Attention, Wairs Man !- All patriotie, lawloving and law-abiding men, all white men, all working men, all men who have an idea of freedom, all who are opposed to \$24,000 blear-eyed administration blowers and thieves, should be at the Court House to-night to hear that brilliant champion of constitutional liberty and law-abiding Democracy, Hon. Henry Clay Dean, of Iowa.

ROBTERT A. LAMBERTON, J. WESLEY AWL, and other prominent speakers, will address the Democratic meeting at Dauphin this evening.

FIRST WARD .- The Democratic club of this ward will meet at the public house of Mrs. Erb, corner of Second street and Meadow lane, this evening at 7 o'clock precisely.

Ton Thung is about to retire to private life on a fortune of two hundred and fifty thousand dollars. He is going to build him a cage at Bridgeport, Conn., and go in for the otium cum dignitate in sober earnest.

An ITEM FOR THE LADIES.—The latest style of hoop skirts is the self-adjusting, double-back-ac tion, bustle etruscan, face expansion, Piccolimini attachment, gossimer-indestructible, polocticomorama. It is a very sweet thing.

Five and a half millions of dollars have already been received by the Government, as commutation under the enrollment act. This sum, and all moneys hereafter realized from this source, are to be expended in bounties for enlistments.

THE POSTAGE CURRENCY.—It is stated, on the best authority, that out of two millions of dollars of postal currency that have been cancelled and burned, not two hundred were counterfeit. The imitations are said to be poor and easily detected.

NEW COUNTERFEITS .- A new counterfeit on the denomination of \$50, has appeared. It is an imitation of the genuine plate, the vignette representing a female, child, goods, ship in the distance Ac. Ac.

REMOVED .- The Commissary Department, formerly in the old Wallower warehouse, has been removed to its new building back of the old Pennsylvania railroad round house. All requisitions to be filled should be presented at Capt. K. C. Robinson's office, in the fore part of the building.

CAPT. EDWARD DE RUE, who so successfully teaches the art of self-defence with all kinds of arms, we see by the Pittsburg papers, is now in that city. We hope he will let us hear from him soon; if he does not, we will give him a notice without charge which may not be very agreeable

ARREST OF AN ALLEGED DESERTER.-Solomon Freed, charged with being a deserter from the 4th Maryland regiment, has been arrested in York county, Pa, and is to be sent to Carlisle for trial. He applied for a writ of habeas corpus in York, but Judge Fisher, in view of the President's recent proclamation, refused to grant it.

PLAX.—The flax erop in Pennsylvania this year will be larger than ever before raised in this State, and inquiries are made as to the best neans of disposing of it. One of our exchanges advises the farmers, after threshing out the seed, to stack the straw carefully, protect the stack with boards, or a good thatch, and await the coming of customers, who will appear between this and the close of the

From all sections of the county we learn that the Democracy are up and doing, well satisfied with the county ticket, and determined to elect it, from top to bottem, by such a majority as will show the hireling minions in power that the lion of Democracy is aroused, and will spread terror in the Abolition camp and send them howling back to their dens. The Democrats are determined that no Abolitionist shall be put in power by their votes.

Accident.-On Tuesday night last an accident occurred at the Cameron Furnace, Middletown, by which Thomas Carty and William Cox were killed. The plug in the mouth of the furnace, when it was in full blast, accidentally blew out, by which the two men were horribly burned by the molten iron which was discharged upon them. The former was burned in such a shocking manner that there is little hope entertained of his recovery. The latter was not so seriously injured and he is expected

THE Telegraph last night announced that Thos. C. MacDowell, late one of the editors of the PATRIOT AND URION, was to address a Union meeting in Beaver that day in favor of the re-election of Gov. Curtin. This we believe to be one of those contemptible falsehoods of which the muddy brain of the Te'egraph is so fruitful, and without any foundation in fact. Mr. MacDowell has not been in any way connected with this paper for over a year, but we feel warranted in saying that his Democracy is unquestionable.

