LOCAL NEWS.

THE DAILY PATRIOT AND UNION may be had at Jack's Book Store, corner of Third and Market ALSO, at he News Agency of George L. Walter, streats. n Market street, near Fifth.

IF ANY MERCHANT OF business man on Market street, between Fourth and Market square, (or on the square itself,) wishes to dispose of his lease, he can do so advantageously by calling at this

FIRST WARD .- Woodward Lowrie, the Constitution as it is, and the Union as it was .- The Demecratic club of the First ward will meet this evening at the public house of Louis Konig, on Paxton street, at 71 o'clock. By order of the President.

"Figuring Joe."-We noticed Major General Joseph Hooker on the street yesterday. He looks well. During his stay here he is the guest of ex-Secretary Cameron, at "Lochiel." Miss Chase, daughter of the Secretary of the Treasury, is also, we understand, a guest at the residence of Gen. Cameron.

Major General Hooker, accompanied by Ger. Stahl, visited Nixon's Cremorne circus yesterday afternoon and was much pleased with the per-

PREACHERS DRAWS .- The draft in Washington county, Pa., was heavy on the preachers. Rev. Mr. Waugh, Professor of Washington College, O. S. Presbyterian; Rev. Mr. Johnston, United Presbyterian; and Rev. N. W. Scott, O. S. Presbyterian, were all "called" to labor in Unc's Sam's rineyard.

"THE VERY LATEST."-The local of the Pittshurg Post has received advices from Canada up to the 15th inst, and announces in yesterday's paper that "report says that Hon. C. L. Vallandigham is stopping at the Crifton House, Niagara Falls, and that he has written a letter to his friends accepting the nomination of Governor of Ohio."-This will take those who have not read Val.'s letter from there, dated 15th July, by surprisé. Over which line did our neighbor receive the news-Rat Tail or Wheelbarrow?

THE BATHING NUISANCE.—We have on a former occasion called attention to the indecent practice of bathing within the city limits, which is now so largely indulged in by the soldiery in our midst. The responsibility of this infraction of law and decorum lies more at the door of the efficers having command of the men than at that of the municipal authorities. We believe that, with so much force at their disposal, the officers might correct the evil, and appeal to them, out of a due regard for the feelings of community, (especially the female portion of it,) to make an honest effort to do so.

GRAND PICNIC AT HOFFHAN'S WOODS. - The Hope fire company give a pienic to-day at Hoffman's woods, about two miles up the Susquehanna. It will be, from all indications, about the most enthusiastic and successful affair of the kind which has transpired this season. The number of tickets sold has been unusually large, while the arrangements made by the committee have been on an extensive scale; so that, if the skies are only propitious, the Hope boys may prepare to receive the entire force of their "dear ten thousand friends" to-day. The spot chosen is a delightful and picturesque one, made on purpose for picuies. The management hope to have the pleasure of welcoming all their lady and gentleman friends to the grounds. Conveyances will leave the Hope ergine house for the woods every half hour.

LEGAL STUPIDITY .- A rich illustration of stuidity occurred a day or two since at an alderman's office in the upper part of Philadelphia .-The alderman, wishing to sell some property of his own and make a deed joinely with his wife, took her aside and asked her whether she was willing to sign her name "without any compulsion or coercion on the part of her said husband," the alderman himself being the said husband. He then signed the clause at the foot of the deed, stating that he had examined his wife "separate and spart from her said husband," and attempted to transfer the deed on this condition to the purchasers. They, however, could'nt see the "separate and apart" arrangement in a satisfactory light, and "went back" on the acknowledgement taken by "her said husband," The result was a new deed, and the payment of an acknowledgment fee to a third party.

How is This? -- We notice in some of our exchanges the statement that the three and six months' militia who went from this State are to be credited and accounted for in the coming draft, on the basis of three years service; that is, twelve three months' men will be counted and credited as one three years' man. We do not know whether this is reliable or not, as we have seen no decision; order, proclamation or circular to that effect. It would certainly be fairer to credit in this way the localities from which the three and six months' men enlisted, than to ignore altogether the troops which they have in the field, as seems to have beentowns and countles exerted themselves in raising and pushing forward the six months' forces into the government service, with the understanding that they should receive full credit on the draft for the time of their volunteers.

