RESOLUTION

Relative to an Amendment of the Constitution.

Resolved by the Senate and House of Representatives of the Commonwealth of Pennsylvania, in General Assembly met, That the Constitution of this Commonwealth be amended in the second section of the fifth article so that it shall read as follows: The Judges of the Supreme Court, of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, shall be elected by the qualified electors of the Commonwealth, in the manner following, to wit: The Judges of the Supreme Court, by the qualified electors of the Commonwealth at large; the President Judges of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, and all other Judges required to be learned in the law, by the qualified electors of the respective districts over which they are to preside or act as Judges; and the Associate Judges of the Courts of Common Pleas by the qualified electors of the counties respectively. The Judges of the Supreme Court shall hold their offices for the term of fifteen years, if they shall so long behave themselves well, (subject to the allotment hereinafter provided for, subsequent to the first election.) The President Judges of the several Courts of Common Pleas and of such other Courts of Record as are or shall be established by law, and all other Judges required to be learned in the law, shall hold their offices for the term of ten years, if they shall so long behave themselves well; the Associate Judges of the Courts of Common Pleas shall hold their offices for the term of five years, if they shall so long behave themselves well; all of whom shall be commissioned by the Governor, but for any reasonable cause, which shall not be sufficient grounds of impeachment, the Governor shall remove any of them on the address of two-thirds of each branch of the Legislature. The first election shall take place at the general election of this Commonwealth next after the adoption of this amendment, and the commissions of all the Judges who may be then in office shall expire on the first Monday of December following, when the terms of the new Judges shall commence. The persons who shall then be elected Judges of the Supreme Court shall hold their offices as follows: One of them for three years, one for six years, one for nine years, one for twelve years, and one for fifteen years, the term of each to be decided by lot by the said Judges, as soon after the election as convenient, and the result certified by them to the Governor, that the commissions may be issued in accordance thereto. The Judge whose commission will first expire shall be Chief Justice during his term, and thereafter each Judge whose commissions shall first expire, shall in turn be the Chief Justice, and if two or more commissions shall expire on the same day, the Judges holding them shall decide by lot which shall be the Chief Justice. Any vacancies, happening by death, resignation or otherwise, in any of the said courts, shall be filled by appointment by the Governor, to continue till the first Monday of December succeeding the next general election. The Presidents of the several Courts of Common Pleas shall, at stated times, receive for their services an adequate compensation, to be fixed by law, which shall not be diminished during their continuance in office; but they shall receive no fees or perquisites of office, nor hold any other office of profit under this Commonwealth, or under the government of the United States, or any other State of this Union. The Judges of the Supreme Court, during their continuance in office, shall reside within this Commonwealth; and the other Judges, during their continuance in office, shall reside within the district or county for which they were respectively elected.

CARLING OIL.

FOR HORSES.

UNPARALLELED IN THE HISTORY OF MEDICINE AS THE MOST Remarkable External Application ever Discovered!

Facts are Stubborn Things!!

WHAT HAS BEEN DONE CAN BE DONE AGAIN.

Ignorance of facts and philosophy, however, start at the assertion that any one remedy can possess within itself the virtue of curing many diseases. Experience of more than fourteen years, has nevertheless established the fact that Merck and his celebrated Carling Oil, or Universal Family Embrocation, will cure most cases, and relieve all such as

Sprains, Swellings, Ringbone, Windgalls, Poll Evil, Calfs, Cracked Heels, Galls of all kinds, Fresh Wounds, Sprains, Bruises, Fish-tail, Strains, Lameness, Sore Cracks, Puncture, Feet, Scalds or Grease, Mange, Itchiness, Bites of Animals, Ecleridiosis, Painful Nervous Affections, Frost Bites, Boils, Corns, Whitlows, Burns and Scalds, Chlostris, Chapped Hands, Cramps, Contractions of the Muscles, Swellings, Weakness of the Joints, Caked Breasts, &c., &c., &c., &c.

The celebrated Doct. Parker also writes as follows:—Dear Sir: I have prescribed your Carling Oil in various cases of

Practical Surgery,

as a liniment, with marked success; and would commend it to physicians generally for external use in all contusions, tumors, sprains, white swellings, and in all rheumatic affections, where external means are necessary. As a discutient it is harmless where the febrile symptoms have been reduced by general treatment. In such cases it is the most efficient remedy within the circle of means now in use.

I would also recommend it to community at large as a safe and powerful remedy where there is no general fever in all the above diseases to be used freely and to counteract inflammation in a remarkable manner. In bruised wounds it prevents swelling and consequent soreness in hot weather.

From the peculiar nature of this Oil, and the unparalleled success it has met within the hands of the

Carrier, Farmer and Stage Proprietor, it is but justice to say, that of the great number of medicines which have been offered, none have been so well adapted to the prompt cure of these diseases; to which horses are liable; it has been very justly called a complete Panacea for the Hoofs. For instance read the following:

To Owners of Horses.

This may certify that I have had for many years the care of from 100 to 200 Horses and having made use of Merck's Carling Oil for 2 years past and can safely say, that for all the diseases that horses are liable to, I never saw its equal. I use about one bottle per month, and recommend it to the public, as the best medicine for horses now in use.

E. D. MINOR.

Beware of COUNTERFEITS, and be sure the name of the Sole Proprietor GEO. W. MERKANT, Lockport, N. Y., is blown in the side of the bottle, and in his hand writing over the cork. Don't be persuaded to take anything else with the promise it is just as good &c. This is practised by those unprincipled dealers whose conscience will stretch like India Rubber, and who are of a kindred spirit of those in our large cities, whose nefarious practices have so recently been exposed to the action of Congress. All orders addressed to the proprietor will be promptly responded to.

Get a pamphlet of the Agent, and see what wonders are accomplished by the use of this medicine.

Sold by respectable dealers generally in the United States and Canada.
