Pure Fresh Cod Liver Oil.

This new and valuable Medicine, now used by the Medical profession with such 20 tons, which he offers to sell in lots to astonishing efficacy in the cure of pulmonary consumption, scrofula, chronic rheumatism, gout, general debility, complaints of the kindeys &c., &c., is prepared from the liver of the cod fish for medicinal use, expressly for our sales.

(Extract from the London Medical Journal.) "C. J. B. Williams, Mr, D., F. R. S., Professor of Medicine in University College, London, Consulting Physicians to the Hospital for consumption, &c., says; I have prescribed the Oil in the above four hundred cases of tuberculous disease of the Lungs, in different stages, which have been under my care the last two years and a half. In the large number of cases, 200, out of 234, its use was followed by marked and unequivocal improvement, varying in degree in different cases from a temporary retardation of the progress of the disease and a mitigation of distressing symptons, up to a more or less complete restoration to ap-

parent health. "The effect of Cod Liver Oil in most of these cases was very remarkable. Even in a few days the cough was mitigated, the expectoration diminished in quantity and pacity, the night sweats ceased, the pulse pecame slower, and of better volume, and the appetite, flesh and strength were gradually improved.

"In conclusion, I repeat, that the pure fresh oil from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any agent, medicinal, dietetic or regimenal, that has yet been em-
