

# The Lehiah Register.

Circulation near 2000.

Allentown, Pa.

THURSDAY, JULY 25, 1850.

V. B. PALMER, Fsq., N. W. corner of Third, and Chesnut streets, Philadelphia, and 169 Nassau street, (Tribune Buildings,) New York, is our authorized Agent for receiving advertise- men of reading and reflection, and of practical ments and subscriptions to the Lehigh Register and collecting and receipting for the same Der Hon. James Cooper, United States Senator, will please accept of our thanks for valuable Congressional documents.

The Late Storm and Freshet.

The rain, which commenced falling on Tuesday before last, continued without intermission, violent storm of wind added much to the de- trigues to get themselves or friends pretty ofstruction of property, prostrating trees, shrub- blees, bery, &c., in all parts of the country.

The continuous rain, necessarily caused a such influences-men identified with the ingreat freshet in all the large and small streams terests of the body of the working pecide of all ferent streams.

The Big Lehigh tore to within four or five sell their votes and go into partnership with feet of the great lee freshet in 1811. The the ragabonds who infest the capitol to rob Coal and Lumber where swere overflown to and levy black-mail off of every man who the height of from 5 to 6 feet, and the Store has a claim, or private bill, Lefore the lohouses were completely submerged. Many gislature, no matter how just or proper in families living near the streams, removed their may be. house-hold goods.

The water in the Big Lohigh continued rise liberty to say, that it is a reproach to the forming until Thursday evening, when it was fear, "eas, preclaules, merchants and working men ed, that the splendid new Bridge across the of our State, that the speaking and acrive busiriver below our Borough would give way. It acess meanof the legislative bodies are so gencame to a stand however, and no serious dam- | etally young professional men. This ought no. age was done to private property, in the imme. to be so. The farmers, mechanics, metchanics diate neighborhood of Allentown. One half of and laboring men con, ilso the great mass of the Island Bridge is swept away.

We have, partial reports from up the river, from which we learn that at Mauch Chunk, a of talent. boatman in the act of fastening his boat, was drowned. We heard of a daring act performed by a german beatman, named David Miller, | observation, talking and debating. Debating who by a courageous act saved a number of boats from going down the river.

ed his two boats, laid himself unconcerned in his cabin, not dreaming of the danger he was in. His boats broke loose, the first in going over the dam below Mauch Chunk, was dashed to pieces. The other, in which he laid, in own selection, composed of a large maprix going over, was thrown out of the reach of the of themselves, dependent upon a few young receding current, went down the sticam a few lawyers, or now and then a young doctor, for miles, where he again landed on terre finary, the principal discussion of the subjects that escaping a watery grave with a lew bruises at
