Brandreth's Pills. FOR THE CURE OF Consumption, Couyhs, Colds, &c.,

TO THE PUBLIC !! THOSE who are suffering from remitting or Intermitting Bilious Complaints, should read the following, and be guided

thereby : Cause of Pain .- Pain is the consequence of the exertion of the organ or part where it is present to throw off morbid or corrupt humors, for no pain can exist but from the presence of those matters which are of an un-healthy character. When we have pain in the head, in the bowels, or in any other part of the body, it only proves the presence of matters which the blood is trying to remove, and it is this struggle which is the occasion of pain. To be bled, only removes the anguish in proportion as the amount of life is reduced, and the same may be said of all lulling or soothing remedies. Not so with Brandreth's Pills ; they at once go to the assistance of the blood in aiding it to discharge bad humors, to conquer the Death Principle. To relieve pain in this way does not leave any bad effects. The Life Principle is not reduced, nor are the teeth destroyed ; but all the organs are cleansed

and their health insured. dozen or single Lex at the Register Offi in Allentown.
