Charming News to the Public.

The undersigned have the pleasure to inform the public generally, that they have just returned from New York and Philadelphia, with a large and desirable lot of Dry Goods, which they have unpacked and are now displaying to a great crowd of customers.

To the Ladies and Gentlemen,
We would say, that such a handsome lot of dress goods was never before exhibited in this place, as it will be utterly impossible for us to enumerate various articles that compose this stock of goods; we will only say that we invite one and all to come and see us. We show goods very willingly free of charge. We do not make it our business to say that we sell 20 or 40 per cent cheaper than our competitors—but we do say that we sell as cheap and durable goods as any of our neighbors. Our motto is, that the goods will recommend themselves the best.
