H. M. GRAYDON, Treasurer Relief Fund. The above summary of receipts and disbursements of the fund raised for the reception of the 127th regiment, presented to the committee by their treasurer, H. M. Graydon, shows a balance in the treasurer's hands of two hundred and one dollars and thirty-five cents, which, by resolution of the committee, is appropriated for the purchase of coal for the use of the families of volunteers from this city now in the service of the United States.

George ought to feel grateful to the Committee for thus placing in his credit in Heaven the first item, which shall stand hereafter as an offset to the enormous debts recorded against him in another place. We commend for his imitation the example of the worthy treasurer of the Committee. Let him forthwith make a true and honest statement of certain accounts which have already been the subject of legislative investigation, and which have not left upon the public mind a very favorable impression.

BRUTAL MURDER.—On Saturday evening last, about half past ten o'clock, three or four Irishmen waylaid Mr. W. Three hundred dollars will be paid by citizens of Wilkesbarre for the arrest of the murderers upon their conviction.
