DEMOCRATIC CLUB MEETINGS.—The Democratic Clubs of the respective wards in this city will meet weekly as follows, viz:

First Ward—On Saturday evenings.
Second Ward—On Monday "
Third Ward—On Tuesday "
Fourth Ward—On Wednesday "
Fifth Ward—On Thursday "
Sixth Ward—On Friday "

By order of the City Executive Committee.
GEO. F. WEAVER, Sec'y.

DEMOCRATIC MEETING.—A meeting of the Democracy of the Fourth ward will be held at the house of Wm. Umbergor this evening at 7½ o'clock.

ACKNOWLEDGMENT.—The Ladies' Relief Society gratefully acknowledge the receipt of two baskets of vegetables from Mr. Wm. E. Hargast, also one from Mr. Bates, and one from Mrs. Vanhorn, for the use of the hospitals.

THE WEATHER.—Yesterday the weather gave us a very agreeable change. From sweltering heat in the morning, we had a delightful breeze during the afternoon. It clouded up during the afternoon and blew "great guns" for a while, and at last the long looked for rain made it appearance.

NOTICE.—The funeral of James Peacock, Esq., will take place on Wednesday morning next at 9 o'clock from St. Stephen's Episcopal church in this city.

His friends and those of the family are invited to attend without further notice. d2t

DELIGHTFUL RAIN.—After a desperate effort on the part of the clerk of the weather, we last evening had a delightful shower of about an hour's duration. "Thankful for past favors, we still solicit a continuance of the same."

THE CORN CROP.—From what we can learn from the farmers of this vicinity the corn crop of Dauphin and adjoining counties will be an average one. The delightful rain we had in this neigborhood last evening will go a great ways in helping to fill up the grains of the already ripening crop.

MECHANICS' ASSOCIATION PICNIC.—The Mechanics' Association of this city intend giving a picnic on Saturday next, the 29th inst., at Cold Springs. The price of tickets for the round trip from this city has been placed at seventy-five cents, and can be procured at the depot. Cold Springs is a delightful place, and the present affair offers splendid inducements for a day's pleasure.

To the Editors of the Patriot and Union:

GENTLEMEN: Allow me through your columns to propose for delegates to represent the First ward of this city in the Democratic County Convention, John Knepley and Joseph Hogentogler. These gentlemen are patriotic citizens, sound and reliable Democrats, for the Union as it was and the Constitution as it is, and understand thoroughly the wants of the people and our party.

FIRST WARD.

Harrisburg, August 25, 1863.

HOW LONG?—How long must we endure the stench of rotten meat and decaying vegetables in our market houses. If something is not done shortly, we may have an epidemic. This is the second complaint we have made in regard to this matter, and we hope the remedy may be forthcoming before we complain again. Generally speaking, our streets and alleys are kept tolerably clean from filth this summer, thanks to our energetic supervisors. But the market houses—let us have them washed out, by all means, and that immediately and often.

CRUEL CONDUCT.—Yesterday morning as we were passing the United States hotel, at the foot of Market street, we observed two soldiers in altercation. We stopped to see what was the matter, and learned that one of the soldiers was attempting to arrest the other. The one trying to make the arrest was a young and stout looking man, and as we came by he was flourishing a large army revolver, threatening to shoot if the other did not comply with his wish. The other was a gray headed man, and wore the uniform of an artilleryman. He was crippled to such a degree that he could hardly walk, and stated that he had been in the army over two years, and was wounded in both shoulders and in the hip. The old man protested against his arrest, but was finally compelled to go to the Provost Marshal's office. The action of the young soldier seemed entirely uncalled for, and the opinions expressed by those who saw the transaction were anything but favorable.

WATERMELON THIEVES.—The abundance of melons in our market offers a splendid inducement to gangs of petty thieves with which our city is infested. Yesterday morning two soldiers stole a melon at the market house, and were apprehended by market master Haehnlen, who conducted them before Alderman Kline. Their commanding officer appeared and stated that his command was on the way to the army, and if the Alderman would release the parties, he would leave the city with them immediately. The request was granted, and the lovers of melons departed for the land of Dixie.

Mr. Phil. Dougherty, the proprietor of a stand at the City Hotel, near the depot, was also invaded by soldiers, who attempted to steal his melons. Mr. D. had no desire to wait for the law's delay, but took it in his own hand and gave one of the soldiers a good trouncing. One of the party attempted to pull his revolver, but a stranger, who was eating a piece of melon, made a dash at the soldier with a table knife, when the latter beat a hasty retreat.

