Pure Fresh Cod Liver Oil.

This new and valuable Medicine, now used by the Medical profession with such astonishing efficacy in the cure of pulmonary consumption, serofula, chronic rheumatism, gout, general debility, complaints of the kindneys &c., &c., is prepared from the liver of the cod fish for medicinal use, expressly for our sales.

(Extract from the London Medical Journal.)
C. J. B. Williams, M.D., F.R.S., Professor of Medicine in University College, London, Consulting Physicians to the Hospital for consumption, &c., says: I have prescribed the Oil in the above four hundred cases of tuberculous disease of the Lungs, in different stages, which have been under my care the last two years and a half. In the large number of cases, 206, out of 234, its use was followed by marked and unequivocal improvement, varying in degree in different cases from a temporary retardation of the progress of the disease and a mitigation of distressing symptoms, up to a more or less complete restoration to apparent health.

"The effect of Cod Liver Oil in most of these cases was very remarkable. Even in a few days the cough was mitigated, the expectoration diminished in quantity and opacity, the night sweats ceased, the pulse became slower, and of better volume, and the appetite, flesh and strength were gradually improved."

"In conclusion, I repeat, that the pure fresh oil from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any agent, medicinal, dietetic or regimenal, that has yet been employed."

As we have made arrangements to procure the Cod Liver Oil, fresh from headquarters, it can now be had chemically pure by the single bottle, or in boxes of one dozen each.

Every bottle having our written signature, may be depended upon as genuine. Pamphlets containing an analysis of the Oil, with notice of it from Medical Journals, will be sent to those who address us free of postage.
