Brandreth's Pills,
FOR THE CURE OF
Consumption, Coughs, Colds, &c.,
TO THE PUBLIC!

THOSE who are suffering from remitting or intermittent Bilious Complaints, should read the following, and be guided thereby:

Cause of Pain.—Pain is the consequence of the exertion of the organ or part where it is present to throw off morbid or corrupt humors, for no pain can exist but from the presence of those matters which are of an unhealthy character. When we have pain in the head, in the bowels, or in any other part of the body, it only proves the presence of matters which the blood is trying to remove, and it is this struggle which is the occasion of pain. To be cured, only removes the anguish in proportion as the amount of life is reduced, and the same may be said of all falling or soothing remedies. Not so with Brandreth's Pills; they at once go to the assistance of the blood in aiding it to discharge bad humors, to conquer the Death Principle. To relieve pain in this way does not leave any bad effects. The Life Principle is not reduced, nor are the teeth destroyed; but all the organs are cleansed and their health insured.

The above Pills are for sale by the dozen or single box at the Register Office in Allentown.

January 10.

Pure Fresh Cod Liver Oil.

This new and valuable medicine, now used by the Medical profession with such astonishing efficacy in the cure of *pulmonary consumption, scrophulous rheumatism, gout, general debility, complaints of the kidneys &c., &c.*, is prepared from the liver of the cod fish for medicinal use, expressly for our sales.

(Extract from the London Medical Journal.)
"C. J. B. Williams, M. D., F. R. S., Professor of Medicine in University College, London, Consulting Physicians to the Hospital for Consumption, &c., says: I have prescribed the Oil in the above four hundred cases of tuberculous disease of the Lungs in different stages, which have been under my care the last two years and a half. In the large number of cases, 200, out of 204, its use was followed by marked and unequivocal improvement, varying in degree in different cases, from a temporary retardation of the progress of the disease and a mitigation of distressing symptoms, up to a more or less complete restoration to apparent health."

The effect of Cod Liver Oil in most of these cases was very remarkable. Even in a few days the cough was mitigated, the expectoration diminished in quantity and opacity, the night sweats ceased, the pulse became slower, and of better volume, and the appetite, flesh and strength were gradually improved.

In conclusion, I repeat, that the pure fresh oil from the Liver of the Cod is more beneficial in the treatment of Pulmonary Consumption than any agent, medicinal, dietetic or regimenal, that has yet been employed.

It has made arrangements to produce the Cod Liver Oil, fresh from head-quarters, it can now be had chemically pure in *Wholesale bottles, or in boxes of one dozen.*

Its full efficacy has induced numerous testimonials. As its success depends entirely on its purity, so much care has been taken to procure it from genuine sources.

Each bottle contains 30 drops, and our written testimonials will be sent on application.
