

**Governor's Message.**

The Message commences with an eloquent acknowledgment of the services of the most high, as exemplified in the events of the past year, which has been one of much favor to the people of this Commonwealth, and then refers to the deep feeling of sympathy which has been excited by the patriotic struggle of the people of Europe to throw off their oppression.

ment of money for repairs, would be placed in officers directly accountable to the people. The repairs on the canals and railroads, if made by contract, and awarded to the lowest bidder, it is not doubted by the executive, would procure a result highly favorable to the public interests; and it is also urged that the canal commissioners should be required to invite proposals for furnishing motive power on the Columbia railroad, and that the transportation of passengers should be done by contract with the lowest bidder, by which it is believed the public interests would be advanced by lessening the expenses of the road and increasing the income therefrom more than Two Hundred thousand dollars.

**Brandreth's Pills,**  
FOR THE CURE OF  
**Consumption, Coughs, Colds, &c.,**  
TO THE PUBLIC!!  
"THOSE who are suffering from remitting or Intermitting Bilious Complaints, should read the following, and be guided thereby."  
**Cause of Pain.**—Pain is the consequence of the extension of the organ or part where it is present; it may be morbid or corrupt humors, for no pain can exist but from the presence of those matters which are of an unhealthy character. When we have pain in the head, in the bowels, or in any other part of the body, it only proves the presence of matters which the blood is trying to remove, and it is this struggle which is the occasion of pain. To be cured, only removes the anguish in proportion to the amount of life is reduced, and the same may be said of all halting or soothing remedies. Not so with Brandreth's Pills; they at once go to the assistance of the blood in aiding it to discharge bad humors, to conquer the Death Principle. To relieve pain in this way does not leave any bad effects. The Life Principle is not reduced, nor are the teeth destroyed; but all the organs are cleansed and their health insured.  
The above Pills are for sale by the dozen or single box at the Register Office in Allentown.
