THE MEETING TO-NIGHT.

Democrats Turn Out.

Democrats of Harrisburg let us have a grand rally to-night at the Market House meeting. Turn out, every man of you who loves his country, and show your political enemies, who are also the enemies of the Constitution and the Union, that you are prepared for the great struggle to come off to-morrow.

WOODWARD AND OUR FREE INSTITUTIONS SANCTIONED BY WASHINGTON, JEFFERSON, AND THE HEROES AND SAGES OF THE REPUBLIC'S BETTER AND PURER DAYS.

AGAINST CURTIN AND HANDCUFFS FOR WHITE MEN.

WOODWARD AND THE OLD CONSTITUTION, THE OLD UNION, AND THE OLD BIBLE.

AGAINST CURTIN AND THE INFIDEL BURLINGAME'S ANTI-SLAVERY UNION, ANTI-SLAVERY CONSTITUTION, ANTI-SLAVERY BIBLE, AND ANTI-SLAVERY GOD.

NEXT TUESDAY! TUESDAY NEXT will be the most important day that has ever occurred in Pennsylvania. The interests of every citizen of the State are in the issue. Let every Democrat, then, devote the whole day to the cause of promoting the best interests of the people of the State.

SOLDIERS REMEMBER. Remember that Governor Curtin was one of the men that conspired against General McClellan to effect his removal from the army of the Potomac.

BATTLE OF ANTIETAM: that they were intriguing politically when he was fighting patriotically; and that they succeeded in their schemes and had him removed a few days after that battle.

WOODWARD AND THE UNION AGAINST CURTIN AND ABOLITION DISUNION.

VOTE AS YOU PLEASE—EXERCISE YOUR RIGHTS FREELY.

Working men, let no employer coerce you to vote against your honest convictions. Let no hint, or threat of discharge, deter you. Vote as you think right, though the devil and all his legions stood in your path.

WOODWARD AND THE CONSTITUTIONAL RIGHTS OF WHITE MEN AGAINST CURTIN AND NEGRO EQUALITY.

The Insane Asylum. We understand, from very reliable authority, that the Insane Asylum, an institution which relies very much upon State appropriations for its support, has boldly entered the political arena, raised the Niggerhead battle flag, and commenced a system of intimidation to control the votes of its employees.

WOODWARD AND CIVIL LIBERTY AGAINST CURTIN AND DESPOTISM.

DEMOCRATS OF HARRISBURG. The Woollyheads will make prodigious exertions to carry the city for Curtin to-morrow. Don't let them do it. Watch them. If you can keep them from cheating, you can beat them handily.

What Democrats Want to Do. The Democrats want to preserve the Constitution and restore the Union.

"My life," says Judge Woodward, "has been spent, thus far, in upholding the Constitution of the United States as the fathers framed it—the Union they formed—and the Constitution and laws of the States; and whatever of life remains to me, will be devoted to the same ends."

The Abolitionists—the party that uphold Lincoln in his usurpations, and support Curtin in this contest, want to repudiate the Constitution as the fathers framed it, and the Union they formed. Thaddeus Stevens declares they will have neither of them.

"The Union as it was—the Constitution as it is—God forbid! This may be Abolition doctrine, but it is right, and it is mine."

Vice President Hamlin, in a speech recently delivered by him, reiterates the same sentiment; Butler does the same, and so have all their prominent men who have broached the question of the stump.

"Our columns, a few days ago, contained a most melancholy letter from Federal Hill; and its statements are supported by other information. We are told by a friend who has a relative amongst the troops there, that his clothes were in rags three days after being put on—that he had eaten no meat, none fit to eat having been served out."

It is hardly worth while to say much more as to the election to take place on Tuesday. The time for argument is almost past.

Thus we stand on the record—the Democrats for the Constitution as it is; the Abolitionists against both, and for a Central Despot Government, with power to crush out freedom and enslave the people.

Citizens of Pennsylvania, to-morrow you must choose between these parties.

If you are for the Constitution and the Union—for free Government and State Rights, VOTE FOR WOODWARD.

If you are for overthrowing the Constitution, for destroying the Union, and for a strong Despot Government—for huge debt and crushing taxation—for endless wars and bloodshed—for such measures as make the country a desolation and the people slaves and paupers, VOTE FOR CURTIN.

Elect him and sustain Lincoln, and you will have all these curses upon you. If you vote for him, do it with your eyes wide open to the consequences, and be prepared to answer to God and to your fellow men for the miseries you will bring upon the nation.

Treason North and South Shaking Heads. It has been one of the chief objects of the Abolition press to create an impression that the Democracy of the North were in league with the secessionists of the South.