COURT PROCEEDINGS.—Yesterday was the second day of the term, and as yet nothing of special interest has transpired. The Grand Jury is very active and have already returned a number of bills. Among the bills found by them is one against Bob Edwards, the proprietor of the Gaiety concert saloon. Quite a pressure is being brought to bear against all concert and lager beer saloons in this city.

Vincent Orsinger, of the 6th ward, for selling liquor on Sunday. Plead guilty of the charge.

Two boys, named Charles M'Granagan and Christ K. Spayd, plead guilty to the charge of larceny and were remanded for sentence.

On the charge of assault and battery on his wife, Frederick Moss, plead guilty.

Patrick M'Niff, of the 6th ward, was charged with selling liquor to minors and drunkards. The evidence in the case proved insufficient to convict, and the jury retnrned a verdict of not guilty.

A STRONG CASE FOR EXEMPTION.—The following irresistible plea for exemption from the draft has been properly attested to and will be duly entered next week by one of the patriots of this city who has "no stomach for the fight." Should the board of examiners not exempt him his case is one that demands the commiseration of the whole public: Lapsus linguæ, intersuturation of the levator labii superioris alequæ nasi with the careblullum, and irregular construction of the sella turcica, causing palpable depression of the occipat and frontis; extraordinary extenuation of the subclavian artery penetrating the larynx and pericardium, and interruptiug the articulations of the vertebræ; confusion of the sartorivs and dislocation of the phalanges of the toes (web-footed); a wart on the nose and bad health generally.

TIMELY CAUTION.—The provost marshal of this district has issued his order offering a reward of ten dollars, and all necessary expenses paid, for the apprehension of deserters. It is said this reward will be promptly paid upon the fact being substantiated that the person arrested is a deserter. This will be an inducement to make the provost guard, and others whose business it is to apprehend deserters, more than usually vigilant. A number of persons are in the habit of wearing the United States uniform, or part of it. Unless in the government service, this is in violation of army orders, and persons doing so without authority render themselves liable to arrest. To those who have not a clear right and title to wear Uncle Sam's buttons we give this timely caution.

NOMINATION OF CANDIDATES FOR DELEGATES TO THE DEMOCRATIC COUNTY CONVENTION.—At a meeting of the City Democratic Executive Committee, held on the 3d of June last, the following amendment to the "Rules and regulations for the government of the Democratic party of the city of Harrisburg" was unanimously adopted, viz:

"All candidates for Ward Delegates to County Conventions shall hereafter be named and placed in nomination at a regularly called ward meeting in each ward of the city, to be held on the Saturday evening preceding their election."

The Democratic voters of the several wards in the city of Harrisburg are, in compliance with the foregoing amendment, requested to meet at their respective ward houses on *Saturday evening next*, August 29th, for the purpose of *nominating* suitable candidates for delegates to represent them in the County Convention to be held at Harrisburg on the 9th of September next.

By order of the City Executive Committee.
GEO. F. WEAVER, Sec'y.

Harrisburg, August 24, 1863.

Harrisburg, August 24, 1863.

ALL A MISTAKE.—Mr. John Boddy, late foreman of the Pennsylvania railroad shops at Mifflin, called upon us yesterday and desired a correction in our statement of the alleged railroad frauds, as his friends and the public were led to infer that he was in some way connected with them. From our knowledge of the affair we know that Mr. Boddy had nothing to do with the transaction, and if we intimated that he had, in our article, we did so unintentionally. Mr. B. is still in the employ of the company, having been transferred to the Philadelphia shops.

A SECOND DRAFT PROBABLE.—A Washington correspondent says a new draft is thought likely to be ordered before long, to make up for the deficiency in the amount of troops sought to be realized by the first draft. It will probably be made again from the first class, and according to the estimates of the numbers likely to be secured by the first draft, will be apt to call for about half as many more.

SPECIAL NOTICES.

THE GREATEST DISCOVERY OF THE AGE.

Farmers, families and others can purchase no remedy equal to Dr. Tobias' Venetian Liniment, for dysentery, colic, croup, chronic rheumatism, sore throats, toothache, sea sickness, cuts, burns, swellings bruises, old sores, headache, musquito bites, pains in the limbs, chest, back, &c. If it does not give relief the money will be refunded. All that is asked is a trial, and use it according to the directions.

