LOCAL NEWS.

NOTICE.—Rev. Mr. Fox, of the German Reformed church, will preach in the German language in the Good Will engine house, Ridge road, on Sunday morning at 10½ oclock.

EVILS OF LYING.—The medical journals descant upon the evils of lying in bed. The habit of lying out of bed is a greater evil. The world is given to lying anyhow, and what's the use in quarreling with a necessary evil?

SECOND LUTHERAN CHURCH.—The Second Lutheran congregation will hold their services in the lecture room of the Baptist church, corner of Pine and Second streets, to-morrow morning at half past ten o'clock. Preaching by the pastor, Rev. E. S. Johnston.

SINGULAR ACCIDENT.—On Wednesday of last week, Ogden Weed, a man of about 60 years of age, fell over the bank of the Susquehanna river, near Susquehanna Depot, Pa., and longed between the limbs of a tree, and there was suspended by the head until he expired.

GREENBACKS.—The total amount of one and two dollar notes issued as national currency was $33,776,000. Of these there are now outstanding $33,725,607. The total amount of five dollar notes issued was $87,655,000. The total issue of ten dollar notes amounts to $93,960,000.

WHAT PENNSYLVANIA HAS DONE.—Of the $1,276,000 soldiers raised for the war since it was commenced, 200,306 have been furnished by Pennsylvania. Of this number, 151,257 are three years' volunteers. The six New England States together have raised 288,642, or over 12,000 less than Pennsylvania alone.

SALE OF COAL.—Twenty thousand tons of coal of different quality and sizes, were sold at auction in New York on Wednesday. The coal was sold in lots of from 100 to 1,000 tons, and prices ranged from $7 to $10. Including freight, &c., the average cost to the New York purchaser will be about $10.45 per ton for best quality.

A SWINDLER.—The public is cautioned against Walter T. Tinsley, who advertises that he has an art which cost him $1,000, which he will communicate for $1, and which will enable the operator to make a fabulous fortune in "less than no time." It would be safe to bet that Tinsley will secure hundreds of dollars by this swindle, before he falls into the hands of the New York police.

ALL RIGHT.—The Allentown "Democrat" of last week hoists the name of Gen. GEO. E. M'CLELLAN for President in 1864. The Stroudsburg "Democrat" and the Phillipsburg "Standard" do the same thing. All right—keep it there! There is no better name in the country. It is as good as the gold, and is bound to win at the ballot-box as well as in the field.

GOVERNMENT PRINTING OFFICE.—There are about five hundred names on the pay roll of the Government printing office at Washington, including men, women and children. In the Congressional department there are one hundred and twelve compositors. The President visited the office the other day, and was boquetted by the fair employees of the establishment.

ADAMS EXPRESS COMPANY ROBBED.—The building occupied by the Adams Express Company, at Uniontown, was entered by burglars on Saturday night, and the safe, containing about $2,500 in money, carried off. The authorities have been active in their endeavors to detect the thieves, but thus far have been unable to discover the slightest trace of their whereabouts.

EVADING THE INCOME TAX.—Joseph Detweiler, of York county, Pa., was arrested on Wednesday, by Deputy United States Marshal Schuyler, on the charge of attempting to evade the income tax. It is alleged that he divided his property among his children, so that it should not come within the provisions of the law. The case bids fair to be interesting, as it is the first one of the kind brought to the notice of the United States authorities in Philadelphia.

HORSES FOR THE ARMY.—Large numbers of horses, with the U. S. brand upon them, are passing through this city every few days, on their way to Washington. They are designed for the Army of the Potomac, in which horses are used up to an extent almost incredible. Exposure to the weather, hard service, want of care, food, &c., soon render the best horses useless for either cavalry or artillery. It is said the average life of the cavalry horse is about six months.

