THOSE who are suffering from remitting or Intermitting Bilious Complaints, should read the following, and be guided

thereby: Cause of Pain .- Pain is the consequence of the exertion of the organ or part where it is present to throw off morbid or corrupt humors, for no pain can exist but from the presence of those matters which are of an unhealthy character. When we have pain in the head, in the bowels, or in any other part of the body, it only proves the presence of matters which the blood is trying to remove, and it is this struggle which is the occusion of pain. To be bled, only removes the anguish in proportion as the amount of life is reduced, and the same may be said of start at the assertion that any one remedy can possess within itself the virtue of curing many with Brandreth's Pills 4 they at once go to the assistance of the blood in aiding it to discharge bad humors, to conquer the Death Principle.
