# Pure Fresh Cod Liver Oil.

This new and valuable Medicine, now used by the Medical profession with such ustonishing efficacy in the cure of pulmonary consumption, scrofula, chronic rheuma-tism, gout, general debility, complaints of the kindeys &c., &c., is prepared from the liver of the cod fish for medicinal usc, expressly for our sales.

(Extract from the London Medical Journal.) "C. J. B. Williams, Mr. D., F. R. S. Professor of Medicine in University College, London, Consulting Physicians to the Hospital for consumption, &c., says; I have prescribed the Oil in the above four hundred cases of tuberculous disease of the Lungs, in different stages, which have been under my care the last two years and a half. In the large number of cases, 206, out of 234, its use was followed by marked and unequivocal improvement, varying in degree in different cases from a temporary retardation of the progress of the disease and a mitigation of distressing symptons, up to a more or less complete restoration to ap-

parent health. "The effect of Cod Liver Oil in most of these cases was very remarkable. Even in a few days the cough was mitigated, the expectoration diminished in quantity and opacity, the night sweats ceased, the pulse ecame slower, and of better volume, and the appetite, flesh and strength were gradually improved.

"In conclusion, I repeat, that the pure fresh oil from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any agent, medicinal dietctic or regimenal, that has yet been employed."

As we have made arrangements to procure the Cod Liver Oil, fresh from headayarters, it can now be had chemically pure

en each. Its wonderful efficacy has induced numerous spurious imitations. As its success depends entirely on its purity, too much care cannot be used procuring it genuine. Every bottle having on it our written signature, may be depended upon as genuine. Pamphlets containing an analysis of the

Oil, with notice of it from Medical Journals, will be sent to those who address use free of

Brandreth's Pills, FOR THE CURE OF

Consumption, Coughs, Colds, &c.,

TO THE PUBLIC !!

THOSE who are suffering from remit-ting or Intermitting Bilious, Complaints, should read the following, and be guided thereby :

Cause of Pain .- Pain is the consequence of the exertion of the organ or part where it is present to throw off morbid or corrupt humors, for no pain can exist but from the presence of those matters which are of an un-healthy character. When we have pain in the head, in the bowels, or in any other part of the body, it only proves the presence of matters which the blood is trying to remove, and it is this struggle which is the oc-casion of pain. To be bled, only removes the anguish in proportion as the amount of life is reduced, and the same may be said of all lulling or soothing remedies. Not so with Brandreth's Pills; they at once go to the assistance of the blood in aiding it to discharge bad humors, to conquer the Death
