THANKSGIVING .- To-day will be generally observed in accordance with the recommendations of the President. Divine services will be held in most of the churches, and business will be pretry much suspended.

Excussion.—The Schuylkill and Susquebanna railroad company issue excursion tickets to Co'd Springs to-day, where the farmers of that region are to hold a good old-fashioned "Harvest Home." Such an occasion will be delightful, and will no doubt attract large numbers of excursionists. The train will leave at 7 a.m. Tickets for the round trip, \$1 00.

DISCHARGED.—At a meeting of the Prison Inspectors, held on Tuesday night, John Oliver, who had been committed to prison by Alderman Peffer for a term of thirty days for using language offensive to that dignitary, was, on paying the costs, released from custody. Mr. O is now at liberty, doubtless much to the chagrin of the arbitrary and choleric magisterial "Pasha of three tails."

Another Nine Montes' Regiment,-The 158th regiment Pennsylvania (drafted) militia, Colonel M'Kibben, arrived at this point yesterday morning, and left in the afternoon for Chambersburg, where they will be paid off and mustered out. They belong to Franklio, Westmoreland and Ful-

BATTALION FROM HUNTINGDON -A battalion of emergency men, encamped for some time past at Huntingdon, arrived at this place yesterday morning for the purpose of being mustered out of the service They are under the command of Major Robert L'izinger, who appears to be an efficient officer. He has with him Capt. A. B. Snyder, of Bellefonte, who is an old soldier, baving served in | the emergency men, was arrested by military au-Mexico and throughout the present rebellion .-We also notice among them the gallant looking Adjutant, Thomas A. Crawford, who is possessed of many gentlemanly and soldierly qualities.

ON A STRIKE.—The night police of Pittsburg are on a strike for higher wages, and have not been on duty for several days past. The consequence of this is an alarming increase in all kinds of rowdyism, robbery and crime. On Monday night thirteen knock downs and highway robberies occurred, besides a number of hotels attacked with paving stones and many glass fronts smashed in. The saturnalia of rowdyism continued throughout the night, but only one arrest was made. Quite a number of merchants and others have employed private watchmen to guard their property, paying them as high as four dollars a night.

BRANT'S HALL-Crowded and delighted audienees nightly witness the truly talented combination troupe of Mr. Hamblin, whose entertainment is received with marked favor by our citizens The beautiful ballads of the "Maid by the Hillside," and 'Mother, I've come Home to Die," are sung very beautifully by Miss Ada Tesman. Le Petite Ella is also bighly successful with her charming singing. Harry Leslie is one of the best comic dancers in America, and Dick Parker a famous bar joist and Ethiopian delineater Others of the company are all good. A splendid programme will be presented this evenidg.

THE LOSSES AT GETTYSBURG .- Dr. Gordon Winelow, of New York, who has been connected with the Sanitary Commission since its organization, is now at Gettysburg, and in a private letter, dated the 27c ult, gives some definite information in regard to the lusses at the great battle. He says that in the hospitals exclusively devoted to the rebels he found some seven theusand, and in other portions of the field, mingled with Union men, about the same number. In all, the wounded on our side amounts to fourteen thousand two hundred, and on the rebel side about sixteen to eighteen thousand. The doctor says the killed were nearly equally divided, amounting to about ten thousand, making the aggregate of killed and wounded forty thousand two hundred. This number of itself constitutes a large army.

Police Affairs. - Before Alderman Kline -The following drunks and disorderlies were dis. charged from the lock-up yesterday morning:

William Winslow, arrested by officer Campbell; James Boundrich, arrested by officer Lloyd; James Oats, arrested by officer Pat, Campbell; and James M'Vey and C. R. Bilis, arrested by officer Callen-

der. The last two paid a fine of one dollar each. Catharine Saline was arrested by officer Pat-Campbell yesterday, charged with assault and battery on Mes. Margaret Beyant, Both parties live in Verbeketown, and are sisters, the latter boarding with her mother and sister during her husband's absence in the army. Defendant entered bail.

Henry Sayder was arrested by officer Essig, for committing assault and battery upon John Minnich. After entering bail to keep the peace toward Minnieb, Snyder immediately returned to officer Pat. Campbell, and was committed for trial. Pa.

THERMOMETRICAL.—The mercury yesterday at 2 o'clock p. m. stood at 89° in the shade, and maintained the same figure at 4 o'clock p. m. On Tuesday the highest temperature was 90°, on Monday 93°, and on Sunday 91°. These observations were taken by Dr. Heisely, corner of Second and Chestnut streets, who has for years kept an accurate record of atmospheric phenomena. Some thermometers in town have marked as high as 95 degrees in the shade, but were doubtless more or less affected by the warmth reflected from heated pavements and streets. The figures we present are perhaps the most correct of any. Observations taken at 2 and 4 o'clock each afternoon show an average temperature of 90.63 degrees during the first four days of the week.

The total depth of rain which fell during the month of July was 13 7 inches.

