BARRACKS CONDENNED .- A board of survey, appointed by the United States government to examine the barracks at Camp Cartin, have reported unfavorably and condemned them all. This decision will probably result in their destruction and the erection of buildings better suited to the ends for which they were designed.

Cour DE Source - Our exchanges record many instances of death from sun-stroke. The number thus killed in Philadelphia on Tuesday was twelve, and in New York forty Sun-stroke is almost always fatal. If people working in the sun would take the precaution to put a wet hankerchief inside their hats, all darger from the sun's heat would be avoided.

To Capitalists.—We direct the attention of responsible men to the advertisement "To Capitalists" in another part of this paper. The patent spoken of is one of value, and is destined to come into very general use. It affords an excellent opportunity for a remunerative investment of capimachinist, and sustains a reputation for integrity and uprightness of character.

BREAK IN THE CANAL.—A break occurred in the Pennsylvania canal a few days ago, a short distance above Dauphin An attempt was first made to repair the breach without drawing off the water, but this failing, the water has been let out from this point to Halifax, and the gallant barks that estwhile "tossed upon the rolling floods" new lie becalmed in two fathoms of mud and cattisb. It was expected that navigation would be resumed ∷-day.

SERENADE TO GOV. CURTIN .- Governor Curtin was serenaded by a fine band at the Capitol (n thursday night, and responded with a speech.-We have no room for any details. He concluded ty saying that he "expected to prevail in this ection," and to that end he "would use all hon-Table and fair means, and would give the canvass is active, unfailing and determined exertions." the crowd was also addressed by Hon. David Pleming and Col. James Worrall.

DEATH OF A HARRISDURGER -Among the names of those lost by the burning of the steamer Ruth, near Is and No. 1, in the Mississippi river, on the 4th inst., we notice that of Major T. D. Greenawalt, who is reported "missing and undoubtedly lost." He was a well known and highly esteemed citizen of this place. He was one of eight paymasters and clerks who were on board of the steamer, and was on his way to Vicksburg to pay Grant's army at the time of the accident. Major Geeenawalt leaves an aged mother and several brothers and sisters here to mourn his sad fate. His clerk, a young gentleman from Lebanon named Fisher, is also reported lost.

STILL ANOTHER PIC-NIC .- The livery and backmen of this city have concluded to give a grand pic-nic at Hoffman's grove, on Thursday, the 20th instant. The livery and hack business has become very extensive in this city since the war began, and the persons engaged in it are quite numerous. These knights of the whip have determined to have a pic-nic that will eclipse anything yet given in these parts. It is not their desire to make money by the affair. They intend to be very liberal and afford a day's pleasure in the woods at the smallest possible cost. Ladies and children will be conveyed to and from the grove free of expense, and for that purpose all the public conveyances in the city will be put in requisition .-Captain George W. P. Davis will have the general superintendence of the affair. His ability as a caterer is a sure guarantee that no pains will be spared to make this pic-nic one of the most pleaeant of the season.

THANKSGIVING .- Thursday was observed in a very proper and rational manner in this city.-Services were held in the most of the churches. and the banks and offices of the State and general governments were closed. Many went ruralizing for the day, a few enterprising souls even went a-fishing, and many stayed at home and slept .-The Keystone Battery, Capt. Fitzski, and the veteran Ringgold Battery, Capt. Ermantrout, both now encamped in a field near Camp Curtin, made a handsome parade through our streets with their fine brass field pieces. A large number of excursionists took the train for Cold Spring early in the morning, where there was an abundance of buckleberries, fiddles and cold water. We noticed a stone once in a while on the trip up the valley from Dauphin. In fact, we never saw the stone crop looking better or more promising. The valley possesses great advantages over Stony Arabia in having a railroad through it and no Arabs in it .-The good cheer dispensed at the hotel and the exhilirating tonic of a bath in the cool springs will amply repay a trip thither.

THE FIFTY PER CENT. EXCESS .- Important Information -The Provost Marshal General, in reply to inquiries from Mr. William P. Shinn, of Pittsburg, informs him as follows:

1st. Each district has credit given it on its quota for each person who furnishes a substitute, and for each person who pays \$300 "for the procuration of such substitute," in the same manner and to the same extent as if the person rendered personal

2d. Any person who may have been drafted in the 50 per cent. excess, and who may have paid \$300 for exemption, and it is afterwards found that he is entitled to be discharged from service under Sec. 16 of the enrollment act, shall be entit'ed to have the \$300 returned.

The fifty per cent. or one-third extra is drawn for the purpose of making up the deficiencies arising from exemptions on account of physical and other causes, and is composed of the last third part of the names drawn. If, after making up the deficiency, any portion of this fifty per cent. remains, they are discharged under the 16th section above alluded to, which reads as follows:

And be it further enacted, That as soon as the quired number of able-bodied men, li do military duty, shall be obtained from the list of those drafted, the remainder shall be discharged; their places of residence; and all persons discharged at the place of rendezvous, shall be allowed traveling pay to their places of residences; and all expenses connected with the enrollment and draft, including subsistence, while at the rendezvous, shall be paid from the appropriaton for enrolling and drafting, under such regulations as the President of the United States shall prescribe.

