Pure Fresh Cod Liver Oil. This new and valuable Medicine, now used by the Medical profession, with such astonishing efficacy in the cure of pulmonary consumption, scrofula, chronic rheumatism, gout, general debility, complaints of the kidneys &c., &c., is prepared from the liver of the cod fish for medicinal use, expressly for our sales.

(Extract from the London Medical Journal.) "C. J. B. Williams, M.D., F.R.S., Professor of Medicine in University College, London, Consulting Physicians to the Hospital for Consumption, &c., says I have prescribed the Oil in the above four hundred cases of tubercular disease of the Lungs, in different stages, which have been under my care the last two years and a half. In the large number of cases, 200, out of 234, its use was followed by marked and unequivocal improvement, varying in degree in different cases from a temporary retardation of the progress of the disease and a mitigation of distressing symptoms, up to a more or less complete restoration to apparent health.

"The effect of Cod Liver Oil in most of these cases was very remarkable. Even in a few days the cough was mitigated, the expectation diminished in quantity and opacity, the night sweats ceased, the pulse became slower, and of better volume, and the appetite, flesh and strength were gradually improved.

"In conclusion; I repeat, that the pure fresh oil from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any agent, medicinal, dietetic or regional, that has yet been employed.

"As we have made arrangements to procure the Cod Liver Oil, fresh from head-quarters; it can now be had chemically pure by the single bottle, or in boxes of one dozen each.

Its wonderful efficacy has induced numerous spurious imitations. As its success depends entirely on its purity, too much care cannot be used in procuring it genuine. Every bottle having on it our written signature, may be depended upon, as genuine.

Pamphlets containing an analysis of the Oil, with notice of it from Medical Journals, will be sent to those who address use free of postage. JOHN C. BAKER & CO., Wholesale Druggists and Chemists, No. 100

These contributions, including some of the most brilliant Magazine articles any where to be found, are entirely original, being written expressly for our Magazine, and not selected from other publications.

If we cannot attract distinguished names of our list of contributors by the liberality of our prices, or the respectability of our Magazine, we assuredly shall not try to gain the appearance of it, by taking extracts from authors of great name, and so mixing them up in our table of contents, and they shall seem to be original.

Mr. Sartain, has entire control of the pictorial department, and beside embellishment from his own burin, he will be assisted by some of the best artists of this country.

Worn-out London steel engravings, which are used by some periodicals, will not find their way into the pages of "Sartain," under any circumstances. We aim to give the best, both in Literature and Art.