"The Democratic party [of the North] was our worst enemy, and but for its poisonous embrace these States would have been free and clear of the unnatural Union twenty years ago."

"IT IS NOT THE SEWARDS AND SUMNERS, THE BLACK REPUBLICANS AND ABOLITIONISTS, WHO HAVE HURT US. They were right all along." etc.

"That is the view which Jeff. Davis and his fellow-traitors take of the two parties. The Democrats were their 'word enemies' because they would not listen to division, and held the South to the Constitution."

"What has Woodward Done? 'What has Woodward done to put down the rebellion?' This question is asked by the Abolition press.

We answer, more than Curtin, McClure, M'Michael, Forney, or Lincoln himself and his whole Cabinet have done.

In the first place he has furnished two links to the army, both of whom have distinguished themselves in battle, and one of them, Lieut. Col. Geo. A. Woodward, has been wounded and crippled for life, trying "to put down the rebellion."

Can Curtin, or any of his principal supporters, or Lincoln, or any of his Cabinet, boast of having done as much? Let them answer.

Judge Woodward has contributed hundreds of dollars of money honestly earned, "to put down the rebellion."

How is it with Curtin and Lincoln, and the branding Abolitionists who support them and stigmatize Judge Woodward and other Democrats as "traitors?"

Which of them can come forward and say, truthfully, "I have done as much?" Besides Judge Woodward supports the Constitution and laws, under and by virtue of which alone can rebellion be successfully and rightfully crushed; and he opposes the fanatical doctrines and policy of rabid, radical Abolitionism, without extinguishing which rebellion can never be suppressed.

In fact he has done all that an honest, faithful citizen and enlightened, patriotic statesman could do "to put down the rebellion;" while his traducers have been doing all they could to feed its fires and keep it alive, that they might plunder and grow rich.

POOR MEN. No class of persons are so much interested in the result of the election on Tuesday as the POOR and LABORING MEN of Pennsylvania.

Upon them heavy burdens have fallen during the past two years. The Democratic party always has been the Poor Man's friend, and every poor man in Pennsylvania should, on Tuesday next, vote with the Democratic party.

Poor men of Pennsylvania, vote for WOODWARD and LOWRIE and your OWN BEST INTERESTS.

EVERY VOTE FOR WOODWARD. On Tuesday next is a vote for the CONSTITUTIONAL RIGHTS OF WHITE MEN, for CIVIL LIBERTY, for an HONEST ADMINISTRATION OF THE GOVERNMENT, and for the DEAREST INTERESTS of every American Citizen.

Out of their own mouths are they Condemned. The Philadelphia Inquirer, devoted to Abolitionism and the cause of Lincoln and Curtin, in July 1861, when the three months' men were in rage, and everybody was in earnest at the Federal and State administrations for their cruel neglect of brave men, published the following editorial:

"Between two stools our three months' volunteers seem likely to come to the ground. They write to the Secretary of War to say that they are barefooted and more or less naked; that they would like to be able to leave their tents in daylight without infringing the laws of decency, etc. Mr. Cameron replies that the United States cannot supply the three months' volunteers with clothing, and refers them to Governor Curtin. That functionary makes answer: Fellow-citizens, have I not already given you a complete outfit of shoddy and pine shaving shoes? If your shoes did not last three days, reflect that my proteges have made a handsome thing of it. If your trousers have dropped to rags, at once consider that my contractors could not make cent per cent, and furnish you with a respectable article. If your clothes are not well lined, their pockets are. If you are not well shod, you are well shod—be satisfied."

Our columns, a few days ago, contained a most melancholy letter from Federal Hill; and its statements are supported by other information. We are told by a friend who has a relative amongst the troops there, that his clothes were in rags three days after being put on—that he had eaten no meat, none fit to eat having been served out.

An Abolition Institution. The Board of Military Claims at Harrisburg, it is said, is being used for political purposes, the same as the Canal Board was under the Ritner administration.

The board is composed as follows: A. L. Russell, Salary, \$2,790. W. W. Irwin, " 2,790. J. R. Muffly, " 1,200. David Barnes, " 1,000. G. R. Anderson, " 900.

It is said any claim bill can be passed if the claimant will promise to vote for Curtin—but no Democrat stands any chance; the plea is at once made that the claim is not now in order, and even if passed would not be paid at the Treasury, because there is no appropriation.

Bear in mind, tax-payers, that this board costs the State in respect to salaries nearly as much as the Auditor General's or the Treasury Department, and that it has had no duties to perform since last winter, for the reason that the \$300,000 appropriation is about exhausted.

