To BE FILLED UP .- It is stated on good authority that each Pennsylvania regiment in the field is to receive two hundred and fifty drafted men from this State. This will go far towards rejuvenating the old regiments and filling up their decimated ranks to their former standard:

PATAL RAILROAD ACCIDENT - A man named Rumbaugh was struck by the express train on the Pennsylvania railroad, coming east, on the evenning of the 21st, at Pennstadt, and instantly killed. He was either standing or walking on the track when the accident occurred. He lived near Adamsburg, and at times was semewhat deranged.

Beware of Teem .- Notes of various denominations, in imitation of the government greenbacks, | plead guilty. are in circulation. They purport to be on the Government Bank, which does not exist, are dated Washington, District of Columbia, November 16th, 1862, and signed J. Winslow, Cashier, and Harvey Patton, President. They are supposed to emanate from New York.

PRESENTATION .- To-day the Pennsylvania Reserves, under command of Brigadier General Crawford, are to present to Major General Meade one of the two swords some time since ordered by them for Gens. Meade and Reynolds-this being the first opportunity which has offered for the presentation. Many distinguished gentlemen will be present, among whom is Gov. Curtin, who is expected to make the presentation speech.

IMPORTANT DECISION.—It has been decided by the Second Comptroller that when a pensioner reenlists he forfeits pay in that capacity, and cannot be again put upon the pension rolls except upon surgical re-examination and certificate of his disability. It has also been decided that a woman who abandoned her husband previous to his enlistment, and married another, is not entitled to the bounty belonging to the first busband, if he died in the service.

THE RAILROAD WAR -The railroad war is raging fiercely in Chicago, to the benefit of the traveling public. Prices are reduced to the following rates: From Chicago to Cleveland, \$6; to Buffalo \$11; to Philadelphia, \$16; to Baltimore. \$16: to Pittsburg, \$10 50; to New York, \$18; to Boston, \$21. This fall in prices is owing to the breaking up of the combination between the companies at their late convention at Niagara Falls, whereby the various rival roads enter into very lively competition with each other.

KILLED .- Charles Ellis, a young man of about seventeen years, son of C. B. Ellis, of Johnstown, and a member of Capt. Ryckman's mounted infantry, was killed at Chambersburg on Friday last by his horse falling upon him. While the company were watering their horses, the one ridden by deceased became restive, and upon being pulled up suddenly by the bit, he reared, lost his balance and felt backward—the pemmel of the saddle striking the boy upon the chest and killing him instantly.

To DESTROY MOSQUITOES .- A lady who has tested it says that the annoyance of mosquitoes may be effectually prevented by a very simple process. Close the room and burn a teaspoonful of brown sugar on some live coals, or even shavings, and the insects become paralyzed at once. This is a less laborious but not more effectual way than that of the old bachelor, who passed a leisure hour each day in tickling the insatiate insects with they opened their months, when he immediately administered a quietus in the shape of an overdose of coal oil.

Holstein, "Matron in Chief" of the Hospitals near Gettysburg, is made to the citizens of Harrisburg. to procure transportation to and from hospital:-She writes, "We would be very glad to receive | Cash. \$1: Cash. 50 cents: J. Police Affairs .- Before Alderman Kline .-Robert Parker and John Boney, two drunks of Ethiopian features and antecedents, were arrested by officers Callender and Essig yesterday, and each committed to prison for ten days.

Messrs. Joel Griffith and Jos. Weltmer, lodged by officer Cline in the lock-up for drnnkenness, were brought before the magistrate yesterday morning, and once more turned loose upon a world lying in gin and wickedness.

George Brown, arrested by officer Campbell, also went through the same figure.

A "smoke" named Richard Allen, accompanied by his dark-complected dulcinea, Margaret Marshall hired a horse on Wednesday evening and took a drive up the canal. They returned about one o'clock, with a basketfull of cabbages. Officer Campbell, not knowing of any country estate belonging to said Richard, concluded that the vegetables came from some ether man's cabbage grounds, and, assisted by officer Lloyd, laid hold upon the excursionists at "Bull Run." Allen was committed for larceny, but his companion was discharged from custody.

God Save the Queen !- Down with Crinoline .-It becomes our pleasant duty to announce that on the 1st inst. her Majesty, Queen Victoria, issued the following remonstrance, through the proper officer, to the ladies of England :

"The Queen has commanded me to express the pain with which her Majesty reads the account of daily accidents arising from the wearing of the indelicate, expensive, dangerous and hideous article called Crinoline. Her Mejesty cannot refrain from making known to you her extreme displeasure that educated women should by example encourage the wearing of a dress which can be pleasing only to demoralized taste. For the miserable idiots who abjectly copy the habits of those conventionally termed their betters, it is impossible to entertain anything but pity. But to the ladies of England this appeal to abandon the present degrading, dangerous and disgusting fashion is made, in the belief that they will show themselves the rational and decorous persons whom they are supposed to be,"

Coming from such a source, this pronunciamento will crash through the steel bulwarks of the present style of dress like a 200-pounder Parrot projestile. We hope that other leaders of the haut ton may co-operate with the Queen, and open fire along the whole line, thus discouraging "the wearing of a dress which can be pleasing only to demoralized taste" If the sovereign of the United Kingdom shall succeed in her attempt to put down ler, Ridge road. "the present de rading, dangerous and disgusting By order of the fashion," she was have carned the right to the name of Victoria -victory!-and to a share in the triumphs of her patron, St. George. The game is ap 1 Contract, 1 pops! Expand, poor, pent-up men mortale! Vice la Victoria! Crinolina deleada est.
