DESERTER REARRSTED .- Robert Bailey, of Co. F. 11th regiment U. S. A., was some time since arrested as a descriter in Pittsburg by the Provost | and Law: Marshal. While on his way under guard to the George Prince, Army of the Potomac, he managed to escape the guards at Harrisburg. The Sergeant, having strict orders to take the squad safe to headquarters, J Tausig, was somtwhat alarmed, and telegraphed back to George J Shoemaker, Pittsburg to watch the returning train, which the Provost Marshal did. Bailey did not however appear in that city. Sergeant Z. M. Morgan, de- W K Wilson, tective police of Captain Wright, started to Harrisburg and arrived here on Saturday morning where he learned that the deserter was in the city. Sparing no time, he started in persuit of Bailey, but did not make the arrest until Sunday morning, when the young man found himself on his road to the Provost Marshal's office. He was taken thence and confined in the old Exchange, by order of O Edwards, Lieut. Opdyke.

ASSAULT ON THE CHIEF OF POLICE -Jos. Turner. and Pat. M'Guire, two soldiers who were behaving in a rowdyish and quarrelsome manner on Saturday evening, were approached and remenstrated street and Strawberry alley. They quieted down and spoke fairly, probably taking Barney to be a military man high in command, as he had just lished with gilt buttons. He told them his posiion, when one of them-Tarner, we believeship, which resulted in tearing and spoiling his pants and bringing him to the ground. Recoverhim some marks that will serve as a remembrancer for some time to come. He succeeded in getting the offenders before Alderman Kline, who handed them over to Captain Miles, commander of the provest guard. They are under guard and both will be properly dealt with.

MARRISBURG DELEGATES. - The vote at the Democratic delegate elections on Saturday evening was unusually large, and, although the election was well contested by rival candidates in some wards, everything passed off harmoniously. The following are the names of the gentlemen chosen from the various wards, who are to meet in convention with the delegates from the townships to-morrow, for the purpose of forming a ticket in a fair way, and of such material that it will enter the field with a fair prospect of success. Second Ward-Daniel Wagner, Jehn W. Brown. Third Ward-George Bailey, Wm. K. Verbeke. Fourth Ward-L. Barnhard, H. B. Wood. Fifth Ward-Thomas J. Osler, Joseph Bowman.

Sixth Ward-Gco. B. Egle, Chares A. Wilhelm: The delegates from the First ward, Mesers. Weaver and Hocker, were instructed to support the claims of Lebanon county to the Seurterial candidate; also, to vote for the nomination of J. Wesley Awl for Assembly, of John Raymond for Sheriff, T. James Burril, a barber, lately in the employ of Charles Cann, Market Square, went into Shaeffer's saloon on Saturday and called for a glass of ale. While the female waiter was drawing it in the cellar, she heard Burril walking around the counter, and ran up stairs. Her suspicions proved correct, for she found the till drawer open and rifled of part of its contents, while the thief had fled, scattering the stolen money over the floor. Burril ran across Third street into the back part of Fleming's lot, where he was soon after arrested by officer Campbell. Several lots of money were found on his person, together with a memorandum book with a black kid cover. This latter evidently belonged to a soldier, for in it was found, among ether things, the discharge papers of James Burns Davis, a private of Capt. J. F. Fletcher's company, Fifth regiment Ohio Vols., dated at Dumfries, Va., April 3d, 1863. Should this meet the eye of any of Davis' friends, they can obtain the papers on application to Alderman Kline, of this city. Burril, who is, in regard to color, pretty much "on the fence, being bleached to that nice degree where black ceases to be black and yet is not altogether

George Brown was brought up by officer Fry. charged with obtaining goods under false pretences. The evidence proved that about a year ago defendant had bought a silver watch from Daniel Erb, living in Cumberland county, which he promised to pay for on the evening of the same day. This he failed to do, and Mr. Erb lost all sight of watch and purchaser. On Saturday, however, Brown was recognized by a young man employed at the United States Hotel, who is a relative of Erb, and who caused a warrant to be issucd for his arrest. The defendant paid twenty

YOUNG MEN'S

CENTRAL DEMOCRATIC CLUB.

The undersigned, feeling the importance of cordial and united effort to sustain and secure the election of State and County nominations of the National, Conservative Democratic party in October, in pursuance of a resolution heretofore adopted, invite the co-operation of all who are friendly to the cause of the Democracy, the Union and the maintenance of the Constitution, in organizing a a Young Men's Central Democratic Club; and for this purpose, request their attendance at Brant's Hotel on Wednesday evening, Sept. 9, at seven o'clock.

The foes of Civil Liberty, breakers of the Constitution-enemies of the Union as it was, are moving every appliance of unrighteous power to seduce the virtue of the people, trample on their most sacred rights, and confirm the projected despotism of Force over the Freedom and Equality which has been bought for us by the precious blood of our Fathers as a heritage to their posterity forever. Vigilance, energy, and a determination to stand by at all hazards, these, the birthrights of every American Citizen in this the hour of their peril, will insure their preservation; an indifference to the unspeakable blessings they bestow, may end, too late to be regained, in their destruction. Their keeping has been sacredly entrusted to the People-unaided and unawed this duty de-

volves alone upon them. To the end that we may be ready to meet the great issues before us, the undersigned earnestly invoke their fellow-citizens-and especially the young Democracy of this district—to assemble at the time and place above stated, and lend their aid and sanction to the task of securing upon a general plan an effective local organization of the party for a free, full vote at the coming election and to carry out, so far as possible, the great purposes of National Conservatism and Constitutional Liberty

SPECIAL NOTICES.

To Horse Owners.

Dr. Sweet's Infallible Liniment for Horses is unrivaled by any, and in all cases of Lameness, arising from Sprains, Bruises or Wrenching, its effect is magical and certain. Harness or Saddle Galls, Scratch es, Mange, &c., it will also cure speedily. Spavin and Ringbone may be easily prevented and cured in their incipient stages, but confirmed cases are beyond the possibility of a radical cure. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Liniment, and its faithful application will always remove the Lameness, and enable the horse to travel with comparative ease.

Every horse owner should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidable diseases mentioned, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.

Dr. B. Brandreth, New York: SIR: I was a private in Co. F, 17th Regiment, New York Vols. While at Harrison's Landing and on the Rappahannock near Falmouth, I and many of the Company were sick with bilious diarrhoea. The Army Sur geon did not cure.us, and I was reduced to skin and bone. Among the Company were quite a number of members who had worked in your Laboratory at Sing Sing. They were not sick, because they used Brandreth's Pills. These men prevailed upon me and others to use the Pills, and we were all cured in from two to five days. After this our boys used Brandreth's Pills for the typhus fever, colds, rheumatism, and in no case did they fail to restore health.