The claims now passed are purely for political purposes to purchase up such chaps as MacDowell.

Citizens, tax-payers, Democrats, will you vote to keep in power such corrupt men, such plunderers of your hard earned money as Curtin and his crew? If you desire to cleanse this Abolition Augean stable, vote for WOODWARD and LOWRIE on Tuesday next.—Danville Intelligencer.

DEMOCRATS, BEWARE! Democrats beware of false stories just on the eve of election day. The Abolitionists know that their cause is hopeless and that they are a defeated party in Pennsylvania.

They have therefore become desperate, and they will make a desperate effort to retrieve themselves and prevent power from passing from their hands. They will doubtless use all kinds of stories and falsehoods about Democratic candidates. BELIEVE THEM NOT. MARCH IN ONE SOLID PHALANX to the polls and VOTE THE WHOLE DEMOCRATIC TICKET.

VOTERS, REMEMBER. That the election on Tuesday next is the most important that has ever occurred in Pennsylvania. Upon its issue will depend whether the people of the State shall have equal rights under the Constitution as they have been enjoyed for upwards of seventy years.

Vote for upwards of seventy years, with their rights of person and property protected, or whether the people of the State shall become the subjects of a vast central military despotism. This, in short, is the great issue to be decided.

PRINCIPLES, NOT MEN. Voters, remember that you vote for principles not men on Tuesday. Every vote cast for the Democratic ticket in Pennsylvania on Tuesday is a vote for the CONSTITUTION, for the Union as established by our fathers, and for the rights and liberties of the people as enjoyed under the Constitution by the people for upwards of seventy years.

Vote the WHOLE TICKET FROM TOP TO BOTTOM. KEEP COOL. DEMOCRATS KEEP COOL ON ELECTION DAY. The canvass has been exciting and an effort may probably be made to draw you into controversy at the polls.

Have no controversy with any one. You have but a single duty to perform. VOTE YOURSELF, AND THEN SEE THAT EVERY OTHER DEMOCRATIC VOTE IN YOUR DISTRICT IS PUT INTO THE BALLOT BOX.

SIR, THE ABOLITION PARTY IS A DISLOYAL ORGANIZATION. ITS PRETENDED LOVE FOR FREEDOM MEANS NOTHING MORE OR LESS THAN CIVIL WAR AND A DISSOLUTION OF THE UNION.

HONEST MEN OF ALL PARTIES SHOULD UNITE TO EXPOSE THEIR INTENTIONS AND ARREST THEIR PROGRESS.—ANDREW JACKSON. POLL EVERY VOTE. Let EVERY VOTE, IN EVERY DISTRICT BE POLLED ON TUESDAY NEXT. One vote is of great importance and will help to swell the glorious majority for Woodward and Lowrie in the State. POLL EVERY VOTE.

NEWS OF THE DAY. BY TELEGRAPH. FROM TENNESSEE AND KENTUCKY. SHELBYVILLE NOT DESTROYED—CAPTURE OF GEN. SMITH, WAGONS AND MEN—FEARS OF GUERRILLAS—REPORTED ENGAGEMENT—TELEGRAPH WORKING TO CHATTANOOGA, &c. LOUISVILLE, Oct. 9.—Our Nashville correspondent says that only three buildings were burned at Shelbyville by the rebels, the court house and two other houses.

The town was plundered throughout, and some 1,500 prisoners are reported as captured, which is considered doubtful. Major Lester, of the 9th confederate cavalry, captured Capt. Smith, of Gen. Sheridan's staff, with 257 wagons and 437 men at Waldron's bridge, and 587 men were captured at M'Innisville.

Guerrillas are reported on the Louisville road, and fears were entertained that Gallatin will be attacked. A report prevails in this city of an engagement and Federal success at Lebanon, Ky., but the particulars cannot be procured.

Gen. Crook, commanding a brigade of cavalry, twelve miles beyond Franklin, yesterday afternoon came up with a portion of Wharton's rebel cavalry. A sharp fight ensued, resulting in 125 rebels being killed and wounded, 300 prisoners and four cannons captured.

The rebels were in full retreat, and our forces pursuing. No casualties to the Federals are reported. The telegraph to Chattanooga has been working since yesterday, and the railroad will be in running order to-morrow to Bridgeport.

The rebel prisoners are confined in Louisville, except Dick M'Cann and thirty of his men. THREE NEGROES HUNG, &c. COLUMBUS, Ky., Oct. 9.—A negro negroes concerned in the murder of the Beckman family were hung to-day. Detachments of the 16th and 14th regiments, colored troops, witnessed the execution.