NO GAS.—On account of the coal famine, occasioned by the continued low stage of water in the Ohio river, the citizens of Louisville, Ky., have been without gas for the past three weeks. As there is still no sign of a coal boat rise, they will have to remain in darkness for some time longer, or else resort to carbon oil. There are at least 5,000,000 bushels of coal afloat at Pittsburg, waiting to start on the first rise, which does not seem very close at hand. Coal is now selling in Cincinnati at 90 cents per bushel.

TERRIBLE ACCIDENT.—On Thursday night, Mrs. Ellen Maloney, a lady 60 years of age, was burned to death in Pittsburg, together with Mary Ann and Emma Daily, twin sisters, aged about 4 years. Mrs. Maloney was in the act of putting the children to bed, when by accident the bed clothes took fire, and before the flames could be extinguished the old lady and the children, having first been suffocated by the smoke, were burned to death before they could be rescued. The fire companies were promptly on the spot, extinguished the flames, and saved the charred bodies from being entirely consumed.

THE CEMETERY.—It is important that a correct record should be kept by the board of trustees of all the interments made in the cemetery, in order that these records may be referred to hereafter by those in search of the time and cause of death and the place of burial of some friend or relative long since dead. To this end, the Secretary of the board has requested lot holders to furnish to the Treasurer the name, age, sex and cause of death of persons to be buried, at the same time that application for a permit is made. This will insure a perfect record, and will also furnish interesting data to statisticians.

HARRISBURG THESPIAN SOCIETY.—Brant's Hall will be specially attractive to-night. On this occasion the Thespians will produce two fine plays and an amusing interlude, the various characters of which will be sustained by all the ability which has heretofore marked the performances of this association. By special request, the popular and laughable drama of "The Toodles" will be repeated, with former cast of characters throughout. Mr. Morton's able and amusing rendition of "Toodles" is alone worth the price of admission. The performance will commence with a new farce, entitled "The Irish Tutor," with Taylor as "Teddy O'Rourke," De Huff as "Dr. Flail," Kemble as "Charles," Jester as "Tillwell," Miss Llewellyn as "Rosa," and Mrs. Howard as "Mary." Judging from the excellent manner in which these amateurs have hitherto sustained their parts, there can be no doubt about this play proving a good thing.

As the object of this enterprise is of a charitable nature, we hope that all our citizens will lend it their countenance and aid. Let the amateurs have a full house.

POLICE ARRESTS.—*Before Alderman Kline*—Our report begins with Thursday morning. The prevailing color of the squad of culprits that confronted the Alderman on that morning was black, as will more fully and at large appear by reference to what follows:

Dick M'Carrol, Dan. Robinson and Alex. Williams, colored, were arrested by officer Campbell on Wednesday night, charged by George Harrison with having stolen from him a pocket book containing $10. They were released on Thursday morning, after paying costs and promising to restore the stolen money.

George Harrison, colored, who figures as the principal sufferer in the above case, was up for drunkenness, and was discharged after paying $1 and costs. Arrested by Massey.

James Greenly, colored, drunk, arrested by Callender, paid $1 and costs, and was emancipated by the magistrate from further service.

William J. Randolph, a Caucasian, arrested by Massey for drunkenness, had a hearing and was set at liberty.

John Wise, white trash, was taken up for vagrancy by Callender, lodged in the lock-up over night, and set adrift again in the morning.

The following is a list of the cases brought from the lock-up yesterday morning:

Julia Holly, a vagrant, arrested by officer Massey, will pass "Holly-eve" in retirement, having been committed to prison for a term of ten days.

John Wise, who had been up for vagabondizing and discharged the day before, was re-arrested for vagrancy by Callender, on Thursday night, and was again discharged in the morning.

Joseph Weltmer, who has been at police headquarters rather frequently of late, was yesterday arrested as a vagrant by officer Massey, and was committed for twenty days. His head was bleeding profusely from a cut in the temple, caused by an unlucky fall. Unfortunate Joe! he has been traveling over a down grade latterly, and seems unable to put down the brakes.