AN ECCENTRIC INDIVIDUAL.—The Troy papers record the death of Abel Bunnell, a gentleman, of considerable means. During a long life he had never eaten an oyster and never touched a clam. Although he had sold liquor he had never drank anything stronger than sweet cider. He never visited a show. His travels, too, were very limited. He had never been south of Albany or west

OUTRAGE IN NEW HOPE.-We learn from undoubted authority, the Doylestown (Bucks county) Democrat, that two men, one of whom is named Thompson, and said to be a deputy or hanger on about a provost marshal's office, called at the blacksmith shop of Mr. Ely, in New Hope, on Tuesday last, where a journeyman, named James M. Smith, was working alone. They inquired for "Smith Kitchen," who they said owed them some money. On being informed that he did not know where he was, they insisted that he did know, and then said Kitchen was a deserter, and that he (Smith) was no better-that they had authority to take him (Smith) to Trenton, and produced a set of handcuffs, and both laid hold of him to put on the irons. Smith proved to be a troublesome customer, when one them presented a pistol as his authority, but the resolute resistance of Smith, in defiance of even this war machine, induced them to abandon their purpose and skedaddle over the bridge to New Jersey, before the citizens had heard of the outrage, and thus escaped such summary punishment as many of Mr. Lincoln's officers deserve. And yet had that man been cerried off by these "border ruffian" officers he could have had no redress, as the writ of habeas corpus has been suspended, and they could have sent him to the army, or some bastile, where his friends could not visit him or ever hear from him.

POLICE AFFAIRS .- Before Alderman Kline .-The Alderman's office was made quite lively yesterday morning, by the unusual number of "smokes" brought from the lock-up. There were no less than eleven, and they were all arrested for very much the same offences-namely, drunkenness, vagrancy and disorderly conduct. They were captured in negro town. In this place these vagrants pay little attention to the mandates of the law, and only recognize its authority on the appearance of a policeman's billy in the hands of its owner. They were all discharged.

Augustus Kane, arrested by Kane; Jas. Greenley, arrested by Costello; David Kane, arrested by Kane; Peter Larkens, arrested by Costello; Isabella Boney, arrested by Cline; Ida Berry, arrested by Campbell; Rebecca Marshall, arrested by Massey : Catharine Marshall, arrested by Campbell; Sarah Rees, arrested by Massey; William Lane, arrested by Campbell; Jackson Smith, arrested by Massey; August Root, white, arrested by officer Kane, found in an intoxicated condition. was also discharged.

GOOD ADVICE .- The Scientific American, in referring to a sad accident caused by riding upon a shaft, says: " Don't try to play with machinery, either, in motion or when at rest. Forty hairbreadth escapes may result at the forty-first trial in maining, mutilation, or sudden death. Keep the fingers, hands, arms, legs and hair away from rough shafting, and take care that clothing does not get down into rapidly-running bolts and pulluys." The owners of mills or workshops where machinery is in use, should carefully guard it so that injury cannot happen. It does not do to rely always upon the prudence of those who are not liable to injury, and therefore the necessity of making it impossible that they shall be injured.

A MANNOTH DEPOT .- The new depot of the Pennsylvania railroad now in course of erection at Pittsburg, will have a front on Liberty street of seven hundred feet, and on Elm street of one hundred and fifty-nine feet. Five hundred feet of the Liberty street front will be of iron highly ornamented, and the elevation of the roof in the centre will be seventy-five feet. The plan of the building comprehends a large hotel, dining room, do, and when finished it will be one of the most expensive and handsome structures of the character in the United States.

SURGEON-GENERAL HAMMOND. By ordering Calomel and destructive minerals from the supply tables, has conferred a blessing on our sick soldiers. Let him not stop here. Let him order the discontinuance of "Bleeding," and the use of BRAND-RETH'S PILLS in the place thereof. Then will commence a "new era" in the practice of Medicine, which would then become emphatically THE HEALING ART.

I have for thirty years taught that no diseased action could be cured by mercury or tartar emetic. That the human body could only be "made whole" by "wegetable food"-Animal food being, in fact, condensed vegetables. BRANDRETH'S PILLS should be in every Military Hospital. These Pills cure BILIOUS DIARRHEA, CHRONIC DIARRHEA, CHBONIC DYSENTERY, and all fevers and Affections of the Bowels, sooner and more surely than any medicine in the world. BRANDRETH'S PILLS in these cases should be taken night and morning. Read directions and get new style.

CASE OF RUSCOE K. WATSON.

Dr. B. Brandreth, New York:
Siz: I was a private in Co. F, 17th Regiment, New York Vols. While at Harrison's Landing and on the Rappahannock near Falmouth, I and many of the Company were sick with bilious diarrhosa. The Army Surgeon did not cure us, and I was reduced to skin and bone. Among the Company were quite a number of members who had worked in your Laboratory at Sing-Sing. They were not sick, because they used Brandreth's Pills. These men prevailed upon me and others to use the Pills, and we were all cured in from two to five days. After this our boys used Brandreth's Pills for the typhus fever, colds, rheumatism, and in no case did they fail to restore health.

Out of gratitude to you for my good health, I send you this letter, which, if necessary, the entire ComL'LECTION PROCLAMATION.
