RESOLUTION

Relative to an Amendment of the Constitution.

Resolved by the Senate and House of Representatives of the Commonwealth of Pennsylvania, in General Assembly met, That the Constitution of this Commonwealth be amended in the second section of the fifth article so that it shall read as follows: The Judges of the Supreme Court, of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, shall be elected by the qualified electors of the Commonwealth, in the manner following, to wit: The Judges of the Supreme Court, by the qualified electors of the Commonwealth at large; the Presidents of the Commonwealth of the several Courts of Common Pleas, and of such other Courts of Record as are or shall be established by law, shall be elected by the qualified electors of the respective districts over which they are to preside or act as Judges; and the Associate Judges of the Courts of Common Pleas by the qualified electors of the counties respectively. The Judges of the Supreme Court shall hold their offices for the term of fifteen years, if they shall so long behave themselves well, (subject to the allotment hereinafter provided for, subsequent to the first election) the President Judges of the several Courts of Common Pleas and of such other Courts of Record as are or shall be established by law, and all other Judges required to be learned in the law, shall hold their offices for the term of ten years; if they shall so long behave themselves well; if they shall so long behave themselves well; and the Associate Judges of the Courts of Common Pleas shall hold their offices for the term of five years, if they shall so long behave themselves well; all of whom shall be commissioned by the Governor, but for any reasonable cause, which shall not be sufficient grounds of impeachment, the Governor shall remove any of them on the address of two-thirds of each branch of the Legislature. The first election shall take place at the general election of this Commonwealth next after the adoption of this amendment, and the commissions of all the Judges who may be then in office shall expire on the first Monday of December following, when the terms of the new Judges shall commence. The persons who shall then be elected Judges of the Supreme Court shall hold their offices as follows: One of them for three years, one for six years, one for nine years, one for twelve years, and one for fifteen years, the term of each to be decided by lot by the said Judges, as soon after the election as convenient, and the result certified by them to the Governor, that the commissions may be issued in accordance thereto. The Judge whose commission will first expire shall be Chief Justice during his term, and thereafter each Judge whose commissions shall first expire, shall in turn be the Chief Justice, and if two or more commissions shall expire on the same day, the Judges holding them shall decide by lot which shall be the Chief Justice. Any vacancies, happening by death, resignation or otherwise, in any of the said courts, shall be filled by appointment by the Governor, to continue till the first Monday of December succeeding the next general election. The Judges of the Supreme Court and the Presidents of the several Courts of Common Pleas shall, at stated times, receive for their services an adequate compensation, to be fixed by law, which shall not be diminished during their continuance in office; but they shall receive no fees or perquisites of office, nor hold any other office of profit under this Commonwealth, or under the government of the United States, or any other State of this Union. The Judges of the Supreme Court, during their continuance in office, shall reside within this Commonwealth; and the other Judges, during their continuance in office, shall reside within the district or county for which they were respectively elected.

P. S. For further testimonials as to the efficiency of his method; he refers to the Medical Faculty of New York, who witnessed the application upon a gentleman, who was an inveterate stammerer, and had been operated upon by other Physicians, without the least benefit, and assisting as it may seem, Dr. Wyckoff cured him in 20 minutes, that he was able to speak and read with ease, without hesitation or semblance of Stammering.

Another Scientific Wonder! PEPSIN! AN ARTIFICIAL DIGESTIVE Fluid, or Gastric Juice!

A GREAT DISPEPSIA CURE!

Prepared from *Rennet*, or the fourth Stomach of the Ox, after directions of *Baron Liebig*, the great Physiological Chemist, by *J. S. Houghton*, M. D., No. 11, North Eighth Street, Philadelphia, Pa.

This is a truly wonderful remedy for *Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility*, curing after Nature's own method, by Nature's own agent, the Gastric Juice. Half a teaspoonful of this Fluid, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Digestion.—Digestion is chiefly performed in the stomach by the aid of a fluid which freely exudes from the inner coat of that organ, when in a state of health, called the Gastric Juice. This fluid is the Great Solvent of the Food, the Purifying, Preserving and Stimulating Agent of the stomach and intestines. Without it there will be no digestion—no conversion of food into blood, and no nutrition of the body; but rather a foul, torpid, painful, and destructive condition of the whole digestive apparatus. A weak, half dead, or injured stomach produces no good Gastric Juice, and hence the disease, distress and debility which ensue.

