Candidate for the Assembly.

To the Voters of Northampton and Lehigh Counties of This Congressional District:

Democratic Voters, Independent, Free Soilers, Workers, Farmers, Mechanics, Gentlemen, Gentlemen of Color, Irishmen, Germans, Africans, Sons of Adam, &c. &c.

The undersigned, long and favorably known as the most successful practitioner of a large and respectable community, having himself called upon, and surveyed the existing state of things, finds it needful to step forth, all in behalf of his country, is willing to relinquish the profound cares of his business (notwithstanding the consequent sacrifice of his customers) for the purpose of serving his fellow citizens in the capacity of a Representative to the State Legislature. Although fully aware of the *formidable* difficulty of the step he is about to take, the love of country and the knowledge of the fact that a large number of citizens are still wanting in order to keep pace with the progressive nature of the age, have induced him to lay aside all selfish considerations.

It is therefore only necessary for fellow citizens to give me your votes (enough to enable me to serve you) by signs, and trust to your wisdom (or rather want of it) for the success. I make no humbug promises, all of the coin, a candidate is guilty of.

In order to enable my friends and fellow citizens to give correct votes, I have erected a *platform* (a necessary article now-a-days for office seekers), and adopted a code of principles which cannot be misunderstood by the most illiterate voters of the county. It is as follows:
