Another Scientific Wonder!

PEPSIN!

AN ARTIFICIAL DIGESTIVE Fluid, or Gastric Juice!

A GREAT DISPEPSIA CURE!

Prepared from *Rennet*, or the fourth Stomach of the Ox, after directions of *Baron Liebig*, the great Physiological Chemist, by *J. S. Houghton, M. D.*, No. 11, North Eighth Street, Philadelphia, Pa.

This is a truly wonderful remedy for *Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility*, curing after Nature's own method, by Nature's own agent, the Gastric Juice.

Half a teaspoonful of this Fluid, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Digestion.—Digestion is chiefly performed in the stomach by the aid of a fluid, which freely exudes from the inner coat of the stomach, when in a state of health, called the Gastric Juice. This fluid is the Great Solvent of the Food, the Purifying, Preserving and Stimulating Agent of the stomach and intestines. Without it there will be no digestion—no conversion of food into blood, and no nutrition of the body; but rather a foul, torpid, painful, and destructive condition of the whole digestive apparatus. A weak, half dead, or injured stomach produces no good Gastric Juice, and hence the disease, distress and debility which ensue.

Pepsin and Rennet.—Pepsin is the chief element, or great digesting principle of the Gastric Juice. It is found in great abundance in the solid parts of the human stomach after death, and sometimes causes the stomach to digest itself, or eat itself up. It is also found in the stomach of animals, as the ox, calf, &c. It is the material used by farmers in making cheese, called *Rennet*, the effect of which has long been the special wonder of the dairy. The curdling of milk is the first process of digestion. *Rennet* possesses astonishing power. The stomach of a calf will curdle nearly one thousand times its own weight of milk. *Baron Liebig* states that, "One part of Pepsin dissolved in sixty thousand parts of water, will digest meat and other food." Diseased stomachs produce no good Gastric Juice, *Rennet* or Pepsin. To show that this want may be perfectly supplied, we quote the following

Scientific Evidence.—*Baron Liebig*, in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Wilson & Co., New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than *Dr. Pereira*

Dr. John W. Draper, Professor of Chemistry in the Medical College of the University of New York, in his "Text Book of Chemistry," page 386, says, "It has been a question whether artificial digestion could be performed—but it is now universally admitted that it may be."

Professor *Dunghison* of Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with *Dr. Beaumont*, on the Gastric Juice, obtained from the living human stomach and from animals are well known. "In all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

As a *Dyspepsia Curer.*—*Dr. Houghton's* preparation of Pepsin has produced the most marvellous effects, curing cases of *Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption*, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than 200 *Remarkable Cures*, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and from the astonishingly small quantity necessary to produce healthy digestion, is believed to act upon

Electro-Magnetic Principles!—There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms, and it only needs to be repeated, for a short time, to make these good effects permanent, purity of blood and vigor of body, follow at once. It is particularly excellent in cases of the Stomach, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold, state of the Blood, Heaviness, Lowness of Spirits, Dependence, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Price one dollar per bottle. One bottle will often effect a lasting cure.
