EXAGGERATED GREENBACKS.—Ten dollar United States Treasury notes, altered from ones, are now in circulation. If examined closely, they betray the daubing of green paint about the figure work. Watch them closely.

DEATH IN THE GUARD HOUSE.—Charles Hempley, Co. D, 43d N. Y. V., died in the guard house, under the Exchange building, Walnut street, at one o'clock yesterday morning. He had been confined there by the guard for disorderly conduct the evening before, and was apparently intoxicated at the time of his arrest. His sudden death is supposed to have been caused by a fit of *mania a potu*.

WROUGHT IRON CANNON.—A firm in Bridgewater, Mass., are making a gun from wrought iron, which will weigh, when completed, about seventeen tons. It is forged solid, in an octagonal form, with the cavity bored out thirteen inches in diameter, and will be hooped with strong bands of iron, put on by hydraulic pressure. The lathe on which the metal is being turned is one of the largest in the world.

CASTOR OIL ADMINISTRATION.—The medical men of Paris recommend the following way of administering castor oil to children. The quantity of oil prescribed is poured into a small earthen pan, over a moderate fire, an egg broken into it, and stirred up so as to form what cooks call buttered eggs; when it is done, a little salt or sugar, or a few drops of orange water, or some currant jelly should be added. The sick child will eat it eagerly, and never discover the fraud.

A SLIPPERY CUSTOMER.—George W. Thompson, of the United States army, was arrested in Allegheny county, on Saturday, for desertion, and arrived here that night, handcuffed and in charge of a guard. This makes the sixth time that he has deserted, the last time being from Camp Distribution, near Alexandria. He first enlisted as a private in the Fourth Pennsylvania cavalry. He has tact and enterprise enough to make a very successful substitute for conscripted men. Substitution is evidently his forte.

THE NEW TELEGRAPH LINE.—The new telegraph line to Pittsburg, via Hanover Junction, Chambersburg, Bedford and Fayette county, is being pushed forward as rapidly as possible. When completed from Hanover Junction to Pittsburg, it will be connected with the Independent telegraph line already constructed from Portland, Me., to Washington, D. C., and thus, with the new line from Harrisburg to Baltimore, forming the seaboard and a portion of the inland basis of a complete system of wires throughout the country.

A MEDICAL RESERVE CORPS.—The Surgeon General has written a letter to the Governors of the several States, advising the organization by the Executive of each State of a medical reserve corps. This corps is to be composed of thirty surgeons, elected by the Governor, who will hold themselves in readiness when a battle occurs to proceed at once to the field of action. Each Surgeon is to be sworn in for a period of fifteen days and will receive $100 per month and transportation. They will furnish their own subsistence.

DEFEAT OF A NEW COUNTY PROJECT.—The proposition to divide Luzerne county has been agitated by the people of that county for some time past, and was before the Legislature last winter, when a bill was passed which provided for the erection of the new county and referred the question to the voters of the districts affected by the division. This bill was defeated on the popular vote of the citizens in question, at an election held on Tuesday, the 21st ult., by a majority of 3,738, out of a vote of 10,937. The effort to divide grew out of the jealousy existing between the people of Scranton and Wilkesbarre—the former desiring to constitute what the latter already constitutes, a county seat The new county was to have been christened "Lackawanna." It was to celebrate the passage of the bill erecting it that the Legislature took a grand excursion up into the Lackawanna coal region last winter.

COUNCIL MEETING—IMPORTANT RESOLUTION.—A stated meeting of the City Council was held on Saturday night, at which the following resolution, which was offered by Mr. Shoemaker and seconded by Mr. Verbeke, was adopted:

Resolved, That the Ordinance Committee are hereby instructed to report an ordinance directing the issue of twenty-four bonds, of one thousand dollars each, and appropriating the sum of twenty-four thousand dollars; the said bonds, when issued, in no case to be negotiated for less than par value, and the proceeds thereof to be applied as follows: In case of the legal enforcement of the Conscription act, a committee of three members of the council shall be appointed by the President, who shall inquire into the circumstances of each person drafted in the city, and who shall not be exempt under any of the provisions of said law, who shall be liable to respond to the draft in one of the three ways provided by the law. The committee shall use of said money the sum of three hundred dollars for the relief of such person or his family; in case such person shall elect to enter, and shall go into the service of the United States, the sum shall be paid to such person or his family for their relief. In case the person shall not so elect, then the said sum shall be used to procure a substitute, in all cases where a substitute can be procured thereby. In all cases where such persons do not go into such service, or in which no substitute can be procured, then said sum shall be paid to the proper officer of the United States in lieu of such service; it being intended that the money shall be used, as far as practicable, to procure men for the service of the United States, while, at the same time, drafted men and their families may be relieved.

THE DEATH OF HENRY PELEN.—This estimable young man, a private in the Curtin Troop, Capt. Murray, was killed by the accidental discharge of a pistol, last week, while in camp near Chambersburg. His body was forwarded to this place yesterday and was buried in the afternoon. The deceased was a young man of good character and promise. The following resolutions, passed at a meeting held by his comrades, show fully how well he was loved and appreciated by them:

HEADQUARTERS CURTIN TROUP,
CHAMBERSBURG, August 2, 1863

At a special meeting held by this company today, the following preamble and resolutions were adopted:

WHEREAS, It has pleased an all-wise Providence to remove from our midst by death, from an accidental discharge of a pistol, our late companion in arms, Henry C. Pelen, who, by his devotion and zeal in this company and by his manly and generous disposition, won the esteem and affection of all who knew him, endearing himself to them in all the relations of life, it therefore becomes us, his brother members, to express our regret at his decease, as well as our sympathy with his sorrowing parents; therefore be it

Resolved, That while we bow in humble submission to the will of Divine Providence in the removal of our late fellow-member, yet we most deeply lament his early demise, and mourn the loss of one of the most devoted members of our company.

Resolved, That we most sincerely condole with his bereaved parents, and earnestly hope that they may in this hour of trouble find in that God in whom they have trusted that consolation which the world cannot give, and be resigned to this most severe dispensation.

Resolved, That a copy of the above preamble and resolutions be transmitted to the parents of the deceased, and a copy be furnished to the Harrisburg papers for publication.

WILLIAM B. CHAMBERS,
Orderly Sergeant.

Committee—JOS. L. Shearer, Henry C. Thompson, Henry Kepple, Sergt. Thomas Ellison.

OPINIONS IN REGARD TO EXEMPTIONS.—The following opinions in regard to exemptions were promulgated by Colonel Joseph Holt, Judge Advocate General of the army, on Saturday, the 1st inst.:

1. The only son of aged or infirm parent or parents is not exempt unless his parent or parents are dependent on his labor for their support. If he is in a condition to support, and does support them, without his personal labor for that purpose, he is subject to draft, because he is in condition to perform military service without depriving his parents of the support the law designs to secure them. The parents need not be wholly dependent on the labor of their son for support. If they are so dependent for the principal part of their support the right to exemption arises.

2. In the case of a widow having four sons, three of whom are already in the military service, the fourth is exempt, provided his mother is dependent on his labor for support.

3. In the case of a widow having two sons, one of whom is already in the military service, and the other has been drafted, the latter is exempt as the only son liable to military duty in the sense of the act.

4. In the case of aged or infirm parents having two or more sons subject to military duty, election of the son to be exempted must be made before the draft, and his name should not then appear in the draft-box. If one of only two sons of such parents is already in military service, the other is exempt, provided his parents are dependent on his labor for their support.

5. Persons having conscientious scruples in regard to bearing arms are not on that account exempt. They are not found in the list of exempted classes, and the act expressly declares that no persons except those enumerated in that list shall be exempt. The Society of Friends, and others entertaining similar sentiments, if drafted, may find relief from their scruples in the employment of substitutes, or in the payment of the $300.

6. The children of an insane mother, who may, at any time, recover her reason, cannot in the sense of the law, or with any propriety of language, be termed motherless children. The father of such, though they be dependent on his labor for their support, cannot, therefore, claim exemption from the draft. The case is a hard one, and would probably have been provided for, had it been foreseen. It is, however, the law as it is, and not as it may be supposed it ought to be, that is to be so enforced.