Police Afraise - Before Alderman Kline --Nancy T. Green, who is a black Green, was arrested by officer Lloyd on Thursday night for vagrancy. Miss Nancy knows the way to the Walnut street snuggery about as well as any "intelligent contraband" in this lacality, having traveled it in season and out of season. She won't travel | Vols. it again for thirty days, unless she breaches the

Walls and breaks out before that time. Caroline Harris was arrested by the same officer for the same offence. Sent for thirty days.

James Burrell, a barber, of complexion so doubtful as to require a deep knowledge of authropology to decide clearly whether he was a Caucasian cr an African, was brought out of the lack-up yesterday morning, where he had been lodged by officer Cline the night before for drunkenness, and was discharged from further custody. Later in the day, James was re-arrested for an assault and battery upon Mr. David Bender, proprietor of the botel on the corner of Fourth and Walnut acreets. Burrell had entered the bar-room and called for a drink, which Mr. Bender very properly declined to furnish, whereupon the doubtful complected James began to move upon the enemy's works. He was repulsed, taken prisoner, and committed

to prison for trial. All this comes of being drouthy. Jaze Love and Jessie Brooks, the wierd sisters | yard. and amateur wood nymphs, were arrested by offiters Lloyd and Essig on Mrs. Seale's farm, on the Jonestown read, brought into town, and committed Iwenly days for vagrancy. Mrs. S. Charged that they had been ruralizing about her farm for some days, milking the cows at night and acting as "daughters of the regiment" generally throughout the day. The two nymphs claimed Northumberland county as the place of their nativity. For the rext twenty days they will be the guests of Dauphin county.

John Higgins and John Boney, the latter a negre, who had been found drunk on Tuesday night of officer Cline, were yesterday morning brought from the lock-up and set at liberty.

RESOLUTIONS OF THE "HERRY AUGEDS."-This fine militia company, which was chosen from the police force of Philadelphia, and which has recently returned to that city from our midst, after performing very useful service here as a provost guard and special pelice force, held a meeting at their quarters on Thursday, the proceedings of which we give below. In behalf of our citizens, we assure the company that their friendly and grateful sentiments are fully reciprocated, and that their useful services and theroughly courteous conduct will ever entitle them to a claim upon the affections of the people of Harrisburg:

HEADQUARTERS HENRY GUARDS, OF PHILADELPHIA, FIFTH STREET, BELOW UNSSTRUT, July 23, 1863. At a meeting of the Guards, held this day, it was ordered that a committee of six be appointed to draft resolutions expressive of our feelings towards residents and citizens of Harrisburg, fo the kindness and generosity bestowed upon the company during the term of service in that city.

The following were submitted and approved, with orders for the publication of the same in the Harrisburg Telegraph, PATRIOT AND UNION, of Harrisburg, and the Press, Philadelphie.

The Heury Guard of Philadelphia, composed exclusively of members of the Police Department of this city, take the earliest opportunity to return. their sincere and heartfelt thanks to those citizens and residents of Harrisburg who, during our stay among them, extended so many acts of kindness and courtery to us. Where we daily received so many flat:ering attentions it is, indeed, difficult 10 specially refer to single instances, or name particular persons, but we cannot pass the present opportunity without tendering our special thanks to Messrs. Harry Bumm, Joseph Mocre, Jeremiah Nicholls and Jemes Kelsh, of Philadelphia, who materially assisted us on our arrival in Harrisburg; to his honor, Mayor Roumfort, and his efficient and gentlemanly chief of police, Barney Camp-bel', and all the attaches of the department; to Miss Fannie M. Swartz, for her kind attendance at the hospital on one of our number, who was dangerously ill; Mrs. Miller, Mr. and Mrs. Hall, Mr. and Mrs. Crouse, Mrs. Bryan, Mrs. Wobster, Mrs. Davis, Mr. and Mrs. Hendrick, Mr. and Mrs. Bell, Mejor Brady, Captain Muench, Mr. David Moyer, Mr. Perkins, Mrs Black, W. S. Woods, (surgeon-in charge Cotton Factory Hospital,) Daniel Hocker, Mr. Bostick, Joseph M'Ciellan, Sheriff Boas,

and Col. Gabriel De Korponay.