POLICE AFFAIRS .- Before Alderman Kline .-A soldier named Lawrence Monaghan and a civilian named Austin Rice were on Thursday morning brought from the lock-up, where they had undergone a twelve hours' expiatory imprisonment for drunkenness, and after a hearing, were discharged from further custody. The former was arrested by officer Pat. Campbell and the latter by officer Cline.

Thomas Blackner was arrested by officer Pat. Campbell on Thursday, charged by Patrick Barrett with stealing twenty-eight dollars from him, while in Hagerstown, a few days since. Barrett alleges that while sleeping on a cellar-door he was awakened by defendant, and that he discovered the money was missing. The circumstances of the case were all in defendant's favor, however, as he had befriended Barrett while in Hagerstown, and tal. Mr. Patton is well known here as a first class | had brought him to this place at his own expense. It was not until after their arrival here that the charge was made and Blackner arrested. The magistrate dismissed the case.

Henry Fegely, employed at a billiard saloon in Market street, was arrested by officer Pat. Camybell, on Thursday, for the larceny of a pistol from a soldier named James Cosgrove, who had been sleeping in the saloon. The evidence exonorated the defendant from guilt, and the case was dismissed.

William Hopkins, a colored lad in the employ of Gen. Cameron, was yesterday arrested at Lochiel" by officer Cline, for assault and battery on Charles F. M'Coy, on complaint of young M'Coy's father. Both parties are not over fourteen years of age. Some difficulty occurred between them near Paxton farnace, where the lad Hopkins was passing on his way home, when he struck M'Coy on the head with a piece of cinder, infleting a large and very ugly cut. Gen. Cameron entered bail for defendant's appearance at court.

Mademoiselle Jessie Brooks, Jennie Love and Eliza A. Lowe were taken up by the guard at the Invalid Camp yesterday, and were brought to town in a government wagon. A letter to the Alderman from Col. Prevost, commander of the camp, stated that these nymphs had smuggled themselves into camp; he requested that they might be dealt with according to law, as their presence there interfered with the moral and sanitary regime of the encampment. Misses Brooks and Love had just served out a twenty days' term in prison for prostitution at another camp. All three girls are quite young, but they have already made shipwreck of the sweet hopes and possibilities of a virtuous and womanly life, and are now soudding before a strong breeze over the sea of vice. They were anchored in the county prison for thirty days.

George W. Monroe, a soldier, was picked up by officers Essig and Lloyd about 12 o'clock on Thursday night, and lodged in the lock-up for drunkenness. He was released from confinement yesterday morning.

George Carney, colored, of Judystown, was arrested by officer Cline for assaulting a colored woman, wife of Abram Perry. Sent to prison.

WANTED .- Four Lieutenants, to join cavalry hango, Warren, Washington and Westmoreland for three years. For particulars, inquire of au5-3:* G. F. M'CABE, Herr's Hotel.

BRANT'S HALL .- To-night is the last appearance of Hamblin's Combination Troupe, who have achieved so great a success during the past two weeks. The lovers of fun should not miss this last chance of sceing this taleuted corps. A most attractive programme is given-singing and dancing, the funny burlesque called "Post Office Sam." Also "The Challenge to the World," and the extravaganza of "The Masquerade"-forming the best entertainment yet presented to the put lic.

PARTICULAR NOTICE.

There are many preparations sold under the name of Ritters, put up in quart bottles, compounded of the cheapest whisky or common rum, costing from 20 to 40 cants per gallon, the taste disguised by An.se or Coriander Seed.

This class of Bitters has caused, and will continue to cause, as long as they can be sold, hundreds to die the death of the druukard. By their use the system is kept continually under the influence of Acchosic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a L'quor Bitters, we publish the following reseipt: Get One Bottle Hoofland's German Bitters and mix with Three Quarts of good Brandy or Waicky, and the result will be a preparation that will far excel in medicinal virtues and true exce lence any of the numerous L'quor Bitters, in the market, and will cost much less. You will have all the virtues of Hoofland's Britters in commercion with a grood article of Liquor, at a much less price than these interior preparations will cost you.

Hoofland's German Bitters WILL GIVE YOU A GOOD APPETITE,

WILL GIVE YOU STRONG HEALTHY NERVES, WILL GIVE YOU Brisk and Energetic Feelings. WILL FNABLE YOU TO SLEEP WELL,

From Rev. J Newton Brown, D. D., Editor of Encyclopedia of Beligious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through district of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes

himself to have received fror any simple preparation, in the hope that he may thus centribute to the benefit of others. In the hope that he may thus centrisute to the benefit of others.

I do this more readily in regard to "Hoofand's German Bitters," prepared by Dr. C. M. Jackson, of this city because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic misture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bedily and mental vigor which I had not felt for six mouths before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.