DR. TOBIAS—Dear Sir: I have used your Venetian Liniment in my family for a number of years, and believe it to the best article for what it is recommended that I have ever used. For sudden attack of croup it is invaluable. I have no hesitation in recommending it for all the uses it professes to cure. I have sold it for many years, and it gives entire satisfaction.

SURGEON-GENERAL HAMMOND.

By ordering Calomel and destructive minerals from the supply tables, has conferred a blessing on our sick soldiers. Let him not stop here. Let him order the discontinuance of "Bleeding," and the use of BRANDRETH'S PILLS in the place thereof. Then will commence a "new era" in the practice of Medicine, which would then become emphatically

THE HEALING ART.

I have for thirty years taught that no diseased action could be cured by mercury or tartar emetic. That the human body could only be "made whole" by "vegetable food"—Animal food being, in fact, condensed vegetables. BRANDRETH'S PILLS should be in every Military Hospital. These Pills cure BILIOUS DIARRHŒA, CHRONIC DIARRHŒA, CHRONIC DYSENTERY, and all fevers and Affections of the Bowels, sooner and more surely than any medicine in the world. BRANDRETH'S PILLS in these cases should be taken night and morning. Read directions and get new style.

CASE OF ROSCOE K. WATSON.

Dr. B. Brandreth, New York:

SIR: I was a private in Co. F, 17th Regiment, New York Vols. While at Harrison's Landing and on the Rappahannock near Falmouth, I and many of the Company were sick with bilious diarrhœa. The Army Surgeon did not cure us, and I was reduced to skin and bone. Among the Company were quite a number of members who had worked in your Laboratory at Sing Sing. They were not sick, because they used Brandreth's Pills. These men prevailed upon me and others to use the Pills, and we were all cured in from two to five days. After this our boys used Brandreth's Pills for the typhus fever, colds, rheumatism, and in no case did they fail to restore health.

Out of gratitude to you for my good health, I send you this letter, which, if necessary, the entire Company would sign.

I am, respectfully, yours,

Dr. Sweet's Infallible Liniment for Horses is unrivaled by any, and in all cases of Lameness, arising from Sprains, Bruises or Wrenching, its effect is magical and certain. Harness or Saddle Galls, Scratches, Mange, &c., it will also cure speedily Spavin and Ringbone may be easily prevented and cured in their incipient stages, but confirmed cases are beyond the possibility of a *radical cure*. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Liniment, and its faithful application will always remove the Lameness, and enable the horse to travel with comparative ease.

Every horse owner should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidable diseases mentioned, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.

Helmbold's Remedies.

THE GREAT "AMERICAN REMEDIES,"
KNOWN AS
"HELMBOLD'S"
GENUINE PREPARATIONS, viz:

HELMBOLD'S EXTRACT "BUCHU."
HELMBOLD'S EXTRACT SARSAPARILLA.
HELMBOLD'S IMPROVED ROSE WASH.

—:o:—

HELMBOLD'S GENUINE PREPARATION,
"HIGHLY CONCENTRATED"
COMPOUND
FLUID EXTRACT BUCHU,

A positive and specific Remedy for Diseases of the BLADDER, KIDNEYS, GRAVEL AND DROPSICAL SWELLINGS.

This medicine increases the power of digestion and excites the absorbents into healthy action, by which the *water* or *calcareous* depositions, and all unnatural enlargements, are reduced, as well as pain and inflammation, and is good for MEN, WOMEN and CHILDREN.

—:o:—

HELMBOLD'S EXRRACT BUCHU,

For Weakness arising from Excesses, Habits of Dissipation, Early Indiscretion or Abuse, attended with the

FOLLOWING SYMPTOMS:

Indisposition to Exertion,	Dryness of the Skin,
Loss of Memory,	Loss of Power,
Weak Nerves,	Difficulty in Breathing,
Horror of Disease,	Trembling,
Dimness of Vision,	Weakfulness,
Universal Lassitude of the Muscular System,	Pain in the Back,
Hot Hands,	Flushing of the Body,
	Eruptions on the Face,

Pallid Countenance.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follow

IMPOTENCY, FATUITY, EPILEPTIC FITS,

In one of which the patient may expire. Who can say they are not frequently followed by those "direful diseases,"

INSANITY AND CONSUMPTION?

Many are aware of the cause of their suffering, but none will confess. The records of the Insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion.

THE CONSTITUTION ONCE AFFECTED BY ORGANIC WEAKNESS,

Requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. A trial will convince the most skeptical.