Also, to the members of the Hope engine company, the proprietors of Independence Island and hosts of other kind-hearted friends, not personally mentioned, still unforgotten; to the Police force of Philadelphia, who presented us a splendid flag, the presentation committee who brought it to'us at Harrisburg, and our fine reception and escort

on our return to Pailadelphis.

Resolved, That the Henry Guards of Philadeladelphia are always ready to sustain the power and glory of our national ensign as the emblem of civil and religious liberty, as the bright hope of the patriots of America, and that we feel gratified to know that we received the well wishes of every loyal man and woman during our short stay in the interior of the State of Pernsylvania.

In behalf of the company, John Speak, JOSEPH PATTON. JOHN G LOVAIRE. FRANCIS C. HAMPTON, SAMUEL HAMILTON. GRORGE M'INTYRE Committee.

A NEW BATCH OF ORDERS -The orders and counter orders concerning the draft are flying over the country "thick as leaves in Vallambrosa." A new batch of them will be found in the following circular from the office of the Provost Marshal General, dated July 21st, to the district provest marshals throughout the country. It will be seen that the three hundred dollar commutation releases the conscript from serving during the period of three years, just the same as if he had himself procured the substitute:

1. Provost Marshals of drafted districts will make complete muster rolls of drafted men, to be forwarded with detachments to proper depot:
2 They will see that the drafted men are provided with everything necessary for their entire e juipment, that no time may be lost in forwarding them from the rendezvous to their final destinstion, and give as many days' notice as possible to

the commendant of the rendezvous of the time when the drafted men will be turned over. 3. When drafted men fail to report, the district is not responsible for their desertion any more than for the desertion of members of its quotas in the fie'd. The district must therefore be credited for

4 The paying of \$300 for "procuration of subunder the law, throws upon the government the responsibility of providing such substi-tute, and relieves the district therefrom. It is paid procuration of substitute."

5. The district must present men liable to military service, suitable and acceptable—not exempts. It cannot present for military service to the government men who are exempt therefrom by law.

It must make up for them. The last clause reads rather foggy, but a few explanatory circulars will doubtless make it clear. Labor vincit omnia.

HAWILL BEATEN. Mr. James Hamill, of Pittsburg, the champion oarsman of America, was beaten by Joshua Ward, of Newburg, New York, inthe great rowing match which came off on the Hudson river on Thursday. The stakes were one three years' man, and six six months' men as | \$1,000 and the championship. Hamill had beaten all opponents for the last two years, and had twice defeated Ward on the Schuylkill during the past year. His friends were therefore very confident, and offered bets at \$100 to \$50, which were taken up by Ward's backers. The amount of money which changed hands on the result was very large. A rowing match is now pending between Ward the intention of the authorities heretofore. Many and Chambers, of England, the "champion of the

> COLORED SUBSTITUTES .- Twenty-nine colored substitutes, from Beaver county, who were accepted before the reception of the late order declaring a negro not to be a military equivalent for a white man, passed through this city on Thursday, on their way to Camp Penn, near Philadelphia. All colored men drawn in the draft, as well as all African-descented substitutes heretofore accepted. are ordered to be sent to that camp, which is under command of Lieut. Col. Wagner, 88th Pa.

I do this more readily in regard to "Hoofland's German Bittera," prepared by Dr. C. M. I am indebted to my friend, Robert Shoemaker, and for the removal of this prejudice by proper sent, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the presert year, was followed by evident relief and restoration to degree of bedily and mental vigor which I had not fet for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them:
