## Brandreth's Pills,

FOR THE CURE OF Consumption, Coughs, Colds, &c., TO THE PUBLIC!

THOSE who are suffering from remitting or Intermitting Bilious Complaints, should read the following, and be guided thereby:

Cause of Pain.—Pain is the consequence of the exertion of the organ or part where it is present to throw off morbid or corrupt humors, for no pain can exist but from the presence of those matters which are of an unhealthy character. When we have pain in the head, in the bowels, or in any other part of the body, it only proves the presence of matters which the blood is trying to remove, and it is this struggle which is the occasion of pain. To be bled, only removes the anguish in proportion as the amount of life is reduced, and the same may be said of all lulling or soothing remedies. Not so with Brandreth's Pills; they at once go to the assistance of the blood in aiding it to discharge bad humors, to conquer the Death Principle. To relieve pain in this way does not leave any bad effects. The Life Principle is not reduced, nor are the teeth destroyed; but all the organs are cleansed and their health insured.

The above Pills are for sale by the dozen or single box at the Register Office in Allentown. 6-1y

## G. W. MERCHANT'S CELEBRATED

## CARCLING OIL.

FOR HORSES.

UNPARALLELED IN THE HISTORY OF MEDICINE.

AS THE MOST Remarkable External Application ever Discovered!

Facts are Stubborn Things!

WHAT HAS BEEN DONE CAN BE DONE AGAIN.

Ignorance of facts and philosophy, however, start at the assertion that any one remedy can possess within itself the virtue of curing many diseases. Experience of more than fourteen years has never less established the fact that Merchant's celebrated Gargling Oil, or Universal Family Embrocation, will cure most cases, and relieve all such as

Spavins, Sweeney, Ringbone, Windgalls, Poll Evil, Colic, Cracked Heels, Galls of all kinds, Fresh Wounds, Sprains, Bruises, Fistula, Stiffness, Strains, Lameness, Sand Cracks, Founder, Feet, Scalds or Grease, Hinges, Rheumatism, Bites of Animals, External Burns, Painful Nerves, Affections of the Feet, Blows, Bank Curbs, Withers, Burns of Scalds, Chilblains, Chopped Hands' Complaint, Contraction of the Joints, Caked Breasts, &c., &c., &c., &c.

The celebrated Doct. Parker also writes as follows:—Dear Sir: I have prescribed your Gargling Oil in various cases of

Practical Surgery.

as a liniment, with marked success; and would commend it to physicians generally for external use in all contusions, tumors, sprains, white swellings, and in all rheumatic affections, where external means are necessary. As a discutient it is harmless where the febrile symptoms have been reduced by general treatment. In such cases it is the most efficient remedy within the circle of means now in use.

I would also recommend it to community at large as a safe and powerful remedy where there is no general fever in all the above diseases to be used freely and to counteract inflammation in a remarkable manner. In bruised wounds it prevents swelling and consequent soreness in hot weather.

From the peculiar nature of this Oil, and the unparalleled success it has met within the hands of the

Farrier, Farmer and Stage Proprietor, it is but justice to say, that the great number of medicines which have been offered, none have been so well adapted to the prompt cure of diseases; to which horses are liable; it has been very justly called a complete PANACEA for the Horse. For instance read the following:

To Owners of Horses.

This may