Three others, indirectly connected with the murder, were sentenced to imprisonment for five years, and one for one year; three were sent to Nashville, under guard, to-day. FROM GEN. ROSECRANS. OFFICIAL DISPATCHES—A BATTLE NEAR SHELBYVILLE. WASHINGTON, Sept. 10.—The Republican, writes, says the government has received dispatches from Gen. Rosecrans, dated Chattanooga, Oct. 9, and from other officers, on duty at his headquarters; also, official dispatches from Nashville, all containing reports most encouraging for the national cause.

The forces under Gen. Mitchell overtook the rebel cavalry, on the 6th inst., below Shelbyville, and a battle immediately ensued, resulting in a complete rout of the enemy, who did not stop for his wounded; over one hundred of the enemy were left on the field, and also a large number of wounded. Gen. Mitchell sent a force after the flying rebels, who scattered, panic-stricken, that being the only means of escaping the great military cordon established by Gen. Rosecrans.

EXPORT OF \$2,500,000 IN SPECIE. NEW YORK, Oct. 10.—The steamship City of Manchester, for Liverpool, and America, for Southampton, sailed about noon to-day. They take out, in the aggregate, \$2,500,000 in specie.

DRAFT RIOT IN NEW HAMPSHIRE. GREAT FALLS, N. H., Oct. 10.—A mob at Jackson, in this State, on Thursday night, burned the hotel where the Deputy Provost Marshal was stopping. While serving notices on the drafted men he narrowly escaped with his life. He has just passed through this place en route for Portsmouth, to obtain the necessary military assistance.

DEPARTMENT OF EAST VIRGINIA. WASHINGTON, Oct. 9.—The following dispatch has been received at the headquarters of the army here: FORTRESS MONROE, Va., Oct. 9. Major General H. W. Halleck, General-in-Chief: I have the honor to report that the expedition sent out on Sunday, under Gen. Wistar, to break up or capture the guerrillas and boat crews organized by the enemy in Mathews county, has returned, having in the main accomplished its object.

Four rebel naval officers, twenty men, and twenty-five head of cattle belonging to the Confederate Government, together with horses and arms, are the results. Large numbers of rebel boats were destroyed. Our loss is one man killed. Gen. Wistar reports the 4th United States infantry (colored) making thirty miles in one day with no stragglers. J. G. FOSTER, Major General Commanding.

DEPARTMENT OF THE MISSISSIPPI. GEN. JOHNSON REPORTED AT CANTON WITH 15,000 TROOPS—REBEL REPORTS. ST. LOUIS, Oct. 9.—The Democrat, of this city, has a special dispatch from Vicksburg, dated Sept. 30, which says: General Joe Johnston is at Canton, Miss., with 15,000 troops. His supposed design is to prevent reinforcements from going to Gen. Rosecrans.

Gen. Stephen D. Lee has 4,000 rebel cavalry near Vicksburg. Gen. Johnson says their victories are useless unless they crush Gen. Rosecrans before reinforcements reach him.

GEN. SHERMAN'S REPORT. Gen. Sherman, commanding the 15th Army Corps, reports to headquarters the following: The best inhabitants of Mississippi are all clamoring for peace; on terms acceptable to all who do not aim at the destruction of that part of the United States. He thinks, also, that no hostile army will be required to visit the interior of that State.

ARMY OF THE FRONTIER. ST. LOUIS, Oct. 9.—The Democrat has a special dispatch from Leavenworth, saying: Intelligence having reached Fort Scott of a threatened attack on Fort Smith, Gen. Blunt left the former post for the latter one on Sunday last.

The rebel Gen. Cobell, with about 10,000 men from Gen. Cooper's rebel force, crossed the Arkansas river east of Fort Smith, on the 1st inst., and joined Gen. Coffee at Crooking Prairie, Missouri.

Gen. Cobell was determined to make a raid into Arkansas or Missouri. On the receipt of this intelligence all the Federal cavalry in the Kansas district, and a battery, were sent to Fort Scott.

A letter from Fort Scott, dated the 7th inst., says: "Lieut. Tappin, of Gen. Blunt's staff, has arrived here. He reports that all Blunt's staff and body-guard have been captured by the rebels, and also the command under Lieut. Pond, at Baxter's Springs."

"Gen. Blunt had succeeded in getting ten miles away, but it was uncertain whether he had escaped or not. "The rebels were under Quantrell, Hunter and Gordon, and were moving towards Fort Scott."

There was no danger of Fort Scott being taken, it being abundantly strong enough to resist any attack."