Henry Ellingsworth and Leonard Mortz, arrested by Massey for drunkenness, each paid $1 and costs, and were discharged.

HALLOW-E'EN.—To-night is All-hallow-e'en, which in former times was celebrated by the mother church with mass and other appropriate religious ceremonies. The term before All-saints day (the 1st of November) was known as Hallowmass; and the night before All-saints day, from its solemn religious observances, was called "Holy eve," which has since been corrupted into "Holly. eve." The present style of celebrating this occasion was initiated, we believe, by the Scotch Protestants, whose stern puritanical prejudices sought that method of bringing the customs of the mother church into ridicule and disrepute. By them it was made a grand gala night, in which ardent spirits and disembodied spirits had things pretty much their own way; the "land 'o cakes" was peopled thickly with brownies, elfs, hags, fairies, &c., on that night, and the young folk consulted the fates through charms and incantations innumerable. Fortunes were told and future husbands and wives revealed by the aid of these charms, to the younger ones, while those of riper years told stories of their earlier days, and punished many a "pint stoup" of foaming ale. But those good old days have passed; the celebration of Hallow-e'en has sunk a degree lower still in these latter times; and the occasion is now only observed by the degenerate young Americans as one of extra license, on which they are privileged to pepper windows with corn, batter doors with cabbage heads, and play the juvenile devil generally.

DESERTER TO BE SHOT.—Richard S. Espy, of Brookville, Jefferson county, has been convicted of desertion by the court martial now in session at Pittsburg, over which Col. D. B. Morris presides. Espy was a captain in the three months' service, and subsequently a lieutenant in the nine months' service. During the recent draft he enlisted as a substitute, after which he deserted. After a fair and impartial investigation, he was convicted of the crime charged, and was sentenced to be shot. The papers in the case have been forwarded to Washington for approval, and, if approved, the execution will take place in Pittsburg.

They should, however, NOT be taken during the first three or four months of pregnancy, though safe at any other time, as miscarriage would be the result.

IMPORTANT TO FEMALES.

DR. CHEESEMAN'S PILLS.

The combination of ingredients in these Pills are the result of a long and extensive practice. They are mild in their operation, and certain in correcting all irregularities, painful menstruation, removing all obstructions whether from cold or otherwise, headache, pain in the side, palpitation of the heart, whites, all nervous affections, hysterics, fatigue, pain in the back and limbs, &c., disturbed sleep, which arise from interruption of nature.

DR. CHEESEMAN'S PILLS was the commencement of a new era in the treatment of those irregularities an obstruction which has consigned so many to a premature grave. No female can enjoy good health unless she is regular, and whenever an obstruction takes place the general health begins to decline.

DR. CHEESEMAN'S PILLS are the most effectual remedy ever known for all complaints peculiar to *Females*. To all classes they are invaluable, *inducing, with certainty, periodical regularity*. THE GREAT SECRET.—It is admitted by all physicians that the grand secret of health and long life lies in keeping the blood and various fluids of the body in a high degree of fluidity. When you feel continued pain in the head or bowels, or any continued uneasiness in any organ or other parts of the body, you can prevent serious sickness by taking

BRANDRETH'S PILLS.

Bleeding may give momentary ease, because the blood left will have more room. But as the body is made from the blood and sustained by the blood, to waste our blood is to waste our life and ruin our constitution. But Brandreth's Pills relieve the circulation as readily as bleeding by only taking away what it can well spare, and THEY NEVER HURT.

Mrs. Hooper, of Barnstable, Mass., was cured of St. Vitus Dance, General Debility, poorness of blood and costiveness of many years standing, by Brandreth's Pills. The case at length is published in the Pamphlets.

PENNSYLVANIA, SS:

In the Name and the Authority
OF THE
COMMONWEALTH OF PENNSYLVANIA,
ANDREW G. CURTIN,
Governor of the said Commonwealth.
A PROCLAMATION.

