FOR THE WOUNDED AT GETTYSBURG.—An appeal from Mrs. A. M. Holstein, Matron-in-Chief of the Hospitals near Gettysburg, a few days since, was made to the citizens of Harrisburg, through our columns.

WHAT THEY MEAN.—Many readers of the Philadelphia Ledger have for months been puzzled to know the meaning of certain queer marks—crosses, diamonds, circles, books and eyes.

DEAR SIR: In answer to your inquiry, my opinion is that the payment of the \$300 commutation and the furnishing of a substitute have precisely the same effect.

A MISTAKE.—Last evening's Telegraph was in error in stating that Thomas Ramsey, a boy from Allegheny, was arraigned before the magistrate yesterday on a charge of drunkenness.

SURGEON-GENERAL HAMMOND.—By ordering Calomel and destructive mineral from the supply tables, has conferred a blessing on our sick soldiers.

CRISTADORO'S HAIR DYE.—There is no Hair Dye in use so pure, so free from all objectionable properties, that produces such a lustrous and permanent tint, or that operates so quickly, uniformly, and certainly.

CRISTADORO'S EXCELSIOR HAIR DYE.—This matchless article is pronounced by all who have ever applied it, or seen it applied, the most wonderful invention of the age.

A Friend in Need, Try it.—DR SWERTS' INFALLIBLE LINIMENT is prepared from the recipe of Dr. Ephraim Sweet, of Concord, the great home setter, and has been used in his practice for the last twenty years.

GETTING THEM, MONEY BACK.—Our readers are aware that in making the late draft fifty per cent. above the quota was drawn, to most contingencies.

Two hundred and seventy-five dollars is the highest figure paid by any broker for substitutes of this class. Those who paid that much for substitutes make nothing by the transfer.

The fastest way, says the "Chronicle," would be to pay the conscript what he paid for the substitute, provided the sum did not exceed \$300.

RELECTION OF DELEGATES TO THE DEMOCRATIC COUNTY CONVENTION.—The Democratic voters in the several wards of the city of Harrisburg will meet at their respective ward houses, on Saturday evening next, Sept. 5th.

HARRISBURG, Sept. 1, 1863. N. B. Sec. 1 Par. 2 of the "Rules and Regulations for the Government of the Democratic Party of the City of Harrisburg," makes it the duty of the Ward Executive Committee "to appoint the Judges and Inspectors of all Democratic ward elections."

Distress Case.—A young girl named Maria Ann Somers was found in a fit on the steps of the State Capitol Bank last evening, and brought to Alderman Kline's office, where she was seized with over forty paroxysms in succession.

THE PARENTS OF THIS GIRL, who is about twenty-two years of age, good looking and strongly built, are residents of Danville, her father being a miner.

THE \$300 COMMUTATION.—Opinions differ widely concerning the effect of the payment of the \$300 commutation by a drafted man.

DEAR SIR: In answer to your inquiry, my opinion is that the payment of the \$300 commutation and the furnishing of a substitute have precisely the same effect.
