PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whisky or common rum, costing from 20 to 40 cents per gallon, the taste disquised by Amise or Coriander Seed. This class of Bitters has caused, and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Acoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death. drunkard's life and death.

ficial effects and medical virtues of these Bitters.

From Rev. J Newton Brown, D. D., Editor of Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingradients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

In the hope was as a way state constitute to the sense of others.

I do this more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were thiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bedily and mental vigor which I had not felt for six months before, and had simost despaired of regaining. I therefore thank God and my friend, for directing me to the use of them.

DELICATE CHILDREN,

Those suffering from MARASMUS, wasting away, with scarcely any flesh on their bones, are cured in a very short time; one bottle in such cases will have a most surprising effect.

PARENTS Having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters.

LITERARY MEN, STUDENTS, And those working hard with their brains should >1 rays keep a bottle of HOOFLAND'S EITTERS near ways keep a bottle of HOOFLAND'S RITTERS near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing. Attention, Soldiers!

AND THE FRIENDS OF SOLDIERS. We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that if these Bitters were freely used among our soldiers, hundreds of lives might be sayed that otherwise would be lost.
