat inclining toward Brooks at an angle of about forty-five degrees.

OLD COMPANY "A" ON PARADE.—Company A, Captain F. Asbury Awl, formerly on provost guard duty in this city, and lately mustered out of the nine months' service, was out on parade yesterday afternoon, having re-organized and rushed "once more into the breach" now being made in our Southern borders by old Jeff's butternuts. Most of the men composing this fine company belong to this place. It was like old times to see their familiar faces, and note the neatness and accuracy of their march along the streets which they had patroled so often before. We have not the slightest doubt that they will acquit themselves honorably in whatever duties may be assigned them.

A PATRIOTIC RESPONSE.—Yesterday afternoon we were pleased to see Captain Wellington Jones' old provost guard company, which was on duty in this city last fall and winter, marching up Third street on their way once more to Camp Curtin. This company was recruited for the nine months' service in Schuylkill county. They have for the past four or five months been connected with the army of the Potomac, and were but lately discharged. On their way home, hearing the call of their native State for help, they promptly re-enlisted into her service during the present crisis. Their generous and patriotic spirit will challenge admiration from all quarters. Their appearance as they marched along, armed and equipped, was truly fine and inspiriting. All honor to Captain Jones and his men.

ARREST OF A MILITIAMAN.—Last evening a party of volunteer militia from Philadelphia, composed of a sergeant, a corporal and a private, evidently somewhat excited by liquor, were behaving in a disorderly manner at the corner of Market and Third streets, using rough language and quarreling. They were warned by officers Fry and Essig that they must either desist or repair to their quarters at camp. They paid no heed to the admonition, but kept on as before, and defied the officers to arrest or do anything with them. The corporal and sergeant were then taken into custody, but the arrest was vigorously resisted by them and others of their party. One of them struck officer Fry with a bayonet, and both Newman and Essig were repeatedly struck and kicked at as they dragged the captives to the Walnut street barracks. But perseverance wins at last, and after a long pull and a very strong pull the officers finally lodged the corporal in prison, the sergeant having been released to a superior officer, on the promise that he should be taken to camp at once. The route of the officers on their way to the prison was like an ovation, and knocked the little side show of rebel prisoners in the Court House yard into a cocked hat, leaving nobody to stare at the ragged butternuts except the guards placed around them. No serious casualties occurred, if we except officer Fry, who lost his "star" in the scrimmage. The prisoner had a hearing in the evening, and was discharged and sent to camp.

MAYOR ROUMFORT.—Some old women of both sexes in our city, have been industriously circulating the report, that the Mayor intended yielding up the city to the rebels. In the first place, while Governor Curtin, the constitutional commander of the State forces, and General Couch, the national commander of this department, are both present, General Roumfort does not feel himself authorized to take any action in the matter whatever, and in the next place, there is no braver man in the city than the General, who will always be found efficiently performing his duty, sustaining the honor of the city, and defending it to the last against any attacks of the rebel foe.

This attack upon the Mayor is but the offspring of petty party malignity, that spits its venom even in this the darkest hour of our common danger. The Mayor, by his unwearied diligence, has preserved the best of order in the city through all the turmoil with which we have been surrounded for some days past, and has doubtless saved us from having martial law declared in the city, for which he should, and doubtless will, receive the thanks of every one whose good opinion is worth having.

DELIGHTFUL MUSIC.—A company of the Fourth Regulars, lately stationed at the Carlisle barracks, is now encamped on the other side of the canal near the depot. The fine band which is with them discoursed the sweetest kind of music for more than an hour last night, to the delight of the crowd of listeners who lined the railroad embankment just this side of the camp. It is hoped that they will repeat the performance as often as convenient.

One of the company informed us that every pound of government property was saved from the barracks and brought away, and that the rebs. will not get so much as a cracker from the stores of Uncle Sam at Carlisle.

FROM CARBON COUNTY.—A fine company, from Carbon county, with ranks full, came in on the Lebanon Valley train at one o'clock yesterday afternoon, and marched up to camp.

WANTED.—Four or five cooks wanted immediately. Apply at the Walnut Street Hospital, between Second and Front.

DEMOCRATIC CLUB MEETINGS.—The Democratic Clubs of the respective wards in this city will meet weekly as follows, viz:

First Ward—On Saturday evening of each week.
Second Ward—On Monday evening of each week.
Third Ward—On Tuesday evening of each week.
Fourth Ward—On Wednesday evening of each week.
Fifth Ward—On Thursday evening of each week.
Sixth Ward—On Friday evening of each week.

The hour and place is left discretionary with the Clubs or their officers. By order of the City Executive Committee. GEO. W. WEAVER, Secy.

