This class of Bitters has caused, and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Acoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard; life and death.

resarying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

From Rev. J Newton Brown, D. D., Editor of Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus centribute to the benefit of others.

Ido this more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to ray friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper teste, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief and restoration to a degree of bedily and mental vigor which I had not felt for six months before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

J. NEWTON BROWN. recting me to the use of them J. NEWTON BROWN.
Philadelphia, June 23, 1861.

DISEASES OF KIDNEYS and BLADDER, In Young or Aged, Male or Female,

are speedily removed, and the patient restored to health. DELICATE CHILDREN.

Those suffering from MARASMUS, wasting away, with scarcely any firsh on their bones, are cured in a very short time; one bottle in such cases will have a most surprising effect.

PARENTS

Having suffering children as above, and wishing to raise them, will never regret the day they commenced with these Bitters. LITERARY MEN, STUDENTS, And those working hard with their brains, should >1 wass keep a bottle of HOOFLAND'S BITTERS near them, as they will find much benefit from its use, to both mind and body, invigorating and not depressing. IT IS NOT A LIQUOR STIMULANT, And leaves no prostration.

Attention, Soldiers!

AND THE FRIENDS OF SOLDIERS, We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine-tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the cick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. We have no hesitation in stating that if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise would be lost.

The proprietors are daily receiving thankful letters from suff-rers in the army and hospitals, who have been restored to health by the use of these Bitters, sent to them by their friends.