THANKSGIVING SERVICES .- Bishop Potter has arranged the following order of services to be ebserved to-day in the Episcopal churches of the Diocese of Pennsylvania:

Introductory Sentences .- "To the Lord our God belong mercies and fergiveness, though we have rebelled against him." Dan. ix 9.
"It is because of the Lord's mercies that we are

not consumed, because his compassions fail not." Lam. iii. 22. "My song shall be always of the loving kindness of the Lord: with my mouth will I ever be show-

ing forth his truth from one generation to another." Paslm lxxxix 1.
Proper Psalms.—The Psalter for the day; or Morning, Psalms 85, 90, 108. Evening, Psalms 111, 113, 116.

Lessons.—Morning, Isaiah xii.; St. Mark iv., from 30th verse; or, Acts v. from 12th verse.— Evening, Isaiah ii. to 17th verse; Acts xvii. from 10th verse; or Romans xii. Prayers. - After the prayer for all conditions of

men, a special prayer, acknowledging our trans-gressions, and invoking wisdom for our authoriies, and succor for the wounded of our Army and

PAID OFF AND STARTED HOME .- The Thirtynigth regiment Pennsylvania militia, emergency, Col. Abel, received their pay on Monday, and left on Tuesday for their homes in Schnikill county. The Forty-first, Col. Meyer, was also paid on Tuesday evening, and left for home yesterday -This was a militia regiment, enlisted and sworn in

for the emergency. The claims of these regiments were all paid by Mejor David M'Cormick, State Paymaster. It is proper to state, in justice to a patriotic and wholesouled man, that the Major not only receives nothing for his services, but that he raises money on his own responsibility whenever there happens to be an insufficiency of funds to meet the reqirements of the "emergency." He was thus obliged to borrow \$17,000 yesterday in order to finish paying a regiment. Such a patriotic and generous spirit is commendable, and is just what we would expect from Major M'Cormick, whose many kind and manly qualities have endeared him alike to soldier and citizen.

IMMIGRATION FROM EUROPE - Neither the war nor the conscription can check the tide of immigration from Europe to this country. On the contrary it is steadily increasing. During one week of July the arrivals at New York amounted to 4,163enough to make a population for a respectable town. Since the 1st of January there have arrived at the LHE DRAFT.—This institution opens out in the Court House on Mouday morning at 7 o'clock, at which time the drawing of the quota for the Fourteenth di-trict will begin, and will continue until Wednesday evening. The drawing will be public. The townships of Conewago and Derry, and the First, Szeond, Third and Fourth wards of Harrisburg, are the order for Monday. The large quotas to be drawin from some of these wards make the chances of drawing a prize quite lively for those living in them there to begin the world anew. The majority of them seem to be Germans. These turn their attention principally to agriculture, and furnish more thrifty and substantial farmers to the country than the emigrants of all other nations.

BRILLIANT ABOLITION FEAT .- We understand that Dr. Thomas Rothrock, of Beliefonte, one of thority at Huntingdon on the morning of the 24th of July, and was incarcerated in the Court House, and subsequently in the county jail. His offence is supposed to have been "disloyalty" to the doctrines of the negrophilists and hatred of Abolition humbuggery. No arrangements were made for his rations or subsistence, and he would have suffered for the common necessaries of life, had it not been for the kindness of Mrs. Col. Laurence, who supplied him with food until even this was forbidden by a Captain William Schrock, of Somerset county, who was in command. This crucky of the officer is probably more attributable to ignorance of his duty than to a desire to oppress .-While in jail, these political Union prisoners were locked up and unlocked by a rebel prisoner, wounded and captured in Fayette county. He appears to have perfect liberty to go when and

where he pleases. It looks as if things were coming to a pretty pass when Union Democrats who, like Dr. Rothrock, have served faithfully in the armies of the republic, are subjected to indignity, oblequy and cruel abuse by Abolition stay-at-homes and cowards, for no other reason under the wide heavens than that they are Democrats and will not swear by Abraham Lincoln or any of the Wendell Phillies tribe. Fealty to the Constitution and the Union is no longer the test of loyalty, neither will a long and faithful service in the army for their defence avail anything; a man must become a fulsom courtier to Abolition charlatans and jackasses, or else he is in hourly danger of being thrust into prison for disloyalty and trodden beneath their assinine hoofs.

There are meny preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whisky or common rum, costing from 20 to 40 cents oer gallon, the taste disguised by Anise or Coriander Seed. This class of Bitters has caused, and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Acobo ic Stimulants of the worst kind, he desire for Liquor is created and kept no and the westle is all the horrors attendant upon

From Rev. J. Newton Brown, D. D., Editor of Encyclopedia of Religious Knowledge.

Although not dispose at favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, 1 yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus centrisute to the benefit of others. In the nope that he may thus centribute to the benefit of others.

I do this more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Eng., for the removal of this prejudice by proper testy, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bedily and mental vigor which I had not fe't for six months before, and had almost despaired of regaining I therefore thank God and my friend for directing me to the use of them
