The Undersigned respectfully informs his triends and the public in general, that he has lately taken the White Swan Hotel, in Race Street, Philadelphia, (formerly kept by Jacob Peters.)

The Swan Hotel, has lately undergone complete repairs and now stands second to none in the city in point of style and accommodation. The TABLE is well supplied with the best the season affords, the BAR with the choicest of Liquors, and prompt and obliging servants. He has several private parlors, in order to accommodate families, who may deem proper to favor him with their custom.

He has taken the house with a determination to spare no pains, or expense in making it convenient to his customers. He has large and commodious stables, good and attentive ostlers who will at all times be in attendance.

By punctual attendance to his customers, M. and a desire to render them comfortable in every respect, he expects a share of public patronage. GEORGE RAHN.

Brandreth's Pills, FOR THE CURE OF

Consumption, Coughs, Colds, &c., TO THE PUBLIC!!

THOSE who are suffering from remitting or Intermitting Bilious Complaints, should read the following, and be guided thereby: Cause of Pain .- Pain is the consequence of the exertion of the organ or part where it is present to throw off morbid or corrupt humors, for no pain can exist but from the presence of those matters which are of an un-

healthy character. When we have pain in the head, in the bowels, or in any other part of the body, it only proves the presence of matters which the blood is trying to remove, and it is this struggle which is the occasion of pain. To be bled, only removes the anguish in proportion as the amount of life is reduced, and the same may be said of all lulling or soothing remedies. Not so with Brandreth's Pills; they at once go to the assistance of the blood in aiding it to discharge bad humors, to conquer the Death Principle. To relieve pain in this way does not leave any bad effects. The Life Principle is not reduced, nor are the teeth destroyed; but all the organs are cleansed

and their health insured. The above Pills are for sale by the 50 dozen or single box at the Register Office follows:-Dear Sir: Thave precribed your Gargin Allentown.

In the large number of cases, 206, 612 00 out of 234, its use was followed by marked and unequivocal improvement, varying in \$3,831 81 degree in different cases from a temporary retardation of the progress of the disease 582 17 and a mitigation of distressing symptons, up

to a more or less complete restoration to apparent health. "The effect of Cod Liver Oil in most of these cases was very remarkable. Even in 536 bushels oats, 21 bushels flaxseed, $6\frac{1}{4}$ a few days the cough was mitigated, the expectoration diminished in quantity and opacity, the night sweats ceased, the pulse became slower, and of better volume, and the appetite, flesh and strength were gradu-

UNPARALLELLED in THE HISTORY of MEDICINE

AS THE MOST
Remarkable External Application ever Discovered ! Facts are Stubborn Things!!!

WHAT HAS BEEN DONE CAN BE DONE AWAIN. Ignorance of facts and philosophy, however, start at the assertion that any one remedy, campossess within itself the virtue of curing many diseases. Experience of more than fourteen years-has nevertheless established the fact that Merch-ant's celebrated Gargling Oil, or Universal Family Embrocation, will crue most cases, and retieve all süch as Spavins, Sweeny, Ringbone, Windgalls, Poll Evil;

Callons, Cracked Heels, Galls of all kinds, Fresh Wounds, Sprains, Bruises, Fistula, Sitfast, Strains Lameness, Sand Cracks, Foundered, Feet, Seratches or Greece, Mange, Rheumus-tism, Bites of Animals, Externaloisons; Painful Nervous Affections, Frost Biles., Boils Corns, Whitlows, Burns and Scalds,

Chilblains, Chapped Hands Cramps, Contraction of the Muscles, Swellings, Weekness of the Joints, Caked-Breasts, &c., &c., &c., &c. The celebrated Doct. Parker also writes as

ling Oil in various cases of Practical Surgery. as a liniment, with marked success; and would commend it to physicians generally for external use in all contutions, tumors, sprains, white swell ings, and in all rhumatic affection, where external means are necessary. As a discutent it is harmless where the februle symptoms have been reduced by general treatment. In such cases i

is the most efficient remedy within the circle of means now in use. I would also recommend it to community as large as a safe and powerful remedy where there is no general fever in all the above diseases to be used freely and to counteract inflamation in a remarkable manner. In bruised wounds it

prevents swelling and consequent soreness in hot weather. From the peculiar nature of this Oil, and the unparalleled success it has met within the hands

Farrier, Farmer and Stage Proprietor, it is but justice to say, that of the great number of medicines which have been offered, none have been so well adapted to the prompt cure of diseases ; to which horses are hable; it has been very justly called a complete PANACKA FOR THE House. For instance read the following : To Owners of Horses.

This may certify that I have had for many years the care of from 100 to 200 Horses and having made use of Merchant's Gargling Oil for 2. years past and can safely say, that for all the diseases that horses are liable to, I never saw its equal. I use about one bottle per month, and recommend it to the public, as the best medicine for horses now in use. E. D. !
