PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whisky or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed. This class of Bitters has caused, and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Acoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upons drunkard's life and death. unkard's life and death

For those who desire and will have a Liquor Bitters, we publish the following receipt: Get One Bottle Hooftand's German Butters and mix with Three Quarts of good Brandy or Whisky, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hooftand's Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

From Rev. J Newton Brown, D. D., Editor of Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrist of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus centribute to the benefit of others.

in the hope that he may thus centribute to the benefit of others.

I do this more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Baq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by wident relief and restoration to a degree of bedily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

Those suffering from MARASMUS, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases will have a most surprising effect.

Having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters. LITERARY MEN, STUDENTS, And those working hard with their brains, should all ways keep a bottle of HOOFLAND'S BITTERS near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing.

IT IS NOT A LIQUOR STIMULANT, And leaves no prostration. Attention, Soldiers!

AND THE FRIENDS OF SOLDIERS. We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.