LORETTO SULPHUR SPRINGS.—There is no more delightful summer resort, either in the seaboard or inland States, than Gibbons' Loretto Springs. These springs are situated in the heart of the Alleghany Mountains, one mile from the village of Loretto, and four miles from Cresson station, on the Pennsylvania railroad. They are nearly three thousand feet above tide water, and consequently the air is always bracing and invigorating, the average summer temperature seldom ranging above seventy degrees. The buildings are admirably constructed and ventilated, and the rooms supplied with running spring water and hot and cold baths. The table is always well supplied, and the bar stocked with pure liquors. The best of music will be furnished during the season by Garret's Parisian band. Half price excursion tickets to Cresson will be furnished to visitors by the Pennsylvania railroad company.

Col. George Prince, formerly proprietor of the State Capitol Hotel, and a prince of landlords, is acting as caterer, and dispenses the hospitalities of the retreat in his own masterly style.

SALE OF REAL ESTATE.—Mr. Henry Omit, the well known proprietor of the State Capitol Hotel, corner of Third and Walnut streets, yesterday disposed of that property to Mr. William G. Thompson for the sum of $50,000. Mr. Omit owned and occupied the hotel since 1854, at which time he paid $20,000 for it. We understand it is his intention to retire from that business. The best wishes of his many friends will go with him in his retirement from the old and popular stand. The purchaser, Mr. Thompson, is proprietor of the City Hotel, near the depot. He "knows how to keep a hotel," and will fully maintain the excellent reputation of the house. It is his intention to take immediate possession, and to make extensive repairs and additions on the premises.

BRANT'S HALL.—Hamblin's combination troupe commences the second week of their highly successful performance at this popular establishment this evening, presenting to the public a new and most attractive programme, comprising Ethiopian burlesques, songs, dances, pantomimes, &c. Mr. Hamblin spares neither trouble or expense to merit the patronage of our citizens, and he has been rewarded with crowded houses the past week. We would advise those who wish to pass a pleasant evening to visit Brant's Hall during the sojourn of this talented troupe.

STATE TEACHERS' ASSOCIATION.—The Pennsylvania State Teachers' Association meets at Reading, Berks county, to-day. It is hoped that our own county will be well represented on the occasion, as the meeting is to be the most interesting of any of the kind ever held in the State. The attendance bids fair to be large, and will include some of the foremost teachers and best minds of the country. Every teacher interested in the success of the educational system should make it his business to be present. A reduction of hotel rates and, we understand, of railroad fare, has been secured for all persons attending the convention.

REGIMENT ARRIVED.—The 171st Pennsylvania (drafted) regiment, Colonel Everard Bierer, arrived in this city last night, and is now at Camp Curtin, where they await mustering out. The regiment has been in service in the Army of the Potomac, and belongs principally to Tioga, Somerset and Fayette counties.

DEAD.—Stephen Maxwell, the colored man who was crushed while passing between two cars near the depot on Saturday morning, died of his injuries on the following day.

We have taken over on the 1st of April the balance of goods bought of Mr. Boger, to our own store, where we will continue to sell the balance left at very low prices, until the whole are sold. Among these goods are

1,000 yards remnants delaine and calico, 16, 18 and 20 cents.

500 yards remnants lawns and other dress goods, 16, 18 and 20 cents.

200 yards of barege and lustre, 20 and 25 cents.

1,000 yards of linen crash, 16, 18 and 20 cents.

100 yards of brown and grey cloth for summer coats.

1,000 yards of linen, cotton and wool pants stuff, cheap.

300 dozen of the very best spool cotton, white and corded.

1,000 papers of the very best of Smith's needles, 5 cents a paper; also stockings, gloves, pocket handkerchiefs, hoop skirts, all kinds of combs, patent thread, tapes, socks, &c., by the dozen or piece. We have also on hand yet about 10 pieces of CARPET, which we will sell at 75 cents per yard.

20 pieces of straw matting, cheap.

20 pieces of splendid figured window curtains.

From Rev. J Newton Brown, D. D., Editor of Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN.

Philadelphia, June 23, 1851.