### To Horse Owners.

Dr. Sweet's Infallible Liniment for Horses is unrivaled by any, and in all cases of Lameness, arising from Sprains, Bruises or Wrenching, its effect is magical and certain. Harness or Saddle Galls, Scratches, Mange, &c., it will also cure speedily. Spavin and Ringbone may be easily prevented and cured in their incipient stages, but confirmed cases are beyond the possibility of a *radical cure*. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Liniment, and its faithful application will always remove the Lameness, and enable the horse to travel with comparative ease.

Every horse owner should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidable diseases mentioned, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.

See advertisement. ap20 eow-d&w

DR. TOBIAS' VENETIAN LINIMENT has given universal satisfaction during the fourteen years it has been introduced into the United States. After being tried by millions, it has been proclaimed the pain destroyer of the world. Pain cannot be where this liniment is applied. One 25 cent bottle will cure all the above, besides being useful in every family for sudden accidents, such as burns, cuts, scalds, insect stings, &c. It is perfectly innocent to take internally, and can be given to the oldest person or youngest child. Price 25 and 50 cents a bottle

AYER'S COMPOUND EXTRACT SARSAPARILLA.—No one remedy is more needed in this country than a reliable *Alterative*, but the sick have been so outrageously cheated by the worthless preparations of Sarsaparilla abroad that they are disgusted even with the name. Yet the drug cannot be blamed for the impositions from which they have suffered. Most of the so-called Sarsaparillas in the market contain little of the virtues of Sarsaparilla or anything else. They are mere slops—inert and worthless, while a concentrated extract of the active variety of Sarsaparilla compounded with Dock, Stillingia, Iodine, etc., is, as it ever will be, a powerful alterative and an effectual remedy. Such is Ayer's Extract of Sarsaparilla, as its truly wonderful cures of the great variety of complaints which require an alterative medicine have abundantly shown. Do not, therefore, discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used AYER'S—then and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agents below named will furnish gratis to all who call for it.

AYER'S CATHARTIC PILLS—for the cure of *Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn* arising from disordered stomach, *Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.*

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic. Price 25 cents per box. Five boxes for $1.

Do not be put off by unprincipled dealers with other preparations which they make more profit on. Demand AYER'S and take no others. The sick want the best aid there is for them, and they should have it.

The Proprietors have thousands of letters from the most eminent

CLERGYMEN,
LAWYERS,
PHYSICIANS, and
CITIZENS,

Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.

DISEASES OF

### KIDNEYS and BLADDER,

In Young or Aged, Male or Female,

Are speedily removed, and the patient restored to health.

### DELICATE CHILDREN,

*Those suffering from* MARASMUS, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases will have a most surprising effect.

### PARENTS

Having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

### *LITERARY MEN, STUDENTS,*

And those working hard with their brains, should always keep a bottle of HOOFLAND'S BITTERS near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

IT IS NOT A LIQUOR STIMULANT,

And leaves no prostration.

### Attention, Soldiers!

AND THE FRIENDS OF SOLDIERS.

We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.

## Helmbold's Remedies.

THE GREAT "AMERICAN REMEDIES,"

KNOWN AS

"HELMBOLD'S"

GENUINE PREPARATIONS, viz:

HELMBOLD'S EXTRACT "BUCHU."

HELMBOLD'S EXTRACT SARSAPARILLA.

HELMBOLD'S IMPROVED ROSE WASH.

—:o:—

HELMBOLD'S GENUINE PREPARATION, "HIGHLY CONCENTRATED" COMPOUND FLUID EXTRACT BUCHU.

A positive and specific Remedy for Diseases of the BLADDER, KIDNEYS, GRAVEL AND DROPSICAL SWELLINGS.

This medicine increases the power of digestion and excites the absorbents into healthy action, by which the *water* or *calcareous* deposits, and all unnatural enlargements, are reduced, as well as pain and inflammation, and is good for MEN, WOMEN and CHILDREN.

—:o:—

HELMBOLD'S EXTRACT BUCHU,

For Weaknesses arising from Excesses, Habits of Dissipation, Early Indiscretion or Abuse, attended with the

FOLLOWING SYMPTOMS:

Indisposition to Exertion, Loss of Memory, Weak Nerves, Horror of Disease, Dimness of Vision, Universal Lassitude of the Muscular System, Hot Hands, Dryness of the Skin, Loss of Power, Difficulty in Breathing, Trembling, Wak-fulness, Pain in the Back, Flushing of the Body, Eruptions on the Face, Pallid Countenance.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follow

IMPOTENCY, FATUITY, EPILEPTIC FITS,

In one of which the patient may expire. Who can say they are not frequently followed by those "direful diseases,"

INSANITY AND CONSUMPTION!

Many are aware of the cause of their suffering, but none will confess. The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion.

THE CONSTITUTION ONCE AFFECTED BY ORGANIC WEAKNESS,

Requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. A trial will convince the most skeptical.

FEMALES! FEMALES!! FEMALES!!!