WHEREAS, The President of the United States, by Proclamation, bearing date on the Seventeenth day of October inst., has called for THREE HUNDRED THOUSAND VOLUNTEERS, to recruit the regiments now in the field from the respective States: *And whereas*, By information received this day, the quota of the State of Pennsylvania under said call is declared to be THIRTY-EIGHT THOUSAND TWO HUNDRED AND SIXTY-EIGHT MEN, (38,268): *And whereas*, The President, in his said Proclamation, requests the Governors of the respective States to assist in raising the force thus required:

Now, therefore, I, Andrew G. Curtin, Governor of the Commonwealth of Pennsylvania, do earnestly call on the good and loyal freemen of this Commonwealth, to enlist in the service of the United States, under the Proclamation aforesaid, so that the required quota may be made up before the Fifth day of January next, on which day the President announces that a draft will be commenced for any deficiency that may then exist in the same.

The freemen of Pennsylvania enlisting under this call will be attached to regiments from this State. All who are willing to enlist are requested to present themselves at once, for that purpose, to the United States Provost Marshals' recruiting and mustering offices, in their respective cities, towns and counties. They will receive the following sums as allowance, pay, premium and bounty, viz:

To every recruit who is a *veteran volunteer*, as defined in General Orders of the War Department of June 25, 1863, No. 191, for recruiting *veteran volunteers*, one month's pay in advance, and a bounty and premium amounting to $402. To all other recruits, not veterans, accepted and enlisted as required in existing Orders, one month's pay in advance, and in addition a bounty and premium amounting to $302.

Any further information desired can be obtained from the Provost Marshals of the respective districts.

In making this appeal to the good and loyal freemen of Pennsylvania, I feel entire confidence that it will be effectually responded to. The approaching expiration of the term of enlistment of the men now in the field renders it necessary to replenish our regiments. Let us maintain the glory which their valor and conduct have reflected on the Commonwealth, and let our people show, by their promptness and alacrity on this occasion, that they have not abated in courage or love of country, or in the determination that the unholy rebellion, already stunned and staggering, shall be utterly crushed and extinguished.

Given under my hand and the Great Seal of the State, at Harrisburg, this twenty-eighth day of October, in the year of our Lord one thousand eight hundred and sixty-three, and of the Commonwealth the eighty-eighth.

ANDREW G. CURTIN.

HOOFLAND'S GERMAN BITTERS
WILL CURE THEM.

Dyspepsia and Liver Disease.

Do you rise with a coated tongue mornings, with bad taste in the mouth and poor appetite for breakfast? Do you feel when you first get up so weak and languid you can scarcely get about? Do you have a dizziness in the head at times, and often a dullness, with headache occasionally? Are your bowels costive and irregular, and appetite changeable? Do you throw up wind from the stomach, and do you swell up often? Do you feel a fulness after eating, and a sinking when the stomach is empty? Do you have heartburn occasionally? Do you feel low spirited, and look on the dark side of things? Are you not unusually nervous at times? Do you not become restless, and often lay until midnight before you can go to sleep? and then at times, don't you feel dull and sleepy most of the time? Is your skin dry and scaly? also sallow? In short, is not your life a burthen, full of forebodings?

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whisky or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed. This class of Bitters has caused, and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Acoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and *will have* a Liquor Bitters, we publish the following receipt: Get *One Bottle Hoofland's German Bitters* and mix with *Three Quarts of good Brandy or Whiskey*, and the result will be a preparation that will *far excel* in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will *cost much less*. You will have all the virtues of *Hoofland's Bitters* in connection with a *good* article of Liquor, at a much less price than these inferior preparations will cost you.

The Proprietors have thousands of letters from the most eminent

CITIZENS,
Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

From Rev. J. Newton Brown, D. D., Editor of Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of others.

I do this more readily in regard to "Hoofland's German Bitters," prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend, Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by
