THE DRAFT IN READING .- Among the persons drafted in Reading, Pa., a week ago Saturday, were C. F. Haas, one of the editors of the "Times," Rev. Father Schroeder, of St. Paul's Roman Catholic Church, and the pastor of the Trinity Lutheran, St. Matthews' and Ebenezer (M. E.) churches; also, Rev. M. Lindemuth and Rev. Mr. Apgar, of the Protestant M. E. church.

MADANE RUMOR .-- Madame Rumor is a great liar, but as we look over some of our exchanges we find that she has many devotees. Astounding items appear of startling outrages committed by persons who are nameless, upon other persons who are nameless. Not a single clue is given by which the truth of the story can be ascertained, but Madame Bumor and fertile imaginations have it all their own way.

THEATRICAL ENTERTAINMENT .- We are requested to state that a theatrical exhibition will be given at Brant's Hall, on Wednesday evening, Sept. 9th, under the direction of Mr. Hamilton, for the benefit of the sick and wounded soldiers in the Cotton Factory Hospital. We have every reason to believe that the performance will be meritorious, and the charitable object in view should commend it to the patronage of the public. Tickets can be procured from the soldiers in the hospital.

CONNENDABLE .--- We observe that several of our citizens have embraced the fine opportunity afforded by the pleasant spell of weather to have the e-paved. Their action in this respect is highly commendable, and ought to be more generally imitated. There is nothing that adds so much to the fine appearance of streets, as clean and substantial aido-walks. **REVENUE DECISION.**—The Commissioner of Internal Revenue has decided that the seventy-fifth section of the act of July 1, 1862, provides that on railroad iron and on all other iron advanced beyond bars or rods, a duty of one dollar and fifty cents per ton shall be paid. Iron forgings, of whatever size or shape, in a rough and unfinished state, are held to be covered by the above provisions of the seventy-fifth section, and taxable at the rate of one dollar and fifty cents per ton.

THE CITY OF TOMBS .- Bordering the city, silent, sad and lonely, lies the city of the toombs. At its entrance the weeping willow hangs a canopy over those who enter its precincts, and the melancholy sound of the wind through the branches in solemn cadence sings a requium over the dead. Neither sound of toil or mirth break the air. and the dead. from all mortal agency, may sleep undisturbed as if typical of those who rest beneath, bloom for a season, wither and fade. Day after day rolls on, month after month and year after year. The gates of the city open and close on the fair, the good and beautiful-just and upjust-"Earth to earth and dust to dust." Buried are a thousand hopes-wild hearts and weary spirits alike repose, and memories wing their way to their homes in other lands far from the city of the tombs-burning memories which bring tears to the eyes and prayers to the heart. Often too the walks are trod by falling footsteps; the man of the world forgetting for a moment high ambition's course, yields homage to the sanctity of the spot, becoming the equal of the child by his side who sees her mother's name upon ments gleaming in the sunshine and resting in the cold moonbeams. Stores of knowledge can be gleaned from epitaphs-countless treasures can be found in the words of affection and respect which meet the eye; and he who visits the cemetery and views the scenes in a just and holy light cannot fail to become a wiser and better man.

CENTRAL DEMOCRATIC CLUB.

The undersigned, feeling the importance of ordial and united effort to sustain and secure the election of State and County nominations of the National, Conservative Democratic party in October, in pursuance of a resolution heretofore adopted, invite the co-operation of all who are friendly to the cause of the Democracy, the Union and the maintenance of the Constitution, in organizing a a Young Men's Central Democratic Club; and for this purpose, request their attendance at Brant's Hotel on Wednesday evening, Sept. 9, at seven

o'clock. The foes of Civil Liberty, breakers of the Constitution-enemies of the Union as it was, are moving every appliance of unrighteous power to seduce the virtue of the people, trample on their most sacred rights, and confirm the projected despotism of Force over the Freedom and Equality which has been bought for us by the precious blood of our Fathers as a heritage to their posterity forever. Vigilance, energy, and a determination to stand by at all hazards, these, the birthrights of every American Citizen in this the hour of their peril, will insure their preservation ; an indifference to the unspeakable blessings they bestow, may end, too late to be regained, in their destruction. Their keeping has been sacredly entrusted to the People-unaided and unawed this duty devolves alone upon them.

To the end that we may be ready to meet the great issues before as, the undersigned earnestly invoke their fellow-citizens-and especially the young Democracy of this district-to assemble at the time and place above stated, and lend their aid and sanction to the task of securing upon a general plan an effective local organization of the party for a free, full vote at the coming election and to carry out, so far as possible, the great purposes of National Conservatism and Constitutional Liberty and Law:

Muscular System, Hot Hands,

THE miners in the coal regions of Pennsylvania are receiving the extraordinary pay of \$60 to \$125 per month, not working over eight hours of the day.—Exchange.

This helps to explain the cause of the high price of coal. Cormorants at the source of supply are feasting themselves, while indigent people all through the country are compelled to choose between freezing and starvation, during the winter season.

CONSTITUTIONALITY OF THE DRAFT .--- Steps bave been taken to test the constitutionality of the 211 George A Hall, did not report. draft in the Supreme Court. . A GRAND PIC-NIC .--- The Citizen Fire Company intend giving a pic-nic at Hoffman's woods on Saturday next, for the benefit of the company. Since the breaking out of the war this valuable branch of our fire department has suffered in many ways. There has been a very heavy falling off of its members, Owing to this, and to the fact that the attention of the remaining members has been engaged, to a certain extent by the war, the affairs of the company have been neglected; and they adopt this method to reunite the company, and, at the same time, improve its finances. The citizen boys have always been acknowledged as being able to do anything well they undertook, expect something better than usual.

Police AFFAIRS .- Before Alderman Kline .-The police reports yesterday were exceedingly Méagre.

John Booney, colored, was arrested on Sunday and put in the lock-up for drunkenness and disorderly conduct. He was brought before Alder. man Kline yesterday, and on a promise to pay the fine and costs, was released. This is the third time he has been arrested for a like offence. He Was not possessed of a very vicious disposition. although his appearance was in no degree prepostessing. His proboscis, which was enormous, was exceedingly black, and possessed a rich, broad, flat exclusively to the genuine negro. He is employed some six miles from town, and came in to see his friends, not thinkng his weakness would overtake him a third time. The next time he oversteps the law he will fare somewhat different.

Officer Fry yesterday arrested a woman in such a beastly state of intoxication that he was compelled to use a wheel-barrow to get her to the lock-up. A case of this kind is distressing to witness, and to share her punishment.

COUNTERFEITS .- Look out for coupterfeit fifty the person who gave her the liquor richly deserves cent postage stamps. They are getting very plenty. Where they all come from is a mystery.

CASE OF DUSCOE K. WATSON. Dr. B. Brandreth, New York: SIR: I was a private in Co. F, 17th Regiment, New York Vols. While at Marrison's Landing and on the Rappahannock near Falmouth, I and many of the Company were sick with bilious diarrhea. The Army Surgeon did not cure us, and I was reduced to skin and bone. Among the Company were quite a number of members who had worked in your Laboratory at Sing Sing. They were not sick, because they used Brandreth's Pills. These men prevailed upon me and others to use the Pills, and we were all cured in from two to five days. After this our boys used Brandreth's Pills for the typhus fever, colds, rheumatism, and in no case