Pepsin and Rennet.—Pepsin is the chief element, or great digesting principle of the Gastric Juice. It is found in great abundance in the solid parts of the human stomach after death, and sometimes causes the stomach to digest itself, or eat itself up. It is also found in the stomach of animals, as the ox, calf, &c. It is the material used by farmers in making cheese, called *Rennet*, the effect of which has long been the special wonder of the dairy. The curdling of milk is the first process of digestion. *Rennet* possesses astonishing power. The stomach of a calf will curdle nearly one thousand times its own weight of milk. *Baron Liebig* states that, "One part of Pepsin dissolved in sixty thousand parts of water, will digest meat and other food." Diseased stomachs produce no good Gastric Juice, *Rennet* or *Pepsin*. To show that this want may be perfectly supplied, we quote the following

Scientific Evidence.—*Baron Liebig*, in his celebrated work on *Animal Chemistry*, says: "An Artificial Digestive Fluid may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Wilson & Co., New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than *Dr. Pereira*.

Dr. John W. Draper, Professor of Chemistry in the Medical College of the University of New York, in his "Text-Book of Chemistry," page 386, says, "it has been a question whether artificial digestion could be performed—but it is now universally admitted that it may be."

Professor *Dunlop* of Philadelphia, in his great work on *Human Physiology*, devotes more than fifty pages to an examination of this subject. His experiments with *Dr. Beaumont*, on the Gastric Juice, obtained from the living human stomach, and from animals are well known. "In all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

As a Dyspepsia Curer.—*Dr. Houghton's* preparation of *Pepsin* has produced the most marvellous effects, curing cases of *Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption*, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than 200 *Remarkable Cures*, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and from the astonishingly small quantity necessary to produce healthy digestion, is believed to act upon

Electro-Magnetic Principles!—There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms, and it only needs to be repeated, for a short time, to make these good effects permanent, purity of blood and vigor of body, follow at once! It is particularly excellent in cases of *Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold, state of the Blood, Heaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tendency to Insanity, Suicide, &c.*

Price one dollar per bottle. One bottle will often effect a lasting cure.

G. W. MERCHANT'S CELEBRATED

CARLING OIL.

UNPARALLELED IN THE HISTORY OF MEDICINE

AS THE MOST

Remarkable External Application ever Discovered!

Facts are Stubborn Things!!

WHAT HAS BEEN DONE CAN BE DONE AGAIN.

Ignorance of facts and philosophy, however, start at the assertion that any one remedy can possess within itself the virtue of curing many diseases. Experience of more than four centuries has never established the fact that *Mercant's* celebrated Carling Oil, or Universal Family Embrocation, will cure most cases, and relieve all such as

Spavins, Sweeney, Kingbone, Windgalls, Poll Evil, Calfs, Cracked Heels, Galls of all kinds, Fresh Wounds, Sprains, Bruises, Piodula, Sifts, Strains, Lameness, Sind Cracks, Pounded Feet, Scalds or Grease, Mange, Rheumatism, Bites of Animals, Eruptions, Painful Nervous Affections, Frost Bites, Itch, Corns, Whitlows, Burns and Scalds, Chilblains, Chapped Hands, Cramps, Contractions of the Muscles, Swellings, Weakness of the Joints, Catarrhs, Bruises, &c., &c., &c., &c.

The celebrated *Doct. Parker* also writes as follows:—Dear Sir: I have prescribed your Carling Oil in various cases of

Practical Surgery.

As a liniment, with marked success; and would commend it to Physicians generally for external use in all contusions, tumors, sprains, white swellings, and in all rheumatic affections, where external means are necessary. As a discutient it is harmless where the febrile symptoms have been reduced by general treatment. In such cases it is the most efficient remedy within the circle of means now in use.

I would also recommend it to community at large as a safe and powerful remedy where there is to be used freely and to counteract inflammation in a remarkable manner. In bruised wounds it prevents swelling and consequent soreness in hot weather.

From the peculiar nature of this Oil, and the unparalleled success it has met within the hands of the

Furrier, Farmer and Stage Proprietor, it is but justice to say, that of the great number of medicines which have been offered, none have been so well adapted to the prompt care of diseases to which horses are liable; it has been very justly called a complete PANACEA for the Horse. For instance read the following:

To Owners of Horses.

This may certify that I have had for many years the care of from 100 to 200 Horses and having made use of *Mercant's* Carling Oil for 2 years past and can safely say, that for all the diseases that horses are liable to, I never saw its equal. I use about one bottle per month, and recommend it to the public, as the best medicine for horses now in use.

Caution to Purchasers.

Beware of COUNTERFEITS, and be sure the name of the Sole Proprietor GEO. W. MERCHANT, Lockport, N. Y., is blown in the side of the bottle, and in his hand writing over the cork. Do not be persuaded to take anything else with the promise it is just as good &c. This is practiced by those unprincipled dealers whose conscience will stretch like India Rubber, and who are of a kindred spirit of those in our large cities, whose nefarious practices have so recently been exposed in the action of Congress.

All orders addressed to the proprietor will be promptly responded to.

Get a pamphlet of the Agent, and see what wonders are accomplished by the use of this medicine.
