THE WINNEBAGO POW WOW.—The Abolition "Happy Family" met in the Court House yesterday and had their usual annual "green corn dance" over the approaching division of the spoils of office.

Among these was ex-sheriff Hoffman, who was about to lay his hand upon a re-nomination, when the other chiefs tomahawked and scalped him, remarking as they did so that no such warrior should rule that wigwam with wampum and fire-water.

This little episode did not seem at all calculated to make home happy. The gifted Friesland also fell a sacrifice to his wild ambition, and sank before his brethren without a struggle.

The day's work of the pow-wow resulted in the following division of the plunder, which, be it remembered, is to be fought for and won before it can be divided: Senator, David Fleming; Assembly, H. Clay Allen, Daniel Kaiser; Sheriff, W. W. Jennings; Recorder, John Ringland; Treasurer, Isaac Hershey.

HELMBOLD'S GENUINE PREPARATION, "HIGHLY CONCENTRATED" COMPOUND FLUID EXTRACT BUCHU. A positive and specific Remedy for Diseases of the BLADDER, KIDNEYS, GRAVEL AND DROPHICAL SWELLINGS.

This medicine increases the power of digestion and excites the absorbents into healthy action, by which the water and carbonaceous deposits, and all unnatural accumulations, are removed, as well as pain and inflammation, and is good for MEN, WOMEN and CHILDREN.

HELMBOLD'S EXTRACT BUCHU, For Weakness arising from Excess, Habits of Dissipation, Syphilis, Indiscretion or Abuse, attended with the FOLLOWING SYMPTOMS: Indisposition to Excitation, Dryness of the Skin, Loss of Memory, Difficulty in Breathing, Weak Nerves, Trembling, Horror of Disease, Dimness of Vision, Universal Lassitude of the Body, Muscular System, Eruptions on the Face, Hot Hands, Pallid Countenance.

These symptoms, if allowed to go on, which this medicine invariably removes, soon follow IMPOTENCY, FATUITY, EPILEPTIC FITS, &c. In one of which the patient may expire. Who can say they are not frequently followed by those "divine diseases" INSANITY AND CONSUMPTION?

Many are aware of the cause of their suffering, but none will confess. The records of the Insane Asylum, and the melancholy deaths by Consumption, bear ample witness to the truth of the assertion. THE CONSTITUTION ONCE AFFECTED BY ORGANIC WEAKNESS, Requires the aid of medicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT BUCHU invariably does. A trial will convince the most skeptical.
