

### Highly Important

#### From Washington.

A dissolution of the Union threatened! Six days have now elapsed at an expense of \$1,000,000 a day to the government, and no organization of the House of Representatives yet! The public is beginning to entertain a fearful idea of the safety of this country, and the safety of the great and powerful Republic! But still the news do not create as much sensation as the arrival and unpacking of "Old Schurman's" second purchase of Winter Goods. The masses are astonished why it is, that other merchants cannot sell at the same low prices as he does, the secret, however is easily dissolved, it's because the "Old Man" knows how to buy cheaper than others. He therefore extends a general invitation to all classes to come and examine his wonderful stock of Goods now being displayed for inspection, before purchasing elsewhere.
